Overcoming the Five Dysfunctions of a Team-Patrick M. Lencioni 2010-06-03 In the years following the publication of Patrick Lencioni's best-seller The Five Dysfunctions of a Team, fans have been clamoring for more information on how to implement the ideas outlined in the book. In Overcoming the Five Dysfunctions of a Team, Lencioni offers more specific, practical guidance for overcoming the Five Dysfunctions—using tools, exercises, assessments, and real-world examples. He examines questions that all teams must ask themselves: Are we really a team? How are we currently performing? Are we prepared to invest the time and energy required to be a great team? Written concisely and to the point, this guide gives leaders, line managers, and consultants alike the tools they need to get their teams up and running quickly and effectively.

The Five Dysfunctions of a Team-Patrick M. Lencioni 2010-06-03 In The Five Dysfunctions of a Team Patrick Lencioni once again offers a leadership fable that is as enthralling and instructive as his first two best-selling books, The Five Temptations of a CEO and The Four Obsessions of an Extraordinary Executive. This time, he turns his keen intellect and storytelling power to the fascinating, complex world of teams. Kathryn Petersen, Decision Tech's CEO, faces the ultimate leadership crisis: Uniting a team in such disarray that it threatens to bring down the entire company. Will she succeed? Will she be fired? Will the company fail? Lencioni's utterly gripping tale serves as a timeless reminder that leadership requires as much courage as it does insight. Throughout the story, Lencioni reveals the five dysfunctions which go to the very heart of why teams even the best ones-often struggle. He outlines a powerful model and actionable steps that can be used to overcome these common hurdles and build a cohesive, effective team. Just as with his other books, Lencioni has written a compelling fable with a powerful yet deceptively simple message for all those who strive to be exceptional team leaders.

The Five Dysfunctions of a Team-Patrick Lencioni 2012-04-24 A workbook to accompany The five dysfunctions of a team.

The Four Obsessions of an Extraordinary Executive-Patrick M. Lencioni 2010-06-22 In this stunning follow-up to his best-selling book, The Five Temptations of a CEO, Patrick Lencioni offers up another leadership fable that's every bit as compelling and illuminating as its predecessor. This time, Lencioni's focus is on a leader's crucial role in building a healthy organization—an often overlooked but essential element of business life that is the linchpin of sustained success. Readers are treated to a story of corporate intrigue as the frustrated head of one consulting firm faces a leadership challenge so great that it threatens to topple his company, his career, and everything he holds true about leadership itself. In the story's telling, Lencioni helps his readers understand the disarming simplicity and power of creating organizational health, and reveals four key disciplines that they can follow to achieve it.

The Five Dysfunctions of a Team, Manga Edition-Patrick M. Lencioni 2008-10-31 Presents a workplace fable about dysfunctional teamwork, citing the fictional example of CEO Kathryn Petersen, who identifies five "corruptions" that get in the way of her company's teamwork and how she implements action steps to overcome them, in a new manga version of the best-selling business handbook. Original.

The Five Dysfunctions of a Team: Team Assessment-Patrick Lencioni 2012-04-24 This title is based on the "New York Times" bestseller, "The Five Dysfunctions of a Team"

Silos, Politics and Turf Wars-Patrick M. Lencioni 2010-06-03 In yet another page-turner, New York Times best-selling author and acclaimed management expert Patrick Lencioni addresses the costly and maddening issue of silos, the barriers that create organizational politics. Silos devastate organizations, kill productivity, push good people out the door, and jeopardize the achievement of corporate goals. As with his other books, Lencioni writes Silos, Politics, and Turf Wars as a fictional—but eerily realistic—story. The story is about Jude Cousins, an eager young management consultant struggling to launch his practice by solving one of the more universal and frustrating problems faced by his clients. Through trial and error, he develops a simple yet ground-breaking approach for helping them transform confusion and infighting into clarity and alignment.

The Five Dysfunctions of a Team-Patrick M. Lencioni 2007-01-16 The Five Dysfunctions of a Team Workshop Team Assessment is a 38-item paper handout that is an excellent team development tool. A key component of the facilitator-lead Five Dysfunctions of a Team Workshop, the Team Assessment delivers what the name implies "a team assessment" rather than an individual self-assessment. It provides participants with an opportunity to begin exploring the pitfalls that are side-tracking their team. Easy to use, the Assessment is ideal for team off-sites, retreats, or a series of team development meetings. It will help teams of all types increase their cohesiveness and productivity.

The Five Temptations of a CEO-Patrick Lencioni 2011-02-18 A commemorative edition of the landmark book from Patrick Lencioni When it was published ten years ago, The Five Temptations of a CEO was like no other business book that came before. Highly sought-after management consultant Patrick Lencioni deftly told the tale of a young CEO who, facing his first annual board review, knows he is failing, but doesn't know why. Refreshingly original and utterly compelling, this razor-sharp novelette plus self-assessment (written to be read in one sitting) serves as a timeless and potent reminder that success as a leader can come down to practicing a few simple behaviors behaviors that are painfully difficult for each of us to master. Any executive can learn how to recognize the mistakes that leaders can make and how to avoid them. The lessons of The Five Temptations of a CEO, are as relevant today as ever, and this special anniversary edition celebrates ten years of inspiration and enlightenment with a brand new introduction and reflections from Lencioni on the new challenges in business and leadership that have occurred in the past ten years.

Influence Without Authority-Allan R. Cohen 2011-01-11 In organizations today, getting work done requires political and collaborative skills. That's why the first edition of this book has been widely adopted as a guide for consultants, project leaders, staff experts, and anyone else who does not have direct authority but who is nevertheless accountable for results. In this revised edition, leadership gurus Allan Cohen and David Bradford explain how to get cooperation from those over whom you have no official authority by offering them help in the form of the "currencies" they value. This classic work, now revised and updated, gives you powerful techniques for cutting through interpersonal and interdepartmental barriers, and motivating people to lend you their support, time, and resources.

Death by Meeting-Patrick M. Lencioni 2010-06-03 Casey McDaniel had never been so nervous in his life. In just ten minutes, The Meeting, as it would forever be known, would begin. Casey had every reason to believe that his performance over the next two hours would determine the fate of his career, his financial future, and the company he had built from scratch. "How could my life have unraveled so quickly?" he wondered. In his latest page-turning work of business fiction, best-selling author Patrick Lencioni provides readers with another powerful and thought-provoking book, this one centered around a cure for the most painful yet underestimated problem of modern business: bad meetings. And what he suggests is both simple and revolutionary. Casey McDaniel, the founder and CEO of Yip Software, is in the midst of a problem he created, but one he doesn't know how to solve. And he doesn't know where or who to turn to for advice. His staff can't help him; they're as dumbfounded as he is by their tortuous meetings. Then an unlikely advisor, Will Peterson, enters Casey's world. When he proposes an unconventional, even radical, approach to solving the meeting problem, Casey is just desperatte enough to listen. As in his other books, Lencioni provides a framework for his groundbreaking model, and makes it applicable to the real world. Death by Meeting is nothing short of a blueprint for leaders who want to eliminate waste and frustration among their teams, and create environments of engagement and passion.

The Advantage-Patrick M. Lencioni 2012-03-14 There is a competitive advantage out there, arguably more powerful than any other. Is it superior strategy? Faster innovation? Smarter employees? No, New York Times best-selling author, Patrick Lencioni, argues that the seminal difference between successful companies and mediocre ones has little to do with what they know and how smart they are and more to do with how healthy they are. In this book, Lencioni brings together his vast experience and many of the themes cultivated in his other best-selling books and delivers a first: a cohesive and comprehensive exploration of the unique advantage organizational health provides. Simply put, an organization is healthy when it is whole, consistent and complete, when its management, operations and culture are unified. Healthy organizations outperform their counterparts, are free of politics and confusion and provide an environment where star performers never want to leave. Lencioni's first non-fiction book provides leaders with a groundbreaking, approachable model for achieving organizational health—complete with stories, tips and anecdotes from his experiences consulting to some of the nation's leading organizations. In this age of informational ubiquity and nano-second change, it is no longer enough to build a competitive advantage based on intelligence alone. The Advantage provides a foundational construct for conducting business in a new way—one that maximizes human potential and aligns the organization around a common set of principles.

What the CEO Wants You to Know-Ram Charan 2017 A powerful lesson in what is really important in business, this remarkable book by an ultimate insider takes the lessons of the peddler and reveals how they can be used by the rest of us. Reminiscent of bestsellers such as "Who Moved My Cheese?" and "The One-Minute Manager, What the CEO Wants You to Know" is simple, direct, and of immense use to everyone in business.

Getting Naked-Patrick M. Lencioni 2010-02-02 Another extraordinary business fable from the New York Times bestselling author Patrick Lencioni Written in the same dynamic style as his previous bestsellers including The Five Dysfunctions of a Team, Lencioni illustrates the principles of inspiring client loyalty through a fascinating business fable. He explains the theory of vulnerability in depth and presents concrete steps for putting it to work in any organization. The story follows a small consulting firm, Lighthouse Partners, which often beats out big-name competitors for top clients. One such competitor buys out Lighthouse and learns important lessons about what it means to provide value to its clients. Offers a key resource for gaining competitive advantage in tough times Shows why the quality of vulnerability is so important in business Includes ideas for inspiring customer and client loyalty Written by the highly successful consultant and business writer Patrick Lencioni

This new book in the popular Lencioni series shows what it takes to gain a real and lasting competitive edge.

Radical Candor-Kim Scott 2019-09 The old adage is ingrained in us that if you don't have anything nice to say then don't say anything at all. While this advice may work for home life, as Kim Scott has seen first hand, it is a disaster when adopted by managers in the work place.Scott earned her stripes as a highly successful manager at Google before moving to Apple where she developed a class on optimal management. Radical Candor draws directly on her experiences at these cutting edge companies to reveal a new approach to effective management that delivers huge success by inspiring teams to work better together by embracing fierce conversations.Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism - delivered to produce better results and help employees develop their skills and boundaries of success.Great bosses have a strong relationship with their employees, and Scott has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters.Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first hand experience, and distilled clearly to give actionable lessons to the reader, Radical Candor shows how to be successful while retaining your integrity and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people both love their work, their colleagues and are motivated to strive to ever greater success.

Five Dysfunctions of a Team Workshop Deluxe Facilitator's Guide Package-Patrick M. Lencioni 2007-01-16 Based the leadership fable, by Patrick Lencioni, the Five Dysfunctions of a Team Workshop Deluxe Facilitator's Guide Package provides everything needed for high-impact workshops for intact teams. There is a Facilitator's Guide which has an introduction to the model, instructions for administering and debriefing the 38-item team assessment, and a script for presentation delivery. In addition, the package also contains a copy of the Five Dysfunctions of a Team book and the Five Dysfunctions of a Team Video Presentation (DVD), which comes with its own 27-page supplemental guide. Deluxe Facilitator's Guide contents: binder (with tabs and loose-leaf pages), hardcover book, paper assessment, sample participant workbook, poster, CD-ROM, and DVD.

The Ideal Team Player-Patrick M. Lencioni 2016-04-25 In his classic book, The Five Dysfunctions of a Team, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In The Ideal Team Player, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

Live Pain-Free-Lee Albert 2018-02-15 Don't let chronic pain control you! Take charge of your health today with Live Pain Free: Eliminate Chronic Pain without Drugs or Surgery. You will quickly learn how to enjoy permanent pain relief in only a few minutes a day. Neuromuscular Therapist Lee Albert shares his Integrated Positional Therapy (IPT) techniques, which were designed to eliminate pain rather than simply hide the symptoms. They have already been used by thousands of people to successfully reduce or get rid of their chronic pain. This system can help you to correct the misalignments in your own body today. With easy-to-follow instructions and illustrative photos, Live Pain Free delivers simple therapeutic techniques that: • Require no previous experience • Require no special equipment • Fit your busy lifestyle • Can be done in bed • Can be done on the couch • Can be done at the office Get your body back into balance and back to health like the people below by using some simple techniques that you can do right now. "I had a sensation of what I remember about being seven years old, and realized that it was complete freedom from pain. Even though I had very minor, nond debilitating pain in the rest of my body. I didn't realize how it might feel to be without it." - SARK, author of Succulent Wild Woman "Integrated Positional Therapy makes perfect anatomic sense, and has helped me effectively relieve pain in patients with fibromyalgia, migraines, tension headaches, chronic low back pain, ankylosing spondylitis, shoulder pain - the list goes on and on." - Lisa C. Cilver, MD "Its use would yield vast savings in medical care costs, while at the same time sparing patients the additional burden of further injury caused by unnecessary medical treatment." - Clifford Schilke, M.D. What are you waiting for?

The First-Time Manager-Loren B. Belker 2012-01-30 What's a rookie manager to do? Faced with new responsibilities, and in need of quick, dependable guidance, novice managers can't afford to learn by trial and error. The First-Time Manager is the answer, dispensing the bottom-line wisdom they need to succeed. A true management classic, the book covers essential topics such as hiring and firing, leadership, motivation, managing time, dealing with superiors, and much more. Written in an inviting and accessible style, the revised sixth edition includes new material on increasing employee engagement, encouraging innovation and initiative, helping team members optimize their talents, improving outcomes, and distinguishing oneself as a leader. Packed with immediately usable insight on everything from building a team environment to conducting performance appraisals, The First-Time Manager remains the ultimate guide for anyone starting his or her career in management.

The Motive-Patrick M. Lencioni 2020-02-26 Shay was still angry but shrugged nonchalantly as if to say, it's not that big of a deal. "So, what am I wrong about?" "You're not going to want to hear this, but I have to tell you anyway." Liam paused before finishing. "You might be working hard, but you're not doing it for the company." "What the hell does that mean?" Shay wanted to know. Knowing that his adversary might punch him for what he was about to say, Liam responded. "You're doing it for yourself." New York Times best-selling author Patrick Lencioni has written a dozen books that focus on how leaders can build teams and lead organizations. In The Motive, he shifts his attention toward helping them understand the importance of why they're leading in the first place. In what may be his edgiest page-turner to date, Lencioni thrusts his readers into a day-long conversation between rival CEOs. Shay Davis is the CEO of Golden Gate Alarm, who, after just a year in his role, is beginning to worry about his job and is desperate to figure out how to turn things around. With nowhere else to turn, Shay receives some hard-to-swallow advice from the most unlikely and unwanted source—Liam Alcott, CEO of a more successful security company and his most hated opponent. Lencioni uses unexpected plot twists and crisp dialogue to take us on a journey that culminates in a resolution that is as unexpected as it is enlightening. As he does in his other books, he then provides a straightforward summary of the lessons from the fable, combining a clear explanation of his theory with practical advice to help executives examine their true motivation for leading. In addition to provoking readers to honestly assess themselves, Lencioni presents action steps for changing their approach in five key areas. In doing so, he helps leaders avoid the pitfalls that stifle their organizations and even hurt the people they are meant to serve.

The Three Signs of a Miserable Job-Patrick M. Lencioni 2010-06-03

Fierce Marriage-Ryan Frederick 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life—or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Equity and Quality in Education Supporting Disadvantaged Students and Schools-OECD 2012-02-09 Across OECD countries, almost one in every five students does not reach a basic minimum level of skills. This book presents a series of policy recommendations for education systems to help all children succeed.

The Hands-off Manager-Steve Chandler 2007-01-01 Today's employees do not respond to the old hands-on, militaristic management styles. They are highly independent, individual professionals with their own fully developed ideas. Leaders and managers who try to micro-manage them will inevitably conform wide-spread disgruntlement, absenteeism, and turnover...and increase their and their employees stress levels. Chandler and Black offer a new vision for all managers. With stories, examples, and vibrant activities for the reader to practice, this book shows any manager, new or seasoned, how to coach and mentor employees rather than hover over their shoulders and goad them into action.

Full Steam Ahead!-Kenneth H. Blanchard 2004 Explaining the need for establishing a guiding vision for the future, two business experts draw on real-life situations, people, and corporations to demonstrate how to achieve three core elements—Significant Purpose, Clear Values, and a Picture of the Future—that are needed to create and implement a vision. Reprint.

Nothing to Lose, Everything to Gain-Ryan Blair 2013 Traces the author's upbringing where he joined a gang in order to survive until his mother married an entrepreneur who taught him key life and business principles, in an inspirational account that describes his rise to wealth.

Deep Undercover-Jack Barsky 2017 An ex-Soviet KGB agent details his primary mission to work undercover in the United States for over a decade and discusses his change of allegiance and defection from the KGB. --Publisher's description.

The 3 Big Questions for a Frantic Family-Patrick M. Lencioni 2008-09-09 In this unique and groundbreaking book, business consultant and New York Times best-selling author Patrick Lencioni turns his sights on the most important organization in our lives—the family. As a husband and the father of four young boys, Lencioni realized the discrepancy between the time and energy his clients put into running their organizations and the reactive way most people run their personal lives. Having experienced the stress of a frantic family firsthand, he and his wife began applying some of the tools he uses with Fortune 500 companies at home, and with surprising results.

The Science of Breaking Bad-Dave Trumbore 2019-06-25 All the science in Breaking Bad—from explosive experiments to acid-based evidence destruction—explained and analyzed for authenticity. Breaking Bad's (anti)hero Walter White (played by Emmy-winner Bryan Cranston) is a scientist, a high school chemistry teacher who displays a plaque that recognizes his “contributions to research awarded the Nobel Prize.” During the course of five seasons, Walt practices a lot of ad hoc chemistry—from experiments that explode to acid-based evidence destruction to an amazing repertoire of methodologies for illicit meth making. But how much of Walt's science is actually scientific? In The Science of "Breaking Bad," Dave Trumbore and Donna Nelson explain, analyze, and evaluate the show's portrayal of science, from the pilot's opening credits to the final moments of the series finale. The intent is not, of course, to provide a how-to manual for wannabe meth moguls but to decode the show's most head-turning, jaw-dropping moments. Trumbore, a science and entertainment writer, and Nelson, a professor of chemistry and Breaking Bad's science advisor, are the perfect scientific tour guides. Trumbore and Nelson cover the show's portrayal of chemistry, biology, physics, and subdivisions of each area including toxicology and electromagnetism. They explain, among other things, Walt's DIY battery making; the dangers of Mylar balloons; the feasibility of using hydrofluoric acid to dissolve bodies; and the chemistry of methamphetamine itself. Nelson adds interesting behind-the-scenes anecdotes and describes her work with the show's creator and writers. Marius Stan, who played Bogdan on the show (and who is a PhD scientist himself) contributes a foreword. This is a book for every science buff who appreciated the show's scientific moments and every diehard Breaking Bad fan who wondered just how smart Walt really was.

The Dream Manager-Matthew Kelly 2007-08-21 A business parable about how companies can achieve remarkable results by helping their employees fulfill their dreams Managing people is difficult. With disengagement and turnover on the rise, many managers are scratching their heads wondering what to do. It's not that we dont dream of being great managers, it's just that we havent found a practical and efficient way to do it. Until now . . . The fictional company in this remarkable book is grappling with real problems of high turnover and low morale -- so the managers begin to investigate what really drives the employees. What they discover is that the key to motivation isnt necessarily the promise of a bigger paycheck or title, but rather the fulfillment of crucial personal dreams. They also learned that people at every level need to be offered specific kinds of help and encouragement -- or our dreams will forever remain just dreams as we grow dissatisfied with our lives and jobs. Beginning with his important thought that a company can only become the best-version-of-itself to the extent that its employees are becoming better-versions-of-themselves, Matthew Kelly explores the connection between the dreams we are chasing personally and the way we all engage at work. Tackling head-on the growing problem of employee disengagement, Kelly helps the dynamic collaboration that is unleashed when people work together to achieve company objectives and personal dreams. The power of The Dream Manager is that simply becoming aware of the concept will change the way you manage and relate to people instantly and forever. What's your dream?

Why Are We Yelling?-Buster Benson 2019-11-19 Have you ever walked away from an argument and suddenly thought of all the brilliant things you wish you'd said? Do you avoid certain family members and colleagues because of bitter, festering tension that you can't figure out how to address? Now, finally, there's a solution: a new framework that frees you from the trap of unproductive conflict and pointless arguing forever. If the threat of raised voices, emotional outbursts, and public discord makes you want to hide under the conference room table, you're not alone. Conflict, or the fear of it, can be exhausting. But as this powerful book argues, conflict doesn't have to be unpleasant. In fact, properly channeled, conflict can be the most valuable tool we have at our disposal for deepening relationships, solving problems, and coming up with new ideas. As the mastermind behind some of the highest-performing teams at Amazon, Twitter, and Slack, Buster Benson spent decades facilitating hard conversations in stressful environments. In this book, Buster reveals the psychological underpinnings of awkward, unproductive conflict and the critical habits anyone can learn to avoid it. Armed with a deeper understanding of how arguments, you'll be able to: • Remain confident when you're put on the spot • Diffuse tense moments with a few strategic questions • Facilitate creative solutions even when your team has radically different perspectives Why Are We Yelling will shatter your assumptions about what makes arguments productive. You'll find yourself having fewer repetitive, predictable fights once you're empowered to identify your biases, listen with an open mind, and communicate well.

Daring Greatly-Brené Brown 2013-01-17 \*\*Now on Netflix as The Call to Courage\*\* Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. In a powerful new vision Dr Brené Brown challenges everything we think we know about vulnerability, and dispels the widely accepted myth that it's a weakness. She argues that, in truth, vulnerability is strength and when we shut ourselves off from vulnerability - from revealing our true selves - we distance ourselves from the experiences that bring purpose and meaning to our lives. Daring Greatly is the culmination of 12 years of groundbreaking social research, across every area of our lives including home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly.

Freakonomics-Steven D. Levitt 2011-09-20 Which is more dangerous, a gun or a swimming pool? What do schoolteachers and sumo wrestlers have in common? How much do parents really matter? These may not sound like typical questions for an economist to ask. But Steven D. Levitt is not a typical economist. He studies the riddles of everyday life—from cheating and crime to parenting and sports—and reaches conclusions that turn conventional wisdom on its head. Freakonomics is a groundbreaking collaboration between Levitt and Stephen J. Dubner, an award-winning author and journalist. They set out to explore the inner workings of a crack gang, the truth about real estate agents, the secrets of the Ku Klux Klan, and much more. Through forceful storytelling and wry insight, they show that economics is, at root, the study of incentives—how people get what they want or need, especially when other people want or need the same thing.

Who-Geoff Smart 2008 A manager's guide to hiring the right employees introduces the practical and effective A Method for Hiring, which draws on the expertise of hundreds of high-level executives to present a simple, easy-to-follow program to guarantee hiring success. 50,000 first printing.

The Five Dysfunctions of a Team: Poster, 2nd Edition-Patrick M. Lencioni 2012-04-10 Poster for The Five Dysfunctions of a Team.

Get Everyone in Your Boat Rowing in the Same Direction-Bob Boylan 2005

Doesn't Hurt to Ask-Trey Gowdy 2020 "The former federal prosecutor and congressman for South Carolina breaks down the art of persuasion into a few shockingly simple, easy-to-follow, and proven steps that will help readers win arguments, gain support for their cause, and convey their message successfully. You may never find yourself in front of jury during a criminal prosecution arguing for a particular verdict or offering yourself for elected office in a political campaign. You simply want to be heard. You want to be understood. You want to effectively communicate what you believe, why you believe it, and perhaps why others should adopt your position as well. This book will help you get better at advancing what you believe through the art of asking the right questions, at the right time, in the right order, and in the right form. Blending gripping case studies, relatable personal stories, digestible evidence, and practical advice, it walks you through the tools and the mindset needed to effectively communicate. Using the same techniques he used from the courtroom to Congress, Trey Gowdy helps you land on your objective, know your jury, establish your burden of proof, and formulate strategic questions to persuade effectively beyond a reasonable doubt. The art of asking the right questions, listening to the response, and following up in a systematic way is essential to moving hearts and minds. And that should always be our objective when it comes to persuasion: striving not only to communicate but to move our audience to action. So let's get moving!"--

The Consumer Society-Jean Baudrillard 2016-12-13 Jean Baudrillard's classic text was one of the first to focus on the process and meaning of consumption in contemporary culture. Originally published in 1970, the book makes a vital contribution to current debates on consumption. The book includes Baudrillard's most organized discussion of mass media culture, the meaning of leisure, and anomie in affluent society. A chapter on the body demonstrates Baudrillard's extraordinary prescience for flagging vital subjects in contemporary culture long before others. This English translation begins with a new introductory essay.

The Dad's Edge-Larry Hagner 2015-09-29 If you could improve one area in your dad journey...what would it be? What would it be like if you mastered not one, but several aspects of your dad journey all at once? What would life be like if you improved your level of patience, had better and deeper connections with your wife and kids, improved your relationships outside the immediate family, and all while mastering a good work/life balance? How would life be different if you did this?Hello, I'm Larry Hagner and I'm a dad. And I love being a dad. And I believe that being a dad is one of the most rewarding aspects of a man's life. However, being a father can humble you like nothing else can. There really is no roadmap. With so few resources out there for dads like us, I decided to create The Dad Edge to help YOU as a dad to give you easy to implement techniques you can use to be your very best and enjoy your journey of fatherhood.The Dad's Edge will help you:\* Master work/life balance\* Discover three techniques to improve and maintain a great connection with your kids\* Improve your connection & intimacy with your spouse, no matter how busy you are\* Improve your relationships outside the immediately family\* Uncover three easy ways to improve your patience short term and long term\* Discover simple ways to show up big for your kids and be present in the moment\* Thrive (Not Survive) your journey of fatherhoodIf you can identify with one or more of these issues, I understand first hand. Every one of us struggles with these issues on our dad journey and now I've empowered you with some great strategies and a solid roadmap in The Dad's Edge so you can relax and feel confident you are "good dad focused" and nothing will stand in your way!

Elevate-Robert Glazer 2019-10-01 NOW A USA TODAY AND WALL STREET JOURNAL BESTSELLER! What are your limits? Care to break them? To inspire change in yourself and your team, you must break free from what's holding you down. In Elevate, Robert Glazer reveals four life-changing principles — or capacities — that will allow you to overcome self-limiting beliefs, establish positive habits, and find your "why." As we look to elevate ourselves, we mean so much more than beating the competition. After all, our greatest competition is ourselves! We need to find ways to consistently outperform ourselves and our own expectations. Robert Glazer has built a career on accelerating productivity and careers. ELEVATE is based on his five foundational elements necessary for increasing our capacity: Finding Your Why, Overcoming Self-Limiting Beliefs, Setting Goals and Creating Accountability, Maintaining Health and Wellness, and Establishing Routine and Positive Habits. The key is elevating yourself beyond the edge of your current abilities. Challenge yourself, and the result will inspire others to rise along with you. It's time to break free of your limits.
