God has called us to raise our children for Him but, in the middle of laundry piles and spilled cereal, we can lose our purpose. We forget that we were created to be more than a referee for kid's fights and a taxi driver for young athletes. We were created to be mighty warriors that point our children to Jesus with clarity and passion. With stories straight from the trenches of child raising and powerful truths from the Bible, Stefani Stoltzfus dives into the importance of raising children for the glory of Jesus. Moms in Prayer-Fern Nichols 2013-09-03 What principles enabled the concerned mom of two junior high school students to move from deciding she needed to pray for her kids at school to becoming the founder of a worldwide prayer movement called Moms In Prayer International? Fern Nichols is a passionate believer in the power of prayer. She knows that a regular habit of prayer can change things--can bring home wayward children, heal broken marriages, and provide answers to desperate situations. Prayer can also bring a new kind of peace and contentment no matter what hardships or disappointments we face. But most important, Fern knows that through prayer we can experience, firsthand, an ever-increasing intimacy with God. In Moms In Prayer, Fern Nichols reveals how she teaches women to pray in a way that changes their lives and the lives of those they love. She teaches the principles and practices that will not only revolutionize the way people think about prayer, but the way they do pray, leading them into a deeper intimacy with Jesus, who is always interceding on our behalf. Sparkling with real-life stories of God at work in the lives of praying moms, Fern introduces us to the four prayers that are the foundation of the Moms In Prayer approach to prayer: Praise--Praying according to the attributes of God Confession--Breaking strongholds Thanksgiving--Expressing a grateful heart Intercession--Standing in the gap with Jesus. What transforms these well-known elements of prayer into such a powerful force in Moms In Prayer International? Fern Nichols introduces a way of praying that energizes, creates an appetite for intimacy with God, overcomes spiritual paralysis, eliminates fear, unveils the heart and character of God, and transforms the pray-er's life and perspective. She teaches how to pray effectively with others, how to prepare for the spiritual battles that swirl when prayer is on the move, how to persist in prayer in the face of hopelessness and despair, and how to use Scripture for effective prayer. The Audacious Molly Bruno-Marie Armenia 2018-04-17 Meet Molly Bruno, the real-life prayer warrior who inspired the character "Miss Clara" in the film *War Room*. Learn from Molly how to pray boldly, with audacity, believing that nothing is impossible for God. *THE AUDACIOUS MOLLY BRUNO*, written by her daughter MARIE ARMENIA, is a holy and hilarious mentoring resource for women who desperately long for wisdom from a Godly mother-someone who is a living example of practical experience and steadfast faith. It is also a wakeup call for older women of faith, encouraging them to embrace the calling of Titus 2:3-5 to mentor younger women about what's truly important in life. "When I think of my mother's prayers," author Marie writes, "I remember the prayer she prayed every morning without fail, 'Lord, please send someone my way today that I can tell about you.' Everyone (and I mean everyone) who met Molly Bruno fell in love with her. This includes the Kendrick Brothers, who wrote and directed the film *War Room*. During filming of the movie, they met Molly, calling her the modern-day Ms. Clara of *War Room*. She inspired them, just like she inspired everyone around her. When she prayed, she got answers. Molly lived a lifetime of believing she could boldly approach the very throne of God 'with confidence, so that we may receive mercy and find grace to help us in our time of need.' My mother didn't teach me how to pray any more than she taught me how to breathe. I saw her pray REAL prayers, using REAL words addressed to a REAL God. I learned by observing my mother's prayer life that the last thing on earth that should be edited is a prayer. Shameless audacity. Those words remind me of my mother's approach to prayer. She had no fear of God's displeasure or that He might scold her for asking for impossible things. She had no need to edit her heart to the One she loved. She knew He knew her heart. Having settled this between herself and God, she asked. And asked again. And got incredible answers time and time again." *THE AUDACIOUS MOLLY BRUNO* will teach you how to pray with fervent hope, deep joy and abiding faith.

Prayers of My Mother-Carolyn L. Austin 2019-03-11 *Prayers of My Mother* is a collection of Scriptures, anecdotes, and inspirational prayers, depicting Carolyn's spiritual journey and faith-filled upbringing. Inspired by her mother - her daily morning "Prayer Share," was the catapult for *Prayers of My Mother*. *Prayers of my Mother* is divided into five parts. Part One, "Blessed Trinity," is intended to encourage the reader to become in tune with his or her own calling or spiritual gift(s) through meditation. Love Her Well-Kari Kampakis 2020-08-18 Moms are eager for tips and wisdom to help them build strong relationships with their daughters, and Kari Kampakis's *Love Her Well* gives them ten practical ways to do so, not by changing their daughters but by changing their own thoughts, actions, and mind-set. For many women, having a baby girl is a dream come true. Yet as girls grow up, the narrative of innocence and joy changes to gloom and doom as moms are told, "Just wait until she's a teenager!" and handed a disheartening script that treats a teenage girl's final years at home as solely a season to survive. Author and blogger Kari Kampakis suggests it's time to change the narrative and mind-set that lead moms to parent teen girls with a spirit of defeat, not strength. By improving the foundation, habits, and dynamics of the relationship, mothers can connect with their teen daughters and earn a voice in their lives that

allows moms to offer guidance, love, wisdom, and emotional support. As a mom of four daughters (three of whom are teenagers), Kari has learned the hard way that as girls grow up, mothers must grow up too. In *Love Her Well*, Kari shares ten ways that moms can better connect with their daughters in a challenging season, including: choosing their words and timing carefully, listening and empathizing with her teen's world, seeing the good and loving her for who she is, taking care of themselves and having a support system, and more. This book isn't a guide to help mothers "fix" their daughters or make them behave. Rather, it's about a mom's journey, doing the heart work and legwork necessary to love a teenager while still being a strong, steady parent. Kari explores how every relationship consists of two imperfect sinners, and teenagers gain more respect for their parents when they admit (and learn from) their mistakes, apologize, listen, give grace, and try to understand their teens' point of view. Yes, teenagers need rules and consequences, but without a connected relationship, parents may never gain a significant voice in their lives or be a safe place they long to return to. By admitting her personal failures and prideful mistakes that have hurt her relationships with her teenage daughters, Kari gives mothers hope and reminds them all things are possible through God. By leaning on him, mothers gain the wisdom, guidance, protection, and clarity they need to grow strong relationships with their daughters at every age, especially during the critical teen years.

Love Warrior-Glennon Doyle 2016-09-06 #1 New York Times Bestseller Oprah's Bookclub 2016 Selection "Riveting...a worthy investment...this book has real wisdom." —New York Times Book Review "A book with so much painful truth packed into its pages that every person who's ever married or plans to marry should really give it a read." —Chicago Tribune "Provocative....I adore her honesty, her vulnerability, and her no-nonsense wisdom, and I know you will, too." —Oprah Winfrey "This memoir isn't really about Glennon rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and...badass." —Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. *Love Warrior* is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. *Love Warrior* is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

The Passionate Mom-Susan Merrill 2013 It is a different world and we need a different kind of mom that is ready to take on that world. What exactly is the job description of a mom? How can the job be accomplished in a culture of entitled privilege and uncensored technology? Who is doing it right? Every mother desires to do her job well. But how? Passion. The plan begins with the one thing every mother possesses—passion. In the heart of every mother is the passionate desire to protect and provide her child with a promising future. We must capture that passion and build on it. To do so she must perceptively study our children, ponder what we perceive, pray believing there is hope, prepare for opportunities, plan patiently, overcome persecution, and persevere at all times. These are the building bricks for parenting with passion. Dare. There was someone who so passionately loved his people that he boldly dared to build a wall to protect them and to provide a future for them. The prophet Nehemiah saved their lives, and his story has purpose for our lives. Moms must dare to do the same for their children. Save their lives by following his lead and his passionate plan. It is pertinent to build a plan that will save this generation of children. To do so, that requires deep prayer, discipline to prepare, great patience and perseverance for a lifetime.
