Robert Mugabe of Zimbabwe-Richard Worth 1990 Recounts the story of the man who led the struggle for black political power in the emerging nation of Zimbabwe and was elected its first prime minister.

Mugabe-Stephen Chan 2019-04-18 On 21st November 2017 Robert Mugabe resigned as President of Zimbabwe after 37 years in power. A week earlier the military had seized control of the country and forced him to step down as leader of the ruling Zanu-PF party. In this revised and updated edition of his classic biography, Stephen Chan seeks to explain and interpret Mugabe in his role as a key player in the politics of Southern Africa. In this masterly portrait of one of Africa's longest-serving leaders, Mugabe's character unfolds with the ebb and flow of triumph and crisis. Mugabe's story is Zimbabwe's - from the post-independence hopes of idealism and reconciliation to electoral victory, the successful intervention in the international politics of Southern Africa and the resistance to South Africa's policy of apartheid. But a darker picture emerged early with the savage crushing of the Matabeleland rising, the elimination of political opponents, growing corruption and disastrous intervention in the Congo war, all worsened by drought and the HIV/AIDS crisis. Stephen Chan's highly revealing biography, based on close personal knowledge of Zimbabwe, depicts the emergence and eventual downfall of a ruthless and single-minded despot amassing and tightly clinging to political power. We follow the triumphant nationalist leader who reconciled all in the new multiracial Zimbabwe, degenerate into a petty tyrant consumed by hubris and self-righteousness and ultimately face an ignominious endgame at the hands of his own army.

The Graceless Fall of Robert Mugabe-Geoffrey Nyarota 2018-08-01 The ousting of Robert Mugabe as Zimbabwe's president took the world by surprise. In this book, award-winning Zimbabwean journalist Geoffrey Nyarota explains how and why the events of November 2017 happened as they did. Nyarota evaluates the political and economic impact of Mugabe's presidency, showing how he managed to reduce a prosperous nation to a state of destitution through extreme misgovernance. The book describes the rifts within ZANU-PF as Mugabe sidelined anyone who might challenge his power, and the creation of opposing factions that supported Vice President Emmerson Mnangagwa and First Lady Grace Mugabe respectively. It traces the growing ambition and power of Grace Mugabe, culminating in the sacking of Mnangagwa as vice president in November 2017, and explains how this finally spurred ZANU-PF to rid itself of the president who had done so much damage to the country over the decades. Written with the insight of a veteran Zimbabwean journalist, this is a fascinating account of the rise and fall of one of Africa's longest-ruling dictators.

Dictionary of African Biography-

Student Encyclopedia of African Literature-G. D. Killam 2008 Presents alphabetically arranged entries on authors, works of poetry, drama, and fiction, recurrent themes, and literary theories in twentieth-century African literature.

Robert Mugabe and the Betrayal of Zimbabwe-Andrew Norman 2015-04-22 Instead of leading his people to the "promised land," Mugabe, the first prime minister of the newly-named Zimbabwe, has amassed a fortune for himself, his family and followers and has presided over the murder, torture and starvation of those who oppose him. This biography offers some explanations for Mugabe's behavior. With the death of his wife in 1992, a moderating influence was lost, and as the years go by, he continues to show himself intolerant of any opposition as he proceeds toward the creation of a one-party state, even though evidence suggests that his country is in terminal decline.

The Army and Politics in Zimbabwe-Blessing-Miles Tendi 2020-01-31 An essential biographical record of General Solomon Mujuru, one of the most controversial figures within the history of African liberation politics.

The Fear-Peter Godwin 2011-03-23 Journalist Peter Godwin has covered wars. As a soldier, he's fought them. But nothing prepared him for the surreal mix of desperation and hope he encountered when he returned to Zimbabwe, his broken homeland. Godwin arrived as Robert Mugabe, the country's dictator for 30 years, has finally lost an election. Mugabe's tenure has left Zimbabwe with the world's highest rate of inflation and the shortest life span. Instead of conceding power, Mugabe launched a brutal campaign of terror against his own citizens. With foreign correspondents banned, and he himself there illegally, Godwin was one of the few observers to bear witness to this period the locals call The Fear. He saw torture bases and the burning villages but was most awed as an observer of not only simple acts of kindness but also churchmen and diplomats putting their own lives on the line to try to stop the carnage. The Fear is a book about the astonishing courage and resilience of a people, armed with nothing but a desire to be free, who challenged a violent dictatorship. It is also the deeply personal and ultimately uplifting story of a man trying to make sense of the country he can't recognize as home.

Brothers Under The Skin-Christopher Hope 2012-08-10 A brilliant examination of Robert Mugabe dictatorship and the nature of modern tyranny, written by an award winning novelist and journalist.Christopher Hope met his first dictator when he was 6 years old. Dr Henrik Verwoerd was a neighbour of the Hope family and went on to become the architect of apartheid. He was the first, but not the last. In this remarkable book, Christopher Hope searches out the unmistakable 'perfume' that marks out a tyrant, a tyrant like Robert Mugabe. Hope though the days of Verwoerd were gone until Robert Mugabe began to mimic the old Doctor. Hope dissects the person and presumption of Mugabe, the mixture of terror and comedy that makes up his dictatorship. Furthermore Perfume of a Tyrant describes the nature of modern tyranny, its wild paranoia, its murderous conviction of righteousness, its narrow depleted vocabulary and its inability to concede power, however small. Even though modern tyranny is not exclusively Zimbabwean, African or European, in Robert Mugabe is its leading exponent Dinner With Mugabe-Heidi Holland 2012-09-24 This penetrating, timely portrait of Robert Mugabe is the psychobiography of a man whose once-brilliant career has ruined Zimbabwe and cast shame on the African continent. Heidi Holland's tireless investigation begins with her having dinner with Mugabe, the freedom fighter, and ends in a searching interview with Zimbabwe's president more than 30 years later. The author charts Mugabe's gradual self-destruction, and uncovers the complicity of some of the most respectable international players in the Zimbabwe tragedy. Probing the mystery of Africa's loyalty to one of its worst dictators, Holland explores the contradictions that cloud the life of the man who had embodied a continent's promise.

Face of Courage-Sarah Hudleston 2005 Morgan Tsvangirai had an advantage over many other rural Rhodesian children born in the 1950s - his parents believed he should receive the best possible education to ensure his future. The first of nine children, Tsvangirai made the most of his schooling and subsequent opportunities, which saw him start his working life as a sweeper in a textile factory and move on to the Trojan Nickel Mine as a plant operator. It was here that Tsvangirai's involvement with the mining trade union began, and in 1985 he took up the full-time position of vice-president of Zimbabwe's Associated Mine Workers Union. Three years later he became secretary-general of the Zimbabwe Congress of Trade Unions (ZCTU). Over the next ten years Tsvangirai played a key role in uniting Zimbabwe's trade union and civil movements into an informal opposition to the Zanu-PF government of Robert Mugabe. This culminated, in September 1999, in the launch of the Movement for Democratic Change (MDC). Under Tsvangirai's leadership, the MDC contested the 2000 parliamentary election and the 2002 presidential election, both hampered by electoral irregularities and intimidation, including two sets of treason charges leveled at Tsvangirai. Against a backdrop of the wider social, political and economic developments in Zimbabwe, The Face of Courage focuses on the life and career of Morgan Tsvangirai. It draws on extended interviews with Tsvangirai and those close to him in order to provide an in-depth look at an internationally respected man who has dedicated himself to restoring Zimbabwe to a workable democracy.

The Odd Man In-Norman, Denis 2018-08-16 Denis Norman was born into an ordinary farming family in Oxfordshire, England in 1931, and 22 years later he travelled to Africa to become an assistant on a tobacco farm in Southern Rhodesia. Within a few years, he had bought his own farm, and had begun to rise through the ranks of the country's agricultural administration. He was President of the Commercial Farmers' Union when Robert Mugabe came to power in 1980 and, with no previous political affiliations, he was appointed Minister of Agriculture in the inaugural Zimbabwean government. His story throws a unique and fascinating light on the political and economic development of Zimbabwe. His assessment of its politicians; whether colleagues or adversaries; is candid and acute. In particular he offers an unusually nuanced and rarely glimpsed portrait of Mugabe, who, having asked him to leave government after the 1985 elections, later invited him back to be Minister of Transport, then Minister of Energy, and finally Minister of Agriculture again before Norman resigned in 1997. Written with a fine balance of the personal, the professional and the political, this memoir offers an observant insider's view of the early promise, and subsequent decline, of a newly independent country finding its way in the world. Denis Norman faced many difficult situations as a government minister, but his

penchant for focusing on the positive earned him the nickname, 'Nothing Wrong Norman'. His engaging story reflects his encouraging attitude and he remains hopeful for the future.

Coetzee--while she tells a vivid, raw story all her own.

A Legacy of Liberation-Mark Gevisser 2009-03-31 Follows the family of former South African President Thabo Mbeki to demystify the legacy of liberation struggle and understand the future of the country under new President Jacob Zuma.

Robert Mugabe's Zimbabwe-James R. Arnold 2007-09-01 Describes Robert Mugabe's rise to power in Zimbabwe's first elections as an independent nation, how his economic policies have contributed to the country's ruin, and what life is like in Zimbabwe under his rule.

Mugabe-Martin Meredith 2009-04-28 Robert Mugabe came to power in Zimbabwe in 1980 after a long civil war in Rhodesia. The white minority government had become an international outcast in refusing to give in to the inevitability of black majority rule. Finally the defiant white prime minister Ian Smith was forced to step down and Mugabe was elected president. Initially he promised reconciliation between white and blacks, encouraged Zimbabwe's economic and social development, and was admired throughout the world as one of the leaders of the emerging nations and as a model for a transition from colonial leadership. But as Martin Meredith shows in this history of Mugabe's rule, Mugabe from the beginning was sacrificing his purported ideals--and Zimbabwe's potential--to the goal of extending and cementing his autocratic leadership. Over time, Mugabe has become ever more dictatorial, and seemingly less and less interested in the welfare of his people, treating Zimbabwe's wealth and resources as spoils of war for his inner circle. In recent years he has unleashed a reign of terror and corruption in his country. Like the Congo, Angola, Rwanda, Sierra Leone and Liberia, Zimbabwe has been on a steady slide to disaster. Now for the first time the whole story is told in detail by an expert. It is a riveting and tragic political story, a morality tale, and an essential text for understanding today's Africa.

House of Stone: A Novel-Novuyo Rosa Tshuma 2019-01-29 Pulsing with wit, seduction, and dark humor, House of Stone is a masterful debut that explores the creative--and often destructive--act of history-making. In the chronic turmoil of modern Zimbabwe, Abednego and Agnes Mlambo's teenage son, Bukhosi, has gone missing, and the Mlambo's fear the worst. Their enigmatic lodger, Zamani, seems to be their last, best hope for finding him. Since Bukhosi's disappearance, Zamani has been preternaturally helpful: hanging missing posters in downtown Bulawayo, handing out fliers to passersby, and joining in family prayer vigils with the flamboyant Reverend Pastor from Agnes's Blessed Anointings church. It's almost like Zamani is part of the family... But almost isn't nearly enough for Zamani. He ingratiates himself with Agnes and feeds alcoholic Abednego's addiction, desperate to extract their life stories and steep himself in borrowed family history, as keenly aware as any colonialist or power-mad despot that the one who controls the narrative inherits the future. As Abednego wrestles with the ghosts of his past and Agnes seeks solace in a deep-rooted love, their histories converge and each must confront the past to find their place in a new Zimbabwe. Pulsing with wit, seduction, and dark humor, House of Stone is a sweeping epic that spans the fall of Rhodesia through Zimbabwe's turbulent beginnings, exploring the persistence of the oppressed in a young nation seeking an identity, but built on forgetting.

Out of Shadows-Jason Wallace 2012-05-15 Twelve-year-old Robert Jacklin comes face-to-face with bigotry, racism, and brutality when he is uprooted from England and moves to Zimbabwe with his family. His decision to join the ranks of the more powerful white boys has a devastating effect on his conscience and emerging manhood.

The Kevin Woods Story-Kevin John Woods 2007 "He who tells the truth is not well liked" -- Bambara of Mali proverb

Lion Songs-Banning Eyre 2015-05-01 Like Fela Kuti and Bob Marley, singer, composer, and bandleader Thomas Mapfumo and his music came to represent his native country's anticolonial struggle and cultural identity. Mapfumo was born in 1945 in what was then the British colony of Rhodesia (now Zimbabwe). The trajectory of his career--from early performances of rock 'n' roll tunes to later creating a new genre based on traditional Zimbabwean music, including the sacred mbira, and African and Western pop--is a metaphor for Zimbabwe's evolution from colony to independent nation. Lion Songs is an authoritative biography of Mapfumo that narrates the life and career of this creative, complex, and iconic figure. Banning Eyre ties the arc of Mapfumo's career to the history of Zimbabwe. The genre Mapfumo created in the 1970s called chimurenga, or "struggle" music, challenged the Rhodesian government--which banned his music and jailed him--and became important to Zimbabwe achieving independence in 1980. In the 1980s and 1990s Mapfumo's international profile grew along with his opposition to Robert Mugabe's dictatorship. Mugabe had been a hero of the revolution, but Mapfumo's criticism of his regime led authorities and loyalists to turn on the singer with threats and intimidation. Beginning in 2000, Mapfumo and key band and family members left Zimbabwe. Many of them, including Mapfumo, now reside in Eugene, Oregon. A labor of love, Lion Songs is the product of a twenty-five-year friendship and professional relationship between Eyre and Mapfumo that demonstrates Mapfumo's musical and political importance to his nation, its freedom struggle, and its culture.

Robert Mugabe-Sue Onslow 2018-03-05 Zimbabwe's President Robert Mugabe sharply divides opinion and embodies the contradictions of his country's history and political culture. As a symbol of African liberation and a stalwart opponent of white rule, he was respected and revered by many. This heroic status contrasted sharply, in the eyes of his rivals and victims, with repeated cycles of gross human rights violations. Mugabe presided over the destruction of a vibrant society, capital flight, and mass emigration precipitated by the policies of his government, resulting in his demonic image in Western media. This timely biography addresses the coup, led by some of Mugabe's closest associates, that forced his resignation after thirty-seven years in power. Sue Onslow and Martin Plaut explain Mugabe's formative experiences as a child and young man; his role as an admired Afro-nationalist leader in the struggle against white settler rule; and his evolution into a political manipulator and survivalist. They also address the emergence of political opposition to his leadership and the uneasy period of coalition government. Ultimately, they reveal the complexity of the man who stamped his personality on Zimbabwe's first four decades of independence.

When A Crocodile Eats the Sun-Peter Godwin 2012-03-14 Peter Godwin, an award-winning writer, is on assignment in Zululand when he is summoned by his mother to Zimbabwe, his birthplace. His father is seriously ill; she fears he is dying. Godwin finds his country, once a post-colonial success story, descending into a vortex of violence and racial hatred. His father recovers, but over the next few years Godwin travels regularly between his family life in Manhattan and the increasing chaos of Zimbabwe, with its rampant inflation and land seizures making famine a very real prospect. It is against this backdrop that Godwin discovers a fifty-year-old family secret, one which changes everything he thought he knew about his father, and his own place in the world. Peter Godwin's book combines vivid reportage, moving personal stories and revealing memoir, and traces his family's quest to belong in hostile lands - a quest that spans three continents and half a century. 'Heartbreaking . . . Godwin plainly loves Africa, and he captures the baffling wayward contradictions of its people, their cruelties and unexpected kindnesses, their nobility of spirit in the face of appalling conditions, with humour and grace' Daily Mail 'A wonderful book . . . beautifully written, packed with insight and free of rancour' Literary Review 'A strong, heroic book . . . too vivid to bear and too central to our concerns to ignore' Edmund White

Great Lives from History: Mas-Ror-Frank Northen Magill 1990 Profiles key individuals throughout the world during the twentieth century who have contributed positively to their communities

The Last Resort-Douglas Rogers 2009-09-22 Thrilling, heartbreaking, and, at times, absurdly funny, The Last Resort is a remarkable true story about one family in a country under siege and a testament to the love, perseverance, and resilience of the human spirit. Born and raised in Zimbabwe, Douglas Rogers is the son of white farmers living through that country's long and tense transition from postcolonial rule. He escaped the dull future mapped out for him by his parents for one of adventure and excitement in Europe and the United States. But when Zimbabwe's president Robert Mugabe launched his violent program to reclaim white-owned land and Rogers's parents were caught in the cross fire, everything changed. Lyn and Ros, the owners of Drifters--a famous game farm and backpacker lodge in the eastern mountains that was one of the most popular budget resorts in the country--found their home and resort under siege, their friends and neighbors expelled, and their lives in danger. But instead of leaving, as their son pleads with them to do, they haul out a shotgun and decide to stay. On returning to the country of his birth, Rogers finds his once orderly and progressive home transformed into something resembling a Marx Brothers romp crossed with Heart of Darkness: pot has supplanted maize in the fields; hookers have replaced college kids as guests; and soldiers, spies, and teenage diamond

dealers guzzle beer at the bar. And yet, in spite of it all, Rogers's parents—with the help of friends, farmworkers, lodge guests, and residents—among them black political dissidents and white refugee farmers—continue to hold on. But can they survive to the end? In the midst of a nation stuck between its stubborn past and an impatient future, Rogers soon begins to see his parents in a new light: unbowed, with passions and purpose renewed, even heroic. And, in the process, he learns that the "big story" he had relentlessly pursued his entire adult life as a roving journalist and travel writer was actually happening in his own backyard. Evoking elements of *The Tender Bar* and *Absurdistan*, *The Last Resort* is an inspiring, coming-of-age tale about home, love, hope, responsibility, and redemption. An edgy, roller-coaster adventure, it is also a deeply moving story about how to survive a corrupt Third World dictatorship with a little innovation, humor, bribery, and brothel management. From the Hardcover edition.

Library Media Connection- 1998

Asante Sana-Richard Mandizha 2018-02-15 This book was written in honour of His Excellency, The Former President of The Republic of Zimbabwe, Cde Robert Gabriel Mugabe. It takes stock of his achievements right from the pre-Independence era, his resignation, to present-day Zimbabwe. It presents fine details of his legacy. Things such as the vast Land Reform Program, which he was able to conduct during the last two decades, the Indigenisation program, the emancipation of women in the country, the championing of Human rights and Democracy, the Quality Education that Zimbabweans were able to receive over the years, the Unity, Peace and Development happening everywhere in Zimbabwe, our foreign and external relations, his fight against colonial and neo-colonial powers; and the way he preserved the values of the African people in the country and beyond, amongst other issues. Not only is it a book about Zimbabwe's long-winding history and the exploits of a great leader, it is also a book about the future. The book was uniquely crafted to create a sense of loyalty, dedication and commitment in the readers, taking notes from the man who has seen it all; the man who did his best for a nation and the rest of the once-colonised people of this world. This is none other than His Excellency, President Robert Mugabe.

The House of Hunger-Dambudzo Marechera 2013-02-08 This explosive, award-winning novella of growing up in colonial Rhodesia (now Zimbabwe), told in exquisite, imaginative prose, touches the readers nerve through the authors harrowing portrait of lives disrupted by white settlers, a young disillusioned black man, and individual suffering in the 1960s and 1970s. Marecheras raw, piercing writings secured his place in African literature as a stylistic innovator and rebel commentator of the ghetto condition. While *The House of Hunger* is the centerpiece of this collection, readers are also treated to a series of short sketches in which Marechera, with angry humor, further navigates themes of madness, violence, despair, and survival.

Africa in Literature for Children and Young Adults-Meena Khorana 1994 While much critical attention has been given to adult literature, African literature for children and young adults remains a neglected area. This annotated bibliography includes entries for English-language books set in Africa. The books are intended for children and young adults, and the works included were published between 1873 and 1994. The nearly 700 entries are arranged in six chapters, with chapters further divided into particular genre.

A Handful of Hard Men-Hannes Wessels 2015-10-19 During the West's great transition into the post-Colonial age, the country of Rhodesia refused to succumb quietly, and throughout the 1970s fought back almost alone against Communist-supported elements that it did not believe would deliver proper governance. During this long war many heroes emerged, but none more skillful and courageous than Captain Darrell Watt of the Rhodesian SAS, who placed himself at the tip of the spear in the deadly battle to resist the forces of Robert Mugabe and Joshua Nkomo. It is difficult to find another soldier's story to equal Watt's in terms of time spent on the field of battle and challenges faced. Even by the lofty standards of the SAS and Special Forces, one has to look far to find anyone who can match his record of resilience and valor in the face of such daunting odds and with resources so paltry. In the fight he showed himself to be a military maestro. A bush-lore genius, blessed with uncanny instincts and an unbridled determination to close with the enemy, he had no peers as a combat-tracker (and there was plenty of competition). But the Rhodesian theater was a fluid and volatile one in which he performed in almost every imaginable fighting role; as an airborne shock-trooper leading camp attacks, long range reconnaissance operator, covert urban operator, sniper, saboteur, seek-and-strike expert, and in the final stages as a key figure in mobilizing an allied army in neighboring Mozambique. After 12 years in the cauldron of war his cause slipped from beneath him, however, and Rhodesia gave way to Zimbabwe. When the guns went quiet Watt had won all his battles but lost the war. In this fascinating biography we learn that in his twilight years he is now concerned with saving wildlife on a continent where they are in continued danger, devoting himself to both the fauna and African people he has cared so deeply about.

Our Votes, Our Guns-Martin Meredith 2002-02-20 "Today Zimbabwe is a country beset by violence and lawlessness, regarded by the international community as a pariah state. Its economy is in tatters. Determined to stay in power, Mugabe has used armed gangs to crush political opposition, subverted the rule of law, undermined the judiciary, harassed the independent press and vilified the small white community."--BOOK JACKET.

Leaving Before the Rains Come-Alexandra Fuller 2015-01-22 New York Times Bestseller "One of the gutsiest memoirs I've ever read. And the writing--oh my god the writing." --Entertainment Weekly A child of the Rhodesian wars and daughter of two deeply complicated parents, Alexandra Fuller is no stranger to pain. But the disintegration of Fuller's own marriage leaves her shattered. Looking to pick up the pieces of her life, she finally confronts the tough questions about her past, about the American man she married, and about the family she left behind in Africa. A breathtaking achievement, *Leaving Before the Rains Come* is a memoir of such grace and intelligence, filled with such wit and courage, that it could only have been written by Alexandra Fuller. *Leaving Before the Rains Come* begins with the dreadful first years of the American financial crisis when Fuller's delicate balance—between American pragmatism and African fatalism, the linchpin of her unorthodox marriage—irrevocably fails. Recalling her unusual courtship in Zambia—elephant attacks on the first date, sick with malaria on the wedding day—Fuller struggles to understand her younger self as she overcomes her current misfortunes. Fuller soon realizes what is missing from her life is something that was always there: the brash and uncompromising ways of her father, the man who warned his daughter that "the problem with most people is that they want to be alive for as long as possible without having any idea whatsoever how to live." Fuller's father—"Tim Fuller of No Fixed Abode" as he first introduced himself to his future wife—was a man who regretted nothing and wanted less, even after fighting harder and losing more than most men could bear. *Leaving Before the Rains Come* showcases Fuller at the peak of her abilities, threading panoramic vistas with her deepest revelations as a fully grown woman and mother. Fuller reveals how, after spending a lifetime fearfully waiting for someone to show up and save her, she discovered that, in the end, we all simply have to save ourselves. An unforgettable book, *Leaving Before the Rains Come* is a story of sorrow grounded in the tragic grandeur and rueful joy only to be found in Fuller's Africa. From the Hardcover edition.

Bitter Harvest-Ian Smith 2008 For more than a decade, Ian Smith served as Rhodesia's Prime Minister during the era of white minority rule. Following his death in 2007, he is still a man with the ability to excite powerful emotions. To some he is a leader whose formidable integrity led him into head-to-head confrontation with the Labor government of Britain in the 1960s. To others he is a demon best known for stating "I don't believe in black majority rule ever, not in a thousand years," for staunchly opposing Britain's insistence that majority rule be implemented before the nation's independence, and for imprisoning the leadership of the newly emerged black nationalist movement. In this revealing autobiography, Smith tells his own side of the story and reveals how he sought to keep Rhodesia on a path to full democracy during the West's decolonization of Africa. He tells the remarkable story behind the signing of the country's Unilateral Declaration of Independence and addresses the excesses of power that the current president, Robert Mugabe, has used to create the virtual dictatorship which exists in Zimbabwe today. This is a revealing and prescient historical document from a controversial figure charting the rise and fall of a once-great nation.
