Ruining You-Nicole Reed 2013-02-20 For a girl who dared to tempt death, living is the only promise that matters now. Jay's life almost came to a forced end when her darkest secrets were revealed and the one who she chose to give her future to was ripped away. Now, everything she kept hidden is the topic of everyone's conversation, and not all are sympathetic. Someone wants her horrific past to dictate her future, and another is determined to help her choose a different path. In conclusion to Ruining Me, Kane and Rhye know that Jay is worth the fight, but waiting for her to find herself may ruin them all. Recommended for readers 17+ due to sexual situations, violence, and language.

Ruining Me-Nicole Reed 2013-02-06 Eighteen year old Jay Stevenson is living a horrible nightmare. Two years ago, she had the world in the palm of her hand, but in one moment, it was ruined. Secrets, lies, and the worst imaginable betrayal haunt her new reality. Burying her problems under a cold façade seems to be the only way to cope until it all catches up with her. Soon, she loses control of the lonely world she built around her, and the past, present, and future collide. Three guys are there when it all comes crashing down: JT, the perfect boyfriend she never wanted to give up; Rhye, the local bad boy "rock star" who made her forget the past; and Kane, the funny and sweet tattooed bartender who wants her future. Secrets must be kept. Choices must be made. Is it possible to move forward while still chained to the wicked vices of the past?

Beautiful Ink-Nicole Reed 2014-04-09 This novel is not a cliffhanger and can be read as a stand-alone. WARNING: This book is real, beautifully raw, and not for the faint of heart. It is the story of a young girl's loss of innocence while growing up around a motorcycle club. It is not suitable for children under the age of seventeen due to language, sexual content, and intense subject matter. Based on true events. Family. I have tattooed that single word on more skin than I care to count. It elicits powerful thoughts and emotions for most people. Loving. Caring. Supportive. Togetherness. Forever. But not for me. The word family means so much more. Vicious. Harmful. Dangerous. Corrupt. Deadly. You can't run forever from the ones who love you.

Fever Dreams-Nicole Jordan 2006 Soldier of fortune Alex Ryder is determined to win the hand of Lady Eve, a lovely widow and renowned matchmaker for the ton, and challenges her to find him a suitable bride, without telling her that she is the only woman he will ever love, but when an unknown assailant threatens Eve's life, Ryder risks everything to protect her. Original.

Ecstasy-Nicole Jordan 2006-05-30 A blazing tale of breathless passion, seductive desire, and deep love from sensational, bestselling author Nicole Jordan . . . Having watched her mother languish away for a lost love, Raven Kendrick vows never to surrender her heart. But when her life erupts in scandal, she is forced to accept a marriage proposal from the wickedly sensuous owner of London's most notorious gaming hell. Though fiercely drawn to her enigmatic rescuer, Raven battles to resist her husband, whose sensuous caresses promise ecstasy beyond her wildest fantasies. To save the reputation of an innocent girl nearly ruined by his brother, Kell Lasseter sacrifices his freedom to wed the dazzling debutante. Long scorned for his Irish blood and dark past, Kell cannot deny that this enchanting spitfire is unlike other society misses . . . anymore than he can quell his smoldering desire for her. Torn between loyalty to his brother and his growing feelings for his rebellious bride, Kell must somehow free Raven's reluctant heart before they can know the ecstasy of true love. From the Paperback edition.

The Girls Who Went Away-Ann Fessler 2007-06-26 In this deeply moving and myth-shattering work, Ann Fessler brings out into the open for the first time the astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before Roe v. Wade. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those times, allowing the women to tell their stories in gripping and intimate detail.

Call of the Reed Warbler-Charles Massy 2018-09-11 In Call of the Reed Warbler, Charles Massy explores regenerative agriculture and the vital connection between our soil and our health. It is the story of how a grassroots revolution--a true underground insurgency--can save the planet, help reduce and reverse climate change, and build healthy people and healthy communities, pivoting significantly on our relationship with growing and consuming food. Using his personal experience as a touchstone--from an unknowing, chemical-using farmer with dead soils to a radical ecologist farmer carefully regenerating a 2000-hectare property to a state of natural health--Massy tells the real story behind industrial agriculture and the global profit-obsessed corporations driving it. With evocative stories, he shows how other innovative and courageous farmers are finding a new way. At stake is not only a revolution in human health and in our communities, but the very survival of the planet. For farmers, backyard gardeners, food buyers, health workers, policy makers, and public leaders alike, Call of the Reed Warbler offers a tangible path forward and a powerful and moving paean of hope. It's not too late to regenerate the earth. Call of the Reed Warbler shows the way forward for the future of our food supply, our planet, and our health.

Hurricane Season-Nicole Melleby 2019-05-07 For Fig's dad, hurricane season brings the music. For Fig, hurricane season brings the possibility of disaster. Fig, a sixth grader, loves her dad and the home they share in a beachside town. She does not love the long months of hurricane season. Her father, a once-renowned piano player, sometimes goes looking for the music in the middle of a storm. Hurricane months bring unpredictable good and bad days. More than anything, Fig wants to see the world through her father's eyes, so she takes an art class to experience life as an artist does. Then Fig's dad shows up at school, confused and looking for her. Not only does the class not bring Fig closer to understanding him, it brings social services to their door. As the walls start to fall around her, Fig is sure it's up to her alone to solve her father's problems and protect her family's privacy. But with the help of her best friend, a cute girl at the library, and a surprisingly kind new neighbor, Fig learns she isn't as alone as she once thought . . . and begins to compose her own definition of family. Nicole Melleby's Hurricane Season is a radiant and tender novel about taking risks and facing danger, about friendship and art, and about growing up and coming out. And more than anything else, it is a story about love--both its limits and its incredible healing power.

Hell's Ink-Nicole Reed 2015-01-21 In this brotherhood you live or die by the three-piece patch. For Hold Dawson, vice-president of the Hell's Highwaymen Motorcycle Club, it's not just black ink tattooed on his body, but the religion he worships, and the law that governs his life. Nothing else matters. Family by choice and not by blood. More sacred than a shared name. Bound by respect. Loyal to death. Unity. Respect. Love. Devotion. Forever. But there's another side to this life. One the president, Hold's own father, lives and regulates by. Merciless. Wrathful. Murderous. Dishonest. Lethal. It's blood in and blood out and only one man gets to be king.

Take Me There-Susane Colasanti 2009-05-14 Romance and revenge from the author of the City Love trilogy. Rhiannon is devastated after the breakup with her boyfriend and wants him back. It's Complicated-Danah Boyd 2014-02-25 Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

Chains-Laurie Halse Anderson 2011-08-02 If an entire nation could seek its freedom, why not a girl? As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a

malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom. From acclaimed author Laurie Halse Anderson comes this compelling, impeccably researched novel that shows the lengths we can go to cast off our chains, both physical and spiritual. Twist-Kylie Scott 2017-04-11 From New York Times bestselling author Kylie Scott comes the second sizzling stand-alone novel in the Dive Bar series! When his younger brother loses interest in online dating, hot bearded bartender Joe Collins only intends to log into his account and shut it down. Until he reads about her. Alex Parks is funny, fascinating, and pretty much everything he's been looking for in a woman—except that she lives across the country. Soon they're emailing up a storm and telling each other their deepest, darkest secrets...except the one that really matters. When Alex pays Joe a surprise visit, however, they both discover that when it comes to love, it's always better with a twist.

Tales of Graceful Aging from the Planet Denial-Nicole Hollander 2008 A guide to some of the most important decisions that come in one's mature years, for example: Accept the senior citizen discount or feign indignation?

Cybersecurity-Peter W. Singer 2014-03 Dependence on computers has had a transformative effect on human society. Cybernetics is now woven into the core functions of virtually every basic institution, including our oldest ones. War is one such institution, and the digital revolution's impact on it has been profound. The American military, which has no peer, is almost completely reliant on high-tech computer systems. Given the Internet's potential for full-spectrum surveillance and information disruption, the marshaling of computer networks represents the next stage of cyberwar. Indeed, it is upon us already. The recent Stuxnet episode, in which Israel fed a malignant computer virus into Iran's nuclear facilities, is one such example. Penetration into US government computer systems by Chinese hackers-presumably sponsored by the Chinese government-is another. Together, they point to a new era in the evolution of human conflict. In Cybersecurity and Cyberwar: What Everyone Needs to Know, noted experts Peter W. Singer and Allan Friedman lay out how the revolution in military cybernetics occurred and explain where it is headed. They begin with an explanation of what cyberspace is before moving on to discussions of how it can be exploited and why it is so hard to defend. Throughout, they discuss the latest developments in military and security technology. Singer and Friedman close with a discussion of how people and governments can protect themselves. In sum, Cybersecurity and Cyberwar is the definitive account on the subject for the educated general reader who wants to know more about the nature of war, conflict, and security in the twenty-first century.

A Billion Times No-Kenzie Reed 2019-11-19 His nickname's Sexy Satan. For the past three years I've called him boss. So why is he telling everyone that he's my boyfriend? Working for Chase Lancaster was supposed to catapult my marketing career. Instead, I'm trapped in personal assistant hell. His hobbies include barking orders, torpedoing my advertising campaigns, and reducing the office staff to tears. On a good day, he acts like I'm invisible. On a bad day, I remind myself arsenic is not an acceptable sweetener for coffee. And prison orange would be murder on my complexion. Imagine my surprise when Chase follows me home to Bitter End, North Carolina, where I'm about to endure my ex-fiancé's wedding. The moment he chases off my date and offers to pose as my boyfriend, I know he's got a hidden agenda—especially when he plays the part a little too convincingly. Unfortunately, I have to play along to find out what he's really up to. To satisfy the town gossip squad, I'll have to let him kiss me. Who knew Satan's lips were so soft and inviting? And if we're really playing the part, we'll have to go to Lover's Lane - testing my willpower beyond its limits. The more time we spend together outside the office, though, the more I see a different side of him. He's still bossy and demanding, but is it wrong that I find it kind of, well ... hot? This wedding is bound to be hell, so I might as well spend it in the arms of a sexy devil.

Under the Orange Moon-Adrienne Frances 2014-03-20 Dylan Mathews grew up in a house that was always filled with good-looking guys, although with four protective older brothers they never stood a chance. Except for one. Dylan knew she loved Ben McKenna from the first time she laid eyes on him. When he started sneaking into her room, she thought he felt the same way. But just as their passion ignited, he left for college and never came back. Until now. Returning home after 5 years, Ben realizes Dylan has always been the one for him. Can he win back her heart and finally find love under the orange moon?

The Psychosocial Implications of Disney Movies-Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Flawed-Kate Avelynn 2012-11-20 Sarah O'Brien is alive because of the pact she and her brother made twelve years ago — James will protect her from their violent father if she promises to never leave him. For years, she's watched James destroy his life to save hers. If all he asks for in return is her affection, she'll give it freely. Until, with a tiny kiss and a broken mind, he asks for more than she can give. Sam Donavon has been James' best friend — and the boy Sarah's had a crush on — for as long as she can remember. As their forbidden relationship deepens, Sarah knows she's in trouble. Quiet, serious Sam has decided he's going to save her. Neither of them realize James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact . . .

This Is How You Lose Her-Junot Díaz 2013 Presents a collection of stories that explores the heartbreak and radiance of love as it is shaped by passion, betrayal, and the echoes of intimacy.

Lost in Translation-Nicole Mones 2007-12-18 A novel of searing intelligence and startling originality, Lost in Translation heralds the debut of a unique new voice on the literary landscape. Nicole Mones creates an unforgettable story of love and desire, of family ties and human conflict, and of one woman's struggle to lose herself in a foreign land—only to discover her home, her heart, herself. At dawn in Beijing, Alice Mannegan pedals a bicycle through the deserted streets. An American by birth, a translator by profession, she spends her nights in Beijing's smoke-filled bars, and the Chinese men she so desires never misunderstand her intentions. All around her rushes the air of China, the scent of history and change, of a world where she has come to escape her father's love and her own pain. It is a world in which, each night as she slips from her hotel, she hopes to lose herself forever. For Alice, it began with a phone call from an American archaeologist seeking a translator. And it ended in an intoxicating journey of the heart—one that would plunge her into a nation's past, and into some of the most rarely glimpsed regions of China. Hired by an archaeologist searching for the bones of Peking Man, Alice joins an expedition that penetrates a vast, uncharted land and brings Professor Lin Shiyang into her life. As they draw closer to unearthing the secret of Peking Man, as the group's every move is followed, their every whisper recorded, Alice and Lin find shelter in each other, slowly putting to rest the ghosts of their pasts. What happens between them becomes one of the most breathtakingly erotic love stories in recent fiction. Indeed, Lost in Translation is a novel about love—between a nation and its past, between a man and a memory, between a father and a daughter. Its powerful impact confirms the extraordinary gifts of a master storyteller, Nicole Mones. From the Trade Paperback edition.

My Savior-Alanea Alder 2015-08-25 Amelia has dreamt of her mate since she was a little girl. All her life visions of a golden prince have warmed her heart and promised a fairy-tale future. She longs for the day when they will finally be together. When the fateful day arrives and she meets Darian for the first time, she is nearly destroyed by his unequivocal rejection. His continued denial of their destined relationship has her doubting her own self worth and the visions she has had all her life. Darian is teetering on the edge. He refuses to acknowledge Amelia as his mate and shadows continue to spread across his heart. He has grown used to the emptiness in his soul and almost fears the barrage of emotions she elicits. When an unexpected tragedy sends Darian spiraling into a hopeless abyss, will Amelia have the strength to pull him out, or will she succumb to her own darkness?

The Drowning People-Richard Mason 2008-11-16 It is a cold afternoon in winter. An old man sits in a room high above the sea, watching the sun set. It is twenty-four hours since the death of his wife at Seton Castle, the home they had shared for more than forty years. And as it grows dark, he tries to make sense of a life only recently understood; and to explain how he, by no means a violent man, has come to kill in cold blood..

Shelter in Place-Nora Roberts 2018-05-29 From Nora Roberts comes the #1 New York Times bestseller Shelter in Place (June 2018)—a powerful tale of heart,

heroism...and propulsive suspense. It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at video game store tended to customers. Then the shooters arrived. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone--until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide.

Microbe Hunters-Paul De Kruif 1954 Describes the contributions of such pioneers in bacteriology as ANtony Leeuwenhoek, Louis Pasteur and Paul Ehrlich. Moneyball (Movie Tie-in Edition) (Movie Tie-in Editions)-Michael Lewis 2011-08-22 Explains how Billy Beene, the general manager of the Oakland Athletics, is using a new kind of thinking to build a successful and winning baseball team without spending enormous sums of money.

Savagery-Emma MacKenzie 2013-12 In 10th century France, 18-year old Cherine Cadet only knows one thing: that the life of a peasant isn't a life at all. Tired of working in utter poverty for an unfeeling Lord, with only her indifferent family and love-struck best friend as company, Cherine dreams of the day she can run away from the future set-up for her, even if she knows there's no real escape from her destiny. Then, in one brutal instance, everything changes. A Viking fleet led by the powerful nobleman and warrior, Rolf the Walker and his right-hand man, Erik the Axe, arrive on the shores of the Lord's estate. In minutes, the entire land is up in flames, Cherine's family and fellow serfs are killed, and Cherine comes dangerously close to death herself. She is saved only by the fierce Erik - but a new lease on life comes with a cost. Cherine becomes a slave to the Vikings, a fate she thinks is no better than the one she had before. But as she finds herself being shared between the two men, the savage and darkly handsome Rolf and the mysterious and sensual Erik, Cherine discovers that she too has a fiery warrior heart and that the flames that consumed her old life might burn them all to the ground. Author's Note: While this book is set in 909 A.D. and efforts were made to keep it authentic to the time period, the language used IS modern. If you are looking for a 100% accurate historical read, this might NOT be the book for you. If you don't like historical romances because of the old language, then this book might be for you. \*\*\* Rated 18+ for graphic sexual content and violence \*\*\*

For the Love of Soil-Nicole Masters 2019-10-15 Learn a roadmap to healthy soil and revitalised food systems to powerfully address these times of challenge. This book equips producers with knowledge, skills and insights to regenerate ecosystem health and grow farm/ranch profits. Learn how to: - Triage soil health and act to fast-track soil and plant health-Build healthy resilient soil systems-Develop a deeper understanding of microbial and mineral synergies-Read what weeds and diseases are communicating about soil and plant health-Create healthy, productive and profitable landscapes.Globally recognised soil advocate and agroecologist Nicole Masters delivers the solution to rewind the clock on this increasingly critical soil crisis in her first book, For the Love of Soil. She argues we can no longer treat soil like dirt. Instead, we must take a soil-first approach to regenerate landscapes, restore natural cycles, and bring vitality back to ecosystems. This book translates the often complex and technical know-how of soil into more digestible terms through case studies from regenerative farmers, growers, and ranchers in Australasia and North America. Along with sharing key soil health principles and restoration tools, For the Love of Soil provides land managers with an action plan to kickstart their soil resource's well-being, no matter the scale."For years many of us involved in regenerative agriculture have been touting the soil health - plant health - animal health - human health connection but no one has tied them all together like Nicole does in "For the love of Soil"! " Gabe Brown, Browns Ranch, Nourished by Nature. "William Gibson once said that "the future is here - it is just not evenly distributed." "Nicole modestly claims that the information in the book is not new thinking, but her resynthesis of the lessons she has learned and refined in collaboration with regenerative land-managers is new, and it is powerful." Says Abe Collins, cofounder of LandStream and founder of Collins Grazing. "She lucidly shares lessons learned from the deep-topsoil futures she and her farming and ranching partners manage for and achieve."The case studies, science and examples presented a compelling testament to the global, rapidly growing soil health movement. "These food producers are taking actions to imitate natural systems more closely," says Masters. "... they are rewarded with more efficient nutrient, carbon, and water cycles; improved plant and animal health, nutrient density, reduced stress, and ultimately, profitability."In spite of the challenges food producers face, Masters' book shows even incredibly degraded landscapes can be regenerated through mimicking natural systems and focusing on the soil first. "Our global agricultural production systems are frequently at war with ecosystem health and Mother Nature," notes Terry McCosker of Resource Consulting Services in Australia. "In this book, Nicole is declaring peace with nature and provides us with the science and guidelines to join the regenerative agriculture movement while increasing profits."Buy this book today to take your farm or ranch to the next level!

Truth or Dare-Jacqueline Green 2013-05-14 When a simple round of truth or dare spins out of control, three girls find it's no longer a party game -- it's do or die. It all started on a whim: The game was a way for Tenley Reed to reclaim her popularity, a chance for perfect Caitlin "Angel" Thomas to prove she's more than her Harvard application. Loner Sydney Morgan wasn't even there; she was hiding behind her camera, as usual. But when all three start receiving mysterious dares long after the party has ended, they're forced to play along -- or risk exposing their darkest secrets. How far will Tenley, Caitlin, and Sydney go to keep the truth from surfacing? And who's behind this twisted game? Set against the backdrop of Echo Bay, an isolated beach town haunted by misfortune, Truth or Dare is a highly charged debut that will keep readers in suspense from beginning to end.

Pale Morning Light with Violet Swan-Deborah Reed 2020-10-06 The story of a famous abstract painter at the end of her life—her family, her art, and the long-buried secrets that won't stay hidden for much longer. Ninety-three-year-old Violet Swan has spent a lifetime translating tragedy and hardship into art, becoming famous for her abstract paintings, which evoke tranquility, innocence, and joy. For nearly a century Violet has lived a peaceful, private life of painting on the coast of Oregon. The "business of Violet" is run by her only child, Francisco, and his wife, Penny. But shortly before Violet's death, an earthquake sets a series of events in motion, and her deeply hidden past begins to resurface. When her beloved grandson returns home with a family secret in tow, Violet is forced to come to terms with the life she left behind so long ago—a life her family knows nothing about. A generational saga set against the backdrop of twentieth-century America and into the present day, Pale Morning Light with Violet Swan is the story of a girl who escaped rural Georgia at fourteen during World War II, crossing the country alone and broke. It is the story of how that girl met the man who would become her devoted husband, how she became a celebrated artist, and above all, how her life, inspired by nothing more than the way she imagined it to be, would turn out to be her greatest masterpiece.

"If *The 7 Habits of Highly Effective Teens* doesn't help you, then you must have a perfect life already." -Jordan McLaughlin, Age 17

St. Nic, Inc-Samuel Reisz Staley 2014-07-10 Will the DEA ruin Christmas forever? Nicole and her allies are in a race against time to keep their billion dollar global enterprise-and the hopes of millions-alive in this adventure. Her company ensures toys arrive at the homes of millions of children and families from their secret enclave above the Arctic Circle. It also serves as a haven for Little People, hoping to escape the everyday discrimination of mainstream society. The North Pole is thrown into jeopardy when an arctic accident thrusts two explorers into their midst. The town's residents are convinced Peter and his partner are spies. Ambitious DEA agents hope they can follow the money trail to close down what they suspect is one of the world's most sophisticated drug cartels. "SR Staley's whipped up a fast-paced tale that will keep you on the edge of your recliner from its opening paragraphs to the climax at its end. If it was a movie, it would be a thriller with a happy ending and egg(nog) on all the right faces" Lawrence W. Reed, president, Foundation for Economic Education

After Projects the Resound-Kimberly Alidio 2016 Poetry. "The exhausted object have no body of work," says one poem in Kimberly Alidio's *AFTER PROJECTS THE RESOUND*. But that's just surface. Ever lurking and in ALL CAPS even are potential poems that would affirm, 'LOL AGENCY AND THE COURAGE TO SPEAK.' From the 'howling on YouTube' to 'Igorots at St. Louis' to the 'new sardonic' to 'a heart hit twice by shrapnel,' the poems skitter over, infiltrate, radiate, revolt from, and apply 'karaoke studies' to interrogate both history and contemporary culture, especially cracks and what lurks within them. These poems are attuned to as many zeitgeists as reveal themselves. From Alidio's dissecting eyes and focused hands--the 'I [who] can sense the space around objects in the room because I'm often unnoticed'--the Filipino trait of Kapwa (interconnectedness) enables poems to arise and they bespeak: 'This is exactly what gentleness is // dragging everything up whole--.'" --Eileen R. Tabios "The structure of this book and its embedded themes are angled through Alidio's queer, Filipina perspective; while elevated through the nature of the found language of the project, her clear and independent voice--whether tackling expression of a corruptively perceived identity, longing for the presence in the everyday of intimacy, understanding intention in today's landscape of technology, or appreciating the struggle of objectification through narrative--offers an extraordinary sensibility in a world of chaos."--Greg Bem, Rain Taxi
