Swing Your Partner-D. D. Lafrance 2014-08-29 Swing Your Partner is an exciting book. It's equal parts introductory guide and memoir, a fun and personal resource for people interested in learning about, or stepping into, the swinging lifestyle. Based on their ten years' personal experience, the authors have compiled a step by step guide for getting involved in the lifestyle, and paired that with a selection of erotic stories detailing their own experiences in swinging as they progressed through it, creating a book that's both informative and entertaining. With an easy and light-hearted tone, they address misconceptions about the lifestyle, tips for finding potential partners online and setting up an online profile, etiquette, and more. And, their personal encounters provide an honest and exciting look into the subjects discussed in the more formal sections. While the swinging lifestyle may not be for everyone, this (almost) 100% true book is a fun and valuable resource for all, especially those who feel like it might just be for them.

Amazing Sex-Stories-Gloria Hole 2017-03-14 Sex is the most important thing in the world. Women, men and couples tell their true sex stories. Gloria Hole has been living in Hamburg for many years. She worked there as a whore. To this day, she makes the hearts of the men beat faster. With great sensitivity, she understands how to pass on her experiences to young men. She is known as a teacher for young men who want to learn the arts of love. With a lot of passion and genuine desire, she is part of it and is still pursuing her old profession as a hobby. Many men have lost their innocence. I am not a professional writer. Rather, it is a private concern to let other people participate in these sex stories or even to encourage themselves to become active. Meanwhile, she had written many sex stories about and for sexual open-minded people. Sex and erotic short stories in English, from 18 years, are their great passion. Especially from the areas: Analsex, Groupsex, Cuckold, Femdom, Outdoorsex, Swingersex, Wifesharing, Dirty Talk, Milf and Omasex. For her there is no taboo. She also likes to write about mature men and young women, school girls (the girls are over 18), the first time sex, outgoing, fling and lesbian love. Erotic must be porn, uncensored and hardcore for her. Written in a clear and expressive language. Sex stories must be like a porn for the head to the reader. This is exactly what is going on in my sex books. Erotic books the man and woman make sharp.

My First Book of Tagalog Words-Liana Romulo 2007-01-15 My First Book of Tagalog Words is a beautifully illustrated book that introduces young children to Filipino language and culture through everyday words. The words profiled in this book are all commonly used in the Filipino language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Tagalog Words are multiple: to familiarize children with the sounds and structure of the Tagalog language; to introduce core elements of Filipino culture; to illustrate the ways in which languages differ in their treatment of everyday sounds; and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural references and appreciate how the book is organized in a familiar ABC structure. With the help of this book, we hope more children (and adults) will soon be a part of the 22 million people worldwide that speak Tagalog!

My Life in Retrospect-Albert Daniel Saporta 1980

Proměna-Franz Kafka 2015-01-01 Anglicko-česká verze klasického Kafkova díla Kafkova povídka Proměna (Die Verwandlung), publikovaná r. 1915, je považována za klíčové dílo krátké prózy 20. století. Obsahuje typické kafkovské prvky jako absurditu, pocit bezvýchodnosti, tragicko-komické momenty. Je těžké rozhodnout, co vlastně proměna ve hmyz znamená. Zda jde o sen, symbolické zobrazení osamělosti a bezradnosti či obraz měšťanské strnulosti a povrchní morálky. Profesor německé literatury Stanley Corngold z univerzity v Princetonu uvádí ve své knize Komentátorova beznaděj (The Commentator's Dispair) až sto třicet různých vysvětlení. Díky německé větné stavbě Kafka v originálu často používá momentu překvapení a zvratu na samém konci věty. To je pak samozřejmě oříšek pro překladatele. I samotný překlad slova ungeziefer není zcela přesný, protože kromě hmyzu ve středověké němčině toto slovo znamená nečistě zvíře nevhodné k uctívání, jakousi havěť. V naší publikaci naleznete anglický a český překlad povídky. Nejsou zcela identické a bude jistě zajímavé porovnat, jak si který z překladatelů s původním německým textem pohrál. Nicméně čeština Vám jistě pomůže tam, kde Vám bude angličtina připadat nesrozumitelná. Věříme, že si z obou překladů mnohé odnesete a kromě čtení samotného se přiučíte i něčemu novému v anglickém jazyce. Anglický text si můžete poslechnout na nahrávce ke stažení. V publikaci také naleznete jazykové komentáře.

Can't and Won't-Lydia Davis 2014-04-08 A new collection of short stories from the woman Rick Moody has called "the best prose stylist in America" Her stories may be literal one-liners: the entirety of "Bloomington" reads, "Now that I have been here for a little while, I can say with confidence that I have never been here before." Or they may be lengthier investigations of the havoc wreaked by the most mundane disruptions to routine: in "A Small Story About a Small Box of Chocolates," a professor receives a gift of thirty-two small chocolates and is paralyzed by the multitude of options she imagines for their consumption. The stories may appear in the form of letters of complaint; they may be extracted from Flaubert's correspondence; or they may be inspired by the author's own dreams, or the dreams of friends. What does not vary throughout Can't and Won't, Lydia Davis's fifth collection of stories, is the power of her finely honed prose. Davis is sharply observant; she is wry or witty or poignant. Above all, she is refreshing. Davis writes with bracing candor and sly humor about the quotidian, revealing the mysterious, the foreign, the alienating, and the pleasurable within the predictable patterns of daily life.

The Enchanted Stag-The Brothers Grimm 2014-04-16 The Enchanted Stag - By The Brothers Grimm - Learn to Read - Children's Classics. There were once a brother and sister who loved each other dearly; their mother was dead, and their father had married again a woman who was most unkind and cruel to them. One day the boy took his sister's hand, and said to her, "Dear little sister, since our mother died we have not had one happy hour. Our stepmother gives us dry hard crusts for dinner and supper; she often knocks us about, and threatens to kick us out of the house. Even the little dogs under the table fare better than we do, for she often throws them nice pieces to eat. Heaven pity us! Oh, if our dear mother knew! Come, let us go out into the wide world!" So they went out, and wandered over fields and meadows the whole day till evening. At last they found themselves in a large forest; it began to rain, and the little sister said, "See, brother, heaven and our hearts weep together." At last, tired out with hunger and sorrow, and the long journey, they crept into a hollow tree, laid themselves down, and slept till morning.
