I Married a Billionaire: The Complete Trilogy Box Set-Melanie Marchande For the first time ever, get all three books in the bestselling I Married a Billionaire series for one low price! I Married a Billionaire Maddy Wainright has given up on marriage - and men. After dating way too many losers who aren't capable of appreciating her for who she is, she's about ready to resign herself to a life of spinsterhood. Until her insanely rich boss Daniel Thorne comes along with an offer she simply can't refuse. He proposes a marriage of convenience - one that would allow Maddy to live in the lap of luxury for a year, and Mr. Thorne to stay in the country that has become his home. At the end of their arrangement, Maddy will walk away with a cool two million dollars. All she has to do is move into his mansion, put on a convincing show in public, and endure a few INS interviews, for which she will be thoroughly prepped. It's a big risk, but one Maddy might just be willing to take, considering the payoff. At first, it's all business. But when the gentle touches, passionate kisses, and lingering looks they have to give each other in public start spilling over into their private life, Daniel and his devious mind take Maddy to heights of pleasure she's never experienced. And the more she gets to know him, the more she feels that wistful tug in her chest every time he puts his arm around her in public. Before long, she finds herself wishing it were real. As time goes on, Maddy finds herself wondering if two million dollars will be enough to cover the cost of repairing a broken heart. But Mr. Thorne may have yet another secret in store... I Married a Billionaire: Lost and Found When Maddy Thorne agreed to marry her billionaire boss in order to keep him in the country, she never would have guessed they'd actually stay together. But over a year later, she's still happily married to the slightly eccentric, maddeningly attractive Daniel. As he begins to come out of his shell and turn into the figurehead that his growing technology company needs, Maddy finds herself dealing with a whole new set of problems. And despite his newfound openness, he's still keeping secrets. Even from her. But despite her misgivings and the ever-present prattle of journalists, really, Maddy can't complain. Then, a frantic late-night phone call changes everything. Daniel has been accused of illegal insider trading. His assets frozen, he suddenly finds himself at the center of a media circus and a trial under a merciless judge with no way out. Maddy wants to support him, but it seems all Daniel wants to do is crawl back into his shell. In the midst of the chaos, Maddy receives an offer to display her drawings at one of the most influential galleries in the city. Pulled in two directions even as her life crashes down around her, will Maddy allow Daniel to keep pushing her away, or will she find a way to pull him back? I Married a Billionaire: The Prodigal Son Writing billionaire tech mogul Daniel Thorne's official biography is no small task. His wife Maddy isn't quite sure how it fell on her shoulders - but she's not exactly complaining. It's given her a rare opportunity to learn about the details of Daniel's life that he's never shared with her before. After a rocky beginning, their relationship has finally settled into something comforting and secure. After a while, Maddy begins to reconsider her once-staunch decision not to have children. Then, one night, a ghost from Daniel's past appears. His father, believed to be dead, has come back in hopes of repairing their relationship. Daniel is devastated by the years-long deception, and suspicious of his father's motives in reappearing after so much time. Old Mr. Thorne has his reasons for disappearing, but how can he possibly repair a relationship that's been so badly fractured by distance and lies? Meanwhile, Maddy gets some unexpected news of her own, and she realizes she must find a way to reach her husband and his father, to knit them all together into a family again.

Secrets of the X-Point Complete Trilogy-Gary Urey 2019-03-01 Thanks to their scientist parents, Axel Jack and Daisha Tandala have what no one else in the world has—the ability to go anywhere in seconds with the push of a button on their GeoPorts. But the GeoPorts come at a high price. There are those who would use the technology for their own agendas, no matter the cost. Follow Axel and Daisha as they seek to unravel the secrets behind the greatest technological advancement in human history, all while trying to stay one step ahead of those who would use it for their own gain.

House of Cards Complete Trilogy-Michael Dobbs 2014-07-01 Get all three books in the series that inspired the hit Netflix series House of Cards "This blood-and-thunder tale, lifelike and thoroughly cynical, certainly carries the ring of authenticity... a great triumph." Independent "The exciting thriller that has Westminster buzzing. Here is a political thriller writer with a marvelous inside track knowledge of government. House of Cards is fast-moving, revelatory and brilliant." Daily Express Michael Dobbs has wowed readers with his bestselling House of Cards trilogy, which inspired the hit series on Netflix. Here are the three books in the trilogy for one low price: House of Cards, To Play the King, and The Final Cut. About the Books in This Bundle 1. House of Cards A dark tale of greed, corruption, and unquenchable ambition, House of Cards reveals that no matter the country, politics, intrigue and passion reign in the corridors of power. Francis Urquhart has his hand on every secret in politics and is willing to betray them all to become prime minister. Mattie Storin is a tenacious young reporter who has a knack for finding the real stories hidden behind the spin. When she stumbles upon a scandalous web of intrigue and financial corruption at the very highest levels, she vows to reveal the truth. But to do so she must battle her own demons and risk everything, even her life. 2. To Play the King After scheming his way to power in House of Cards, newly elected Prime Minister Francis Urquhart takes on the new King. The role of the monarchy in modern Britain comes under scrutiny as Prime Minister Francis Urquhart threatens to expose Royal secrets when his plans are blocked by the idealistic new King. Their differences of opinion quickly degenerate into open hostility. The battlefield ranges from architecture to the underprivileged; the battle is fought with rigged opinion polls, manipulated newspaper headlines, sexual scandal and economic brinkmanship as Urquhart sets out to destroy not only the King's family and friends but even the King himself. 3. The Final Cut Now Francis Urquhart is about to take his place in the record books as the longest-serving Prime Minister this century. Yet it seems the public is tiring of him at last, and the movement to force him from power is growing. But Urquhart is not yet ready to be driven from office. If the public demands new blood, that is precisely what he will give them... This is a different Francis Urquhart more vulnerable, more loving, and more ruthless than ever. He will risk everything, but one thing is certain: whatever the outcome of this, his greatest gamble, the name of Francis Urquhart will never be forgotten.

Called by the Bear The Complete Trilogy: Northeast Kingdom Bears #1-3-V. Vaughn 2020-09-08 This is a box set of the first three books in the Northeast Kingdom Bears, the trilogy Called by the Bear. Join the adventure readers don't want to end! Who up and moves from California to Maine based on a recurring dream? No one who's thinking straight—but that's what I convinced my best friend, Sierra, we should do. Did I mention that dream includes smoking-hot guys? Or that we both have tattoos nobody else can see? Like I said, this isn't normal. Neither is the fact our cross-country road trip nabs us two more women like us—all of us summoned by something we don't understand. Now here we are in Maine where they grow the men big. The women too. Things that shouldn't happen, do. Things that shouldn't exist, do. Where fate is more than a joke—because it appears I was called here for a reason. To save a clan of werebear, to have a true mate by my side. But can I become what destiny has planned for me and save a clan from extinction? Hold on tight for the wild ride that will leave you sleepless until it ends.

Public Opinion- 1899

Perfect Chemistry-Simone Elkeles 2010-04-21 In the first book in Simone Elkeles' New York Times bestselling YA contemporary romance series, sparks fly between unlikely lab partners Brittany Ellis and Alex Fuentes . . . and when two

polar opposites meet, the results are bound to be explosive. When Brittany Ellis walks into chemistry class on the first day of senior year, she has no clue that her carefully created "perfect" life is about to unravel before her eyes. She's forced to be lab partners with Alex Fuentes, a gang member from the other side of town, and he is about to threaten everything she's worked so hard for—her flawless reputation, her relationship with her boyfriend, and the secret that her home life is anything but perfect. Alex is a bad boy and he knows it. So when he makes a bet with his friends to lure Brittany into his life, he thinks nothing of it. But soon Alex realizes Brittany is a real person with real problems, and suddenly the bet he made in arrogance turns into something much more. Neither Brittany nor Alex is prepared for the most surprising chemical reaction of all—love. Don't miss any of these other books from New York Times bestselling author Simone Elkeles: *The Perfect Chemistry Trilogy* *Perfect Chemistry Rules of Attraction* *Chain Reaction* *Better Than Perfect*

The Theban trilogy of Sophocles, with notes for the use of elementary students by W. Linwood-Sophocles 1878

The Steampunk Trilogy-Paul Di Filippo 2014-07-08 An outrageous trio of novellas that twist the Victorian era out of shape, by a master of alternate history: "Spooky, haunting, hilarious" (William Gibson). Welcome to the world of steampunk, a nineteenth century outrageously reconfigured through weird science. With his magnificent trilogy, acclaimed author Paul Di Filippo demonstrates how this unique subgenre of science fiction is done to perfection—reinventing a mannered age of corsets and industrial revolution with odd technologies born of a truly twisted imagination. In "Victoria," the inexplicable disappearance of the British monarch-to-be prompts a scientist to place a human-lizard hybrid clone on the throne during the search for the missing royal. But the doppelgänger queen comes with a most troubling flaw: an insatiable sexual appetite. The somewhat Lovecraftian "Hottentots" chronicles the very unusual adventure of Swiss naturalist and confirmed bigot Louis Agassiz as his determined search for a rather grisly fetish plunges him into a world of black magic and monsters. Finally, in "Walt and Emily," the hitherto secret and quite steamy love affair between Emily Dickinson and Walt Whitman is revealed in all its sensuous glory—as are their subsequent interdimensional travels aboard a singular ship that transcends the boundaries of time and reality. Ingenious, hilarious, ribald, and utterly remarkable, Di Filippo's *The Steampunk Trilogy* is a one-of-a-kind literary journey to destinations at once strangely familiar and profoundly strange.

Kiss River-Diane Chamberlain 2019-03-11 Return to Kiss River in the second emotional novel in the acclaimed trilogy from bestselling author Diane Chamberlain. Separated by a continent from her child, Gina Higgins comes to Kiss River with little more than a desperate plan. Now, saving her daughter depends on whether she can uncover a message buried deep below the ocean's surface. Kiss River's historic nineteenth-century lighthouse has all but fallen into the sea, taking with it the huge Fresnel lens that once served as its beacon. Gina is desperate to find a way to raise the lens; the glass holds the key to her future, her fortune and her only chance to save the one person who matters to her. Clay O'Neill lives in the old light keeper's house, a home he shares with his sister, Lacey. When Lacey invites her to stay with them, Gina eagerly accepts. As Gina begins her quest to raise the lens, Clay finds himself drawn to her struggle, and to Gina herself. But the answers lie deep below the ocean. And the lighthouse holds secrets that neither Clay nor Gina can anticipate... Originally published in 2003

Clash of Eagles-Alan Smale 2015-03-17 Perfect for fans of action-adventure and historical fiction—including novels by such authors as Bernard Cornwell, Steve Berry, Naomi Novik, and Harry Turtledove—this stunning work of alternate history imagines a world in which the Roman Empire has not fallen and the North American continent has just been discovered. In the year 1218 AD, transported by Norse longboats, a Roman legion crosses the great ocean, enters an endless wilderness, and faces a cataclysmic clash of worlds, cultures, and warriors. Ever hungry for land and gold, the Emperor has sent Praetor Gaius Marcellinus and the 33rd Roman Legion into the newly discovered lands of North America. Marcellinus and his men expect easy victory over the native inhabitants, but on the shores of a vast river the Legion clashes with a unique civilization armed with weapons and strategies no Roman has ever imagined. Forced to watch his vaunted force massacred by a surprisingly tenacious enemy, Marcellinus is spared by his captors and kept alive for his military knowledge. As he recovers and learns more about these proud people, he can't help but be drawn into their society, forming an uneasy friendship with the denizens of the city-state of Cahokia. But threats—both Roman and Native—promise to assail his newfound kin, and Marcellinus will struggle to keep the peace while the rest of the continent surges toward certain conflict. Praise for *Clash of Eagles* "That rarest and best of alternative histories: the one you believe, the one that makes sense. Alan Smale has a storyteller's flair for character, and presents an ensemble cast with a depth of detail of which George R. R. Martin would approve. It works as a novel, as historical speculation, and as cultural extrapolation. But its real value is singular: It's a ripping good yarn, and one that will keep you reading long past your bedtime."—Myke Cole, award-winning author of the *Shadow Ops* series "Just when it seems there is nothing new in [alternate] history comes this debut."—*Library Journal* (starred review) "An intriguingly original alternate history."—*Kirkus Reviews* "[Smale] breathes life into the New World civilizations and offers up a compelling view of what might have happened had these two continents collided. . . . I found the New World of 1218 AD fascinating."—*Historical Novels Review* "Authoritatively researched, compellingly told, and with pleasing echoes of L. Sprague de Camp, *Clash of Eagles* is a modern masterpiece of what-if speculation."—Stephen Baxter, Philip K. Dick Award-winning author of *The Time Ships* "Smale has done remarkable work with the worldbuilding in *Clash of Eagles*, dropping the sole Roman survivor of a massacre into the complex civilization of the Cahokian Native Americans in the thirteenth century."—Harry Turtledove, New York Times bestselling author of *How Few Remain* "My favorite kind of alternate history: epic, bloody, and hugely imaginative."—John Birmingham, author of *Without Warning* "Epic in its sweep, exciting in its narrative, and eyeball-kick sharp in its details."—Nancy Kress, Nebula and Hugo Award-winning author of *Beggars in Spain* "The first book of Alan Smale's trilogy introduces the series with a lightning bolt. Bracketed between two breathtaking and meticulously strategized battles is a sensitive evocation of a lost culture, an act of literary archeology like no other I've read."—James Patrick Kelly, Nebula Award-winning author of *Burn From the Hardcover* edition.

Public Intimacy-Giuliana Bruno 2007 An examination of architecture and art as a screen of vital cultural memory that considers museum culture, visual technology, and the border of public and private space. In this thoughtful collection of essays on the relationship of architecture and the arts, Giuliana Bruno addresses the crucial role that architecture plays in the production of art and the making of public intimacy. As art melts into spatial construction and architecture mobilizes artistic vision, Bruno argues, a new moving space—a screen of vital cultural memory—has come to shape our visual culture. Taking on the central topic of museum culture, Bruno leads the reader on a series of architectural promenades from modernity to our times. Through these museum walks, she demonstrates how artistic collection has become a culture of recollection, and examines the public space of the pavilion as reinvented in the moving-image art installation of Turner Prize nominees Jane and Louise Wilson. Investigating the intersection of science and art, Bruno looks at our cultural obsession with techniques of imaging and its effect on the privacy of bodies and space. She finds in the work of artist Rebecca Horn a notable combination of the artistic and the scientific that creates an architecture of public intimacy. Considering the role of architecture in contemporary art that refashions our lived space—and the work of contemporary artists including Rachel Whiteread, Mona Hatoum, and Guillermo Kuitca—Bruno argues that architecture is used to define the frame of memory, the border of public and private space, and the permeability of exterior and interior space. Architecture, Bruno contends, is not merely a matter of space, but an art of time.

Dance of the Gods-Nora Roberts 2006-10-03 Combining elements of the supernatural with gripping suspense and seduction, #1 New York Times bestselling author Nora Roberts presents the second novel in her Circle Trilogy... He saw where the earth was scorched, where it was trampled. He saw his own hoofprints left in the sodden earth when he'd galloped through the battle in the form of a horse. And he saw the woman who'd ridden him, slashing destruction with a flaming sword... Blair Murphy has always worked alone. Destined to be a demon hunter in a world that doesn't believe in such things, she lives for the kill. But now, she finds herself the warrior in a circle of six, chosen by the goddess Morrigan to defeat the vampire Lilith and her minions. Learning to trust the others has been hard, for Blair has never allowed herself such a luxury. But she finds herself drawn to Larkin, a man of many shapes. As a horse, he is proud and graceful; as a dragon, beautifully fierce; and as a man...well, Blair has never seen one quite so ruggedly handsome and playfully charming as this nobleman from the past. In two months' time, the circle of six will face Lilith and her army in Geall. To complete preparations and round up forces to fight, the circle travels through time to Larkin's world, where Blair must choose between battling her overwhelming attraction to him—or risking everything for a love that can never be... Don't miss the other books in the Circle Trilogy Morrigan's Cross Valley of Silence

Rules of Attraction-Simone Elkeles 2015-01-06 Living on the University of Colorado-Boulder campus with his older brother Alex, a college student and ex-gang member, high school senior Carlos is not ready to give up his wild ways until he meets a shy classmate named Kiara and becomes unwillingly involved in a drug ring.

Trilogy of Death-P. D. James 1984 Commander Adam Dalgliesh investigates a murder in a forensic science lab, Philippa Palfrey, an eighteen-year-old adoptee, learns that her natural mother was a murderess, and Cordelia Gray tries to solve the murder of houseparty guest

The Experiences of Film Location Tourists-Prof. Stefan Roesch 2009-12-16 Within the last decade film-induced tourism has gained increasing attention from academics and the industry alike. While most research has focused on the tourism-inducing effects of film productions, not much has been written about the film location tourists themselves. This book examines the on-site experiences of these tourists by drawing from various disciplines, including geography, sociology and psychology. The author accompanied tourists to film locations from The Lord of the Rings, Star Wars and The Sound of Music and conducted extensive on-site research with them. The results show that only by understanding the needs and wants of film location tourists can film be utilised as a successful and sustainable instrument within strategic destination marketing portfolios.
