Junior High Ministry-Wayne Rice 2010-05-29 Rowdy, restless, silly, out of control, moody, vulgar, disrespectful, unpredictable -- this may be the junior high stereotype, writes youth ministry expert Wayne Rice. But early adolescents' enthusiasm, loyalty, energy, candidness, and willingness to learn -- these more than compensate for the well-publicized hazards of working with middle schoolers. In this edition of Junior High Ministry -- updated and expanded to reflect the realities of middle school ministry at the turn of the century -- the cofounder of Youth Specialties takes a comprehensive look at the early adolescent experience: - A case for junior high ministry -- and what it takes to work effectively with junior highers. - New material of turn-of-the-century trends in the youth culture -- and on programming for kids living in this culture. - A chapter each on the five pivotal areas of development -- physical, social, intellectual, psycho-emotional, and faith -- among junior highers. - Altogether new chapters on parental involvement and mentoring in the context of junior high ministry. . . all topped off with 50 creative and practical ideas -- fun and games, Bible study openers, mixers, entire events -- that are tailored for junior highers in Sunday school, the youth room, or your living room. Whether you're training for youth work or a trainer of youth workers, Junior High Ministry will keep finding its dog-eared way to the top of your most used resources.

Modern Pathfinders-Jason Puckett 2015-10-01 "Whether you call them research guides, subject guides or pathfinders, web-based guides are a great way to create customized support tools for a specific audience: a class, a group, or anyone engaging in research. Studies show that library guides are often difficult, confusing, or overwhelming, causing users to give up and just fall back on search engines such as Google. How can librarians create more effective, less confusing, and simply better research guides? In Modern Pathfinders: Creating Better Research Guides, author Jason Puckett takes proven ideas from instructional design and user experience web design and combines them into easy-to-understand principles for making your research guides better teaching tools. It doesn't matter what software your library uses; the advice and techniques in this book will help you create guides that are easier for your users to understand and more effective to use"--

Child Guidance-Ellen Gould Harmon White 2002
An Appeal to Mothers-Ellen G. White 2012-06-11 Largely of historical interest, Ellen G. White's 1864 book on health care reform deals with the perceived problems of masturbation among the young. Terming it a "solitary vice" and "self abuse," she addresses her concerns—and her solutions—directly to mothers, advocating religion, awareness, and work. Though hardly politically correct today, with modern knowlege and insight, her views and solutions are far less extreme than most other health care professionals' of the age.
Roy Blakeley-Percy Keese Fitzhugh 2019-11-03 In one of the books which Roy Blakeley and his patrol collect from a kindly old gentleman, in a book-drive for the soldiers, Pee-wee Harris discovers what he believes to be a sinister looking memorandum, and he becomes convinced that the old gentleman is a genuine spy. But the laugh is on Pee-wee, as usual, for the donor of the book turns out to be an author, and the suspicious memorandum is only a literary mark. The author, however, is so pleased with the boys' patriotism and amused at Pee-wee's zeal, that he loans them his houseboat, in which they make the trip up the Hudson to their beloved Temple Camp, which every boy who has read the TOM SLADE BOOKS will be glad to see once more.--Grosset & Dunlap advertisement.
Fundamentals of Christian Education-Ellen Gould Harmon White 1977
JN Andrews-Virgil E. Robinson 2004 John Nevins Andrews was one of the brightest lights of the new and growing Seventh-day Adventist Church. Serving as a scholar, author, preacher, administrator and the denomination's first missionary, he devoted his life for his church and God with unremitting zeal, and burned himself out at the age of 54. This book tells the story of a young man who became an Adventist, spurned a life of publicity and fame, became an itinerant preacher, clarified points of doctrine on the Sabbath for the new church, and ended his life sacrificially while bringing the three angels' message to Europe.
