Perchance to Dream-Lisa Mantchev 2010-05-25 From the critically acclaimed author of Eyes Like Stars We are such stuff as dreams are made on. Act Two, Scene One Growing up in the enchanted Théâtre Illuminata, Beatrice Shakespeare Smith learned everything about every play ever written. She knew the Players and their parts, but she didn't know that she, too, had magic. Now, she is the Mistress of Revels, the Teller of Tales, and determined to follow her stars. She is ready for the outside world. Enter BERTIE AND COMPANY But the outside world soon proves more topsy-turvy than any stage production. Bertie can make things happen by writing them, but outside the protective walls of the Théâtre, nothing goes as planned. And her magic cannot help her make a decision between— Nate: Her suave and swashbuckling pirate, now in mortal peril. Ariel: A brooding, yet seductive, air spirit whose true motives remain unclear. When Nate is kidnapped and taken prisoner by the Sea Goddess, only Bertie can free him. She and her fairy sidekicks embark on a journey aboard the Théâtre's caravan, using Bertie's word magic to guide them. Along the way, they collect a sneak-thief, who has in his possession something most valuable, and meet The Mysterious Stranger, Bertie's father—and the creator of the scrimshaw medallion. Bertie's dreams are haunted by Nate, whose love for Bertie is keeping him alive, but in the daytime, it's Ariel who is tantalizingly close, and the one she is falling for. Who does Bertie love the most? And will her magic be powerful enough to save her once she enters the Sea Goddess's lair? Once again, LISA MANTCHEV has spun a tale like no other—full of romance, magic, adventure, and fairies, too—that readers won't want to put down, even after the curtain has closed.

Eyes Like Stars-Lisa Mantchev 2009-07-07 The fantastic first novel in Lisa Mantchev's Theatre Illuminata trilogy Welcome to the Théâtre Illuminata, where the characters of every play ever written can be found behind the curtain. The actors are bound to the Théâtre by The Book, an ancient and magical tome of scripts. Bertie is not one of the actors, but they are her family. And she is about to lose them all because The Book has been threatened, and along with it the Théâtre. It's the only home Bertie has ever known, and she has to find a way to save it. But first, there's the small problem of two handsome men, both vying for her attention. Nate, a dashing pirate who will do anything to protect Bertie, and Ariel, a seductive air spirit. The course of true love never did run smooth. . . . With Eyes Like Stars, Lisa Mantchev has written a debut novel that is dramatic, romantic, and witty, with an irresistible and irreverent cast of characters who are sure to enchant the audience.

To complicate it all, Bertie is torn between her two loves, Ariel and Nate.

Shakespeare and Millennial Fiction-Andrew James Hartley 2017-11-16 How do writers of contemporary fiction incorporate Shakespeare - the man, his work and his cultural legacy? This collection brings together some of the leading voices in the scholarship of Shakespearean adaptation and appropriation to examine the ways in which writers have used literary culture's most prominent historical figure to their own ends since the year 2000. The essays consider the representation of the man himself, the rethinking of his stories - often in pointed defiance of the original - and explorations of the plays radically repositioned in time and space. In the process the collection reveals which versions of Shakespeare are most current in contemporary culture and education, even as they remake them in the terms of the present, often exploiting the new notions of genre, of publishing technologies, and of political identity which have evolved so drastically since the turn of the last century.

Instead she finds herself in Milan, in her father's castle, surrounded by hostile servants who treat her like a ghost. Whispers cling to her like spiderwebs, whispers that carry her dead mother's name. And though he promised to give away his power, Milan is once again contorting around Prospero's dark arts. With only Dorothea, her sole companion and confidant to aid her, Miranda must cut through the mystery and find the truth about her father, her mother, and herself.
