Performing the Nation-Kelly Askew 2002-07-28 Since its founding in 1964, the United Republic of Tanzania has used music, dance, and other cultural productions as ways of imagining and legitimizing the new nation. Focusing on the politics surrounding Swahili musical performance, Kelly Askew demonstrates the crucial role of popular culture in Tanzania's colonial and postcolonial history. As Askew shows, the genres of ngoma (traditional dance), dansi (urban jazz), and taarab (sung Swahili poetry) have played prominent parts in official articulations of "Tanzanian National Culture" over the years. Drawing on over a decade of research, including extensive experience as a taarab and dansi performer, Askew explores the intimate relations among musical practice, political ideology, and economic change. She reveals the processes and agents involved in the creation of Tanzania's national culture, from government elites to local musicians, poets, wedding participants, and traffic police. Throughout, Askew focuses on performance itself—musical and otherwise—as key to understanding both nation-building and interpersonal power dynamics.

The Rough Guide to Egypt is like having a local friend plan your trip! Cultural Sociology of the Middle East, Asia, and Africa-Andrea L. Stanton 2012-01-05 In our age of globalization and multiculturalism, it has never been more important for Americans to understand and appreciate foreign cultures and how people live, love, and learn in areas of the world unfamiliar to most U.S. students and the general public. The four volumes in our cultural sociology reference encyclopedia take a step forward in this endeavor by presenting concise information on those regions likely to be most "foreign" to U.S. students: the Middle East, Asia, and Africa. The intent is to convey what daily life is like for people in these selected regions. It is hoped entries within these volumes will aid readers in efforts to understand the importance of cultural sociology, to appreciate the effects of cultural forces around the world, and to learn the history of countries and cultures within these important regions.
