Rumors of Another World-Philip Yancey 2003 Looks at both the visible and supernatural to search for faith, offering new perspectives on looking beyond what is visible to find meaning and purpose in life.

Rumors of Another World-Philip Yancey 2009-05-18 What on earth are we missing? Philip Yancey believes we are missing the supernatural hidden in everyday life. In Rumors of Another World, Yancey investigates the natural world and discovers the supernatural hiding in plain view. He grapples with why God made the world and what our role truly is, and seeks to answer the question, "How do I live in the natural world while expressing the values of the supernatural?" Philip writes, "I have come to understand faith as the highest form of integrated encounter. Faith

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

puts together, assembles, re-orders, accepting the entire world as God's handiwork. We live among clues, like rescuers sifting through pieces of stained glass shattered by a bomb, and only with a blueprint or some memory of original design can we begin to connect the shards, to assemble them into a pattern that makes sense of our world. "Nature and supernature are not two separate worlds, but different expressions of the same reality. To encounter the world as a whole, we need a more supernatural awareness of the natural world." Yancey invites readers to join him on a journey of discovery. He challenges us to tune into "rumors of another world," and connect the seen with the unseen. He promises that the grace-filled result will be a life of beauty, purpose, freedom, and faith.

Rumors That Changed the World-Eugen O. Chirovici 2014-12-11

Rumors that Changed the World explores the social and cultural impact of rumor from Antiquity to the mid-1990s, examining it as one of the most important contributing factors to violence and discrimination. The book is aimed at a wide range of scholars interested in history, psychology, communication, sociology, anthropology, and politics.

Rumors of Peace-Ella Leffland 2016-09-20 To ten-year-old Suse Hansen, the fighting in Europe seems far away from the blue skies and quiet streets of her Bay Area home in Mendoza, California—despite newspaper war photographs and the tense radio broadcasts. But Pearl Harbor changes everything. Caught up in the fear and uncertainty of air raid drills, draft calls, and the mysterious departure of her Japanese and Italian neighbors, Suse becomes obsessed with the war. As Mendoza and the rest of America adjust to their new lives, Suse, too, will face challenges of her own as she begins to navigate the uncharted terrain of adolescence. Over the next four years she will confront the complexities of life—the demands of school, evolving friendships, brothers and sisters leaving home, the disturbing thrill of sexual awakening—while trying to understand who she is and what the future may hold for a world consumed by the horror of war. A rediscovered classic, Rumors of Peace is an extraordinary coming-of-age story chronicling the loss of American innocence through the voice of one remarkable young girl.

Rumors of God-Darren Whitehead 2011-07-18 Where is the life of God from [www.jaremicarey.com](http://www.jaremicarey.com) on

promised us? Life is busy. We live like slaves to our fast-paced, suffocating schedules. We spend our energy and time in triviality, relegating God to the background. He seems distant to us, and we resist the idea that God wants to give, say, and show us more; we dismiss it as rumor. But Jesus calls us to a better way. Another dream- an unimagined future. Close the gap between what you hear about and what you see. Rumors is filled with the same forward-thinking spirit that defines its authors, Jon Tyson and Darren Whitehead. ?Louie Giglio, pastor, Passion City Church Both challenging and encouraging, Rumors of God will reintroduce you to a God worth talking about. ?Gabe Lyons, author, The Next Christians, founder, Q, coauthor, UnChristian This book invites us to find the rumors of God all around us. Read it, but be ready to be changed. ?Scot McKnight, author, One.Life: Jesus Calls, We Follow and Jesus Creed for Students For those who are jaded by the church, or have become cynical about the power of the Gospel in our time, Rumors of God is a great antidote. ?Alan Hirsch, author, dreamer, activist ([www.theforgottenways.org](http://www.theforgottenways.org)) Foreword by Bill Hybels, founding and senior pastor of Willow Creek Community Church in South Barrington, Ill., and chairman of the board for the Willow Creek Association. The irony: two upstart Aussies from tiny towns half a world away wind up leading high impact churches in two of the most significant cities in North America. Only God. Darren Whitehead and Jon Tyson are deep thinking Christ followers with a bias for action in the world. A rare combination these days. They are both leaders and communicators, visionaries and "get stuff done for God" guys. Extremely rare. I have had the privilege of working closely with Darren at Willow Creek Community Church for over 7 years. He is thoughtful, relationally intelligent and one of the hardest working young leaders I know. In Rumors of God, Darren and Jon have some how succeeded in slipping 3D glasses over our eyes. The results are that passages from scripture come alive in ways that will impact readers for a long time. I salute the efforts of these young mates and pray that readers will be as stretched in their minds and hearts as I have been.

On Rumors-Cass R. Sunstein 2014-03-09 Many of us are being misled. Claiming to know dark secrets about public officials, hidden causes of the current economic situation, and nefarious

Opinions and from  
[jaremicarey.com](http://jaremicarey.com) on

plots, those who spread rumors know precisely what they are doing. And in the era of social media and the Internet, they know a lot about how to manipulate the mechanics of false rumors—social cascades, group polarization, and biased assimilation. They also know that the presumed correctives—publishing balanced information, issuing corrections, and trusting the marketplace of ideas—do not always work. All of us are vulnerable. In *On Rumors*, Cass Sunstein uses examples from the real world and from behavioral studies to explain why certain rumors spread like wildfire, what their consequences are, and what we can do to avoid being misled. In a new afterword, he revisits his arguments in light of his time working in the Obama administration.

The Rumor-Lesley Kara 2019-06-18 “Keeps you guessing until the final page.”—Paula Hawkins, author of *The Girl on the Train* “A rollercoaster ride to the very last sentence.”—Fiona Barton, author of *The Widow* “Everyone will be talking about The Rumor.”—Shari Lapena, author of *The Couple Next Door* When a single mother hears a shocking rumor outside her son’s school, she never intends to pass it on. But one casual comment leads to another . . . and now there’s no going back. Rumor has it that a notorious killer, who committed a brutal crime as a child, has been living a new life under an assumed identity in Joanna’s seaside town. So who is the criminal hidden in their midst? Suspicion falls on everyone. As Joanna becomes obsessed with the case, her curiosity will expose her son and his father to the supposedly reformed murderer—who may be ready to kill again. She will learn how dangerous one rumor can become . . . and just how far she must go to protect those she loves. She is going to regret the day she ever said a word. Praise for *The Rumor* “A brilliant premise with a killer twist. *The Rumor* depicts the prejudices and secrets that simmer in a small seaside town to devastating effect.”—Colette McBeth, author of *An Act of Silence* “This mystery has an unusual and resonant theme—how a single rumor can morph into a completely unmanageable, deadly force. . . . [There’s] psychological acuity throughout and [an] astonishing ending.”—Booklist

AsapSCIENCE-Mitchell Moffit 2015-03-17 The instant New York Times bestselling book of entertaining, irreverent, and totally accessible illustrated answers to the scientific “questions”

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

no idea were bugging you all your life” (Fast Company), from the creators of the wildly popular YouTube channel AsapSCIENCE. Why do we get hung over? What would happen if you stopped sleeping? Is binge-watching TV actually bad for you? Why should I take a power nap? In their first-ever book, Mitchell Moffit and Greg Brown, the geniuses behind the YouTube channel AsapSCIENCE, explain the true science of how things work in their trademark hilarious and fascinating fashion. Applying the fun, illustrated format of their addictive videos to topics ranging from brain freeze to hiccups to the science of the snooze button, AsapSCIENCE takes the underpinnings of biology, chemistry, physics, and other hard sciences and applies them to everyday life through quirky and relatable examples that will appeal to both science nerds and those who didn't exactly ace chemistry. This is the science that people actually want to learn, shared in a friendly, engaging style. “Science is big fun. The ASAP guys get that, and they'll show you—they'll even draw you a diagram” (Bill Nye, “The Science Guy”). And amid the humor is great information and cocktail conversation fodder, all thoughtfully presented. Whether you're a total newbie or the next Albert Einstein, this guide is sure to educate and entertain...ASAP.

Secondhand Jesus-Glenn Packiam 2010-01-01 God has offered us firsthand knowledge of His love, His grace, and His power. Yet so often, we too easily settle for someone else's descriptions, the Cliff notes from another's spiritual journey. We are content for "God-experts" to do the heavy lifting and then give us the bottom line. And like any secondhand information, after enough times through the grapevine, the truth about God deteriorates and crumbs of rumor are all that remain. But when life derails, and things don't go as we had planned, our thin view of God is challenged. In those critical moments, we can choose to walk away from God, or to let our questions lead us home. When we choose to wrestle with God, to engage Him for ourselves, we-like Jacob and Job and David-will see rumors die and revelation come alive. It's time to hear the magnificent, Divine Invitation. It's time to take God up on His offer and embrace the mystery and majesty of knowing Him for ourselves.

A Rumor of War-Philip Caputo 1996 A personal memoir of the war in Vietnam, in which the author first served as a Marine

he later covered as a reporter.

Rumors of Rain-Andre Brink 2008-04-01 Martin Mynhardt seems invincible. Violence surrounds him, yet he remains unscathed: a woman asks him the time, then leaps in front of a train; after a mine riot, he watches hoses sweep scattered body parts off the floor. Just before the shocking violence that brings South African apartheid to an end, Martin decides to return to the family farm for a weekend. A highly successful businessman and Afrikaans Nationalist, he hopes to sell the property to the government in a deal both highly profitable and corrupt. The moment he steps onto the farm, his plans are derailed. The repercussions of a society's endemic violence catch up to him, and shake the relationships that frame his life. His closest friend, a brilliant, idealistic lawyer, is sentenced to prison for his anti-apartheid "terrorist" activities in part because Martin refused to help him. His son, recently returned from the Angolan war, is in silent revolt against the values of his father and his nation. His mistress, Bea, an intelligent, strong-willed woman who offers Martin the hope of redemption through her own capacity for empathy, is also caught up in the gathering political storm. This is Andre Brink's story of a society on the edge of collapse, spurred to profound self realization.

Weird Theology-Alex Raizman 2018-06-30 The end of the world is non-negotiable. How it happens is still up in the air. Every god has a nanoverse, but only one will give its wielder the ability to end the world. After years of searching, it has finally been found, with the power to kick start the apocalypse. They never thought to look in a gift store's box of Knick-knacks. Ryan Smith didn't expect anything interesting to happen to him. He was a boring guy. The only remotely interesting thing about him was the man in a suit that no one else could see. Always watching, always taking notes. Ryan didn't know it meant he was one of the candidates to find the last nanoverse. Now that he has it, he has the power of a god, and it's up to Ryan to try and save humanity, even though he can't save the world. At least things have stopped being boring. Now Ryan finds himself in a fast paced adventure, caught in the power struggle between gods as he is forced to battle for his life against forces he can barely comprehend as gods try to stop him from fulfilling his duty. Foremost among them is Enki, a villain so terrible

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

to save the world. A high octane battle between good and evil, where the heroes' best hope is a kinder, gentler Armageddon. A Best-of award winning story for original writing.

What's So Amazing about Grace?-Philip Yancey 2003 The visual edition takes the text of the Gold Medallion Award-winning original and illustrates its themes and message with provocative full-color photography and illustrations; readers can 'experience grace' as they interact with its engaging content.

Wars and Rumors of Wars-Rick Fiman 2014-11-26 SHE THOUGHT HE WAS THE PROMISED MESSIAH. INSTEAD HE WAS THE FIRST MURDERER, CAIN. IT HAS BEEN A LONG MISERABLE JOURNEY, BUT AFTER 6000 YEARS WE ARE COMING TO THE END OF THE JOURNEY, AND THIS IS EXACTLY WHAT I HAVE BEEN TRYING TO SHOW YOU THROUGH ALL OF THE PROPHECIES OF DANIEL FIRST THEN REVELATION. I DO NOT AT ANYTIME CLAIM TO KNOW EVERYTHING IN THESE WRITTINGS, BUT TO GIVE YOU ALL A GOOD LOOK AT WHAT IS APPROACHING THIS WORLD. WHY, SO YOU WILL BE ABLE TO MAKE SENSE OF EVERYTHING THAT WILL IMPACT ALL OF OUR LIVES. WE DO NOT WANT TO BE RUNNING AROUND LIKE WILD CRAZED PEOPLE, BUT WE WILL KNOW THAT WE HAVE ARRIVED TO THAT TIME IN PROPHECY THAT ALL OF THE PROPHETS WANTED TO SEE ! NOW IS THE TIME TO START TO PICK UP THE BOOK AND PRAY THAT THE GREATEST TEACHER THAT EVER LIVED WILL GUIDE YOU AND ALL OF YOUR LOVED ONES TO THE GATES OF THE KINGDOM OF THE MOST HIGH, MAY HE BE WITH YOU ALL!

Rumors of Savages-Carrie Regan 2009-03 RUMORS of SAVAGES by Carrie Regan Six months ago, world-renowned anthropologist Lawrence Julian Thompson set off on an expedition into a remote African jungle with one goal: to locate the legendary "lost tribe" of the Bambada and bring back proof that they exist. He wasn't the first--countless Western explorers have attempted to track these mythical people over the centuries, and with good reason.

According to legends, the Bambada guard a vast fortune and possess the improbably power to read minds and see the future. Yet they're also rumored to be fierce, bloodthirsty, and hell bent on staying hidden from the world. the evidence speaks for itself: for centuries, nearly every adventurer who's chased the Bambada

learned from [jaremicarey.com](http://jaremicarey.com) on

their treasure--has come to a grisly end in the process. When Thompson fails to return from his expedition, it appears that the same fate has befallen the esteemed anthropologist. Meanwhile, in the urban jungle of Manhattan, network executive Bill Warner faces a thorny challenge of his own: to resurrect his ailing television network, the Adventure Channel. It seems there are only so many programs viewers will watch about another Everest summit or expedition down the Amazon before interest starts to wane. Ratings are sagging, and Adventure's owner is threatening to transform the channel into a home shopping haven. Warner has one last hope. It's Max Carrington, a rugged old explorer and host of the Adventure Channel's flagship show, Adventure!. If anyone can brave the malaria-ridden jungles of Africa, rescue the missing anthropologist, and bring back a blockbuster that will save the network, it's Max. Yet with a bad back, demanding young second wife, and critics who think he's out of touch with today's younger audience, the fading star may end up sinking Adventure's ship instead. Accompanying Max on the adventure is his colorful crew: AJ, the womanizing cameraman; Liz, the overqualified, under-appreciated associate producer who's also AJ's spurned ex-lover; Buddy, the chubby soundman and AJ's sidekick; and Troy, the incompetent producer, recently-minted film school graduate, and, coincidentally, nephew of Adventure's CEO. As the crew battles the disease-infested jungle in search of the missing anthropologist, Adventure's executive producer seizes the opportunity to spin their daily videophone dispatches into the media sensation of the moment. Instantly, ratings for the Adventure Channel skyrocket. But when members of Max Carrington's team start disappearing, and an ambitious young researcher uncovers evidence that the lives of the entire crew are at risk, the focus of the story shifts, and the media machine turns on itself...

Finding the Lost Battalion: Beyond the Rumors, Myths and Legends of America's Famous WW1 Epic - Hardcover-Robert Laplander  
2017-01-13 Since its release in 2006, 'Finding the Lost Battalion' by Robert J. Laplander has become the benchmark work against which all things Lost Battalion related have been measured. Now, in this updated 3rd edition released to coincide with the centennial of America's entry into WW1, Mr. Laplander again takes

Charlevaux Ravine to delve deeper into the story than ever before! Meticulously chronicling what would become arguably the most famous event of America's part in the war, we find the truths behind the legend. Spanning twenty years of research and hundreds of sources (most never before seen), the reader is led through the Argonne Forest during September and October, 1918 virtually hour by hour. The result is the single most factual accounting of the Lost Battalion story and their leader, Charles W. Whittlesey, to date. Told in an entertaining, fast moving style, the book has become a favorite the world over! With new Forward by Major-General William Terpeluk, US Army (Ret).

The Book of Hidden Things-Francesco Dimitri 2018-07-03 From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

Exit West-Mohsin Hamid 2018-02-27 "In a country teetering on the brink of civil war, two young people meet--sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, thrust into premature intimacy by the

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors--doors that can whisk people far away, if perilously and for a price. As violence and the threat of violence escalate, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. An epic compressed into a slender page-turner, *Exit West* is both completely of our time and for all time."--

The Global Grapevine-Gary Alan Fine 2013-02-01 Far from mere idle tales, rumors are a valuable window into our anxieties and fears. Rumors let us talk as a community about some very inflammatory issues--issues that may be embarrassing or disturbing to discuss--allowing us to act as if we are talking about real events, not personal beliefs. We can air our hidden fears and desires without claiming these attitudes as our own. In *The Global Grapevine*, two leading authorities on rumor, folklore, and urban legend--Gary Alan Fine and Bill Ellis--shed light on what contemporary rumors can tell us about the fears and pressures of globalization. In particular, they examine four major themes that emerge over and over again: rumors about terrorism, about immigration, about international trade, and about tourism. The authors analyze how various rumors underscore American reactions to perceived global threats, show how we interpret our changing world, and highlight fears, fantasies, and cherished beliefs about our place in the world. Along the way the book examines a wide variety of rumors--that the Israelis were behind 9-11, the President knew of the attack in advance, tourists wake up in foreign countries with their kidneys stolen, foreign workers urinate in vats of beer destined to be shipped to America. These rumors, the authors argue, reflect our anxieties and fears about contact with foreign cultures--whether we believe foreign competition to be poisoning the domestic economy or that foreign immigration to be eroding American values. Rumors are the visible tip of a vast iceberg of hidden anxieties. Illuminating the most widely circulated rumors in America in recent years, *The Global Grapevine* offers an invaluable portrait of what these tales reveal about contemporary society.

Rumors-Anna Godbersen 2009-03-17 Gossip Girl meets the Gilded Age in this delicious and compelling novel, the second in the New York Times bestselling series from author Anna Godbersen. As old friends become rivals, Manhattan's most dazzling socialites find their futures threatened by whispers from the past. In this delicious sequel to the New York Times bestselling *The Luxe*, nothing is more dangerous than a scandal...or more precious than a secret. True love. False friends. Scandalous gossip. This is Manhattan, 1899. After bidding good-bye to New York's brightest star, Elizabeth Holland, rumors continue to fly about her untimely demise. All eyes are on those closest to the dearly departed: her mischievous sister, Diana, now the family's only hope for redemption; New York's most notorious cad, Henry Schoonmaker, the flame Elizabeth never extinguished; the seductive Penelope Hayes, poised to claim all that her best friend left behind—including Henry; even Elizabeth's scheming former maid, Lina Broud, who discovers that while money matters and breeding counts, gossip is the new currency. "Mystery, romance, jealousy, betrayal, humor, and gorgeous, historically accurate details. I couldn't put *The Luxe* down!" —Cecily von Ziegesar, author of the #1 New York Times bestselling *Gossip Girl* series

The Future of Reputation-Daniel J. Solove 2007 Teeming with chatrooms, online discussion groups, and blogs, the Internet offers previously unimagined opportunities for personal expression and communication. But there's a dark side to the story. A trail of information fragments about us is forever preserved on the Internet, instantly available in a Google search. A permanent chronicle of our private lives--often of dubious reliability and sometimes totally false--will follow us wherever we go, accessible to friends, strangers, dates, employers, neighbors, relatives, and anyone else who cares to look. This engrossing book, brimming with amazing examples of gossip, slander, and rumor on the Internet, explores the profound implications of the online collision between free speech and privacy. Daniel Solove, an authority on information privacy law, offers a fascinating account of how the Internet is transforming gossip, the way we shame others, and our ability to protect our own reputations. Focusing on blogs, Intern

Downloaded from

communities, cybermobs, and other current trends, he shows that, ironically, the unconstrained flow of information on the Internet may impede opportunities for self-development and freedom. Long-standing notions of privacy need review, the author contends: unless we establish a balance between privacy and free speech, we may discover that the freedom of the Internet makes us less free.

Rumors of Existence-Matthew A. Bille 1995 Author Matthew Bille seeks to introduce readers to discoveries, rediscoveries, and sightings of unclassified creatures made since the 1960's. Despite the intensive exploitation of our planet, there remain surprising gaps in our knowledge of the animal world. New birds, mammals, reptiles, fishes and amphibians are still described every year. Bille seeks to introduce readers to discoveries, rediscoveries and sightings of unclassified creatures made since the 1960's. the animals being presented include large mammals from Vietnam, a Tasmanian pouched wolf, pygmy elephants and a dolphin with two dorsal fins. Exhaustively researched and scientifically accurate, Rumors of Existence is a testimonial to the variety of life existing on this planet and a plea to explore and preserve what remains of the wild.

Reaching for the Invisible God-Philip Yancey 2009-05-18 "How do I relate to a God who is invisible when I'm never quite sure he's there?" -- Philip Yancey Life with God doesn't always work out like you think it should. High expectations slam against the reality of personal weaknesses and unwelcome surprises. And the God who, you've been told, wants a personal relationship with you may seem remote, emotionally unavailable. Is God playing games? What can you count on this God for? How can you know God? This relationship with a God you can't see, hear, or touch--how does it really work? Reaching for the Invisible God offers deep, satisfying insights to the questions you are sometimes afraid to ask. Honest and deeply personal, here is straight talk on Christian living for the reader who wants more than pat answers to life's imponderables. Ultimately, Yancey shifts the focus from your questions to the One who offers himself in answer. "A brilliant book. It is both profound and simple, the best blend, in my view. Simple is neither shallow, nor simplistic. The sections on doubt and God's 'absence' are classics." -- Rick Warren, pastor and author, The Purpose of Driven

## Life

Prisoner B-3087-Alan Gratz 2013-03-01 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It's something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.

## Rumor Has It (Limelight #1)-Elisabeth Grace

The Great Gatsby-F. Scott Fitzgerald 2017-07-16 F. Scott Fitzgerald Full name Francis Scott Key Fitzgerald. (1896 — 1940) A famous American novelist and short story writer. F. Scott Fitzgerald is widely regarded as one of the greatest American writers of the 20th century. He is considered a member of the "Lost Generation" of the 1920s. He wrote four novels: This Side of Paradise, The Beautiful and Damned, The Great Gatsby, and Tender Is the Night; (the last, unfinished novel The Love of the Last Tycoon, was published posthumously), numerous short stories, many of which treat themes of youth and promise, and age and despair. The Great Gatsby (1925) follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan and explores themes of decadence, idealism, resistance to change, social upheaval, and excess.

## Genghis Khan and the Making of the Modern World-Jack

Weatherford 2005 A re-evaluation of Genghis Khan's rise to power examines the reforms the conqueror instituted throughout his empire and his uniting of East and West, which set the foundation for the nation-states and economic systems of the modern world.

The World According to Garp—John Irving 2018-10-25 Now available as an ebook for the first time ever in America, the bestselling coming-of-age classic novel by John Irving—the 40th anniversary edition with a new introduction by the author. “He is more than popular. He is a Populist, determined to keep alive the Dickensian tradition that revels in colorful set pieces...and teaches moral lessons.”—The New York Times The opening sentence of John Irving’s breakout novel *The World According to Garp* signals the start of sexual violence, which becomes increasingly political. “Garp’s mother, Jenny Fields, was arrested in Boston in 1942 for wounding a man in a movie theater.” Jenny is an unmarried nurse; she becomes a single mom and a feminist leader, beloved but polarizing. Her son, Garp, is less beloved, but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line—“we are all terminal cases”—*The World According to Garp* maintains a breakneck pace. The subject of sexual hatred—of intolerance of sexual minorities and differences—runs the gamut of “lunacy and sorrow.” Winner of the National Book Award, *Garp* is a comedy with forebodings of doom. In more than thirty languages, in more than forty countries—with more than ten million copies in print—*Garp* is the precursor of John Irving’s later protest novels.

*The Water Dancer*—Ta-Nehisi Coates 2019-09-24 #1 NEW YORK TIMES BESTSELLER • OPRAH’S BOOK CLUB PICK • From the National Book Award-winning author of *Between the World and Me*, a boldly conjured debut novel about a magical gift, a devastating loss, and an underground war for freedom. “This potent book about America’s most disgraceful sin establishes [Ta-Nehisi Coates] as a first-rate novelist.”—San Francisco Chronicle IN DEVELOPMENT AS A MAJOR MOTION PICTURE • Adapted by Ta-Nehisi Coates and Kamilah Forbes, produced by MGM, Plan B, and Oprah Winfrey’s Harpo Films NOMINATED FOR THE NAACP IMAGE AWARD • NAMED ONE OF PASTE’S BEST NOVELS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • The Washington Post • Chicago Tribune • Vanity Fair • Esquire • Good Housekeeping • Paste • Town & Country • The New York Public Library • Kirkus Reviews • Library Journal

Young Hiram Walker was born into bondage. When his mother was sold away, Hiram was robbed of all memory of her—but was gifted

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

mysterious power. Years later, when Hiram almost drowns in a river, that same power saves his life. This brush with death births an urgency in Hiram and a daring scheme: to escape from the only home he's ever known. So begins an unexpected journey that takes Hiram from the corrupt grandeur of Virginia's proud plantations to desperate guerrilla cells in the wilderness, from the coffin of the Deep South to dangerously idealistic movements in the North. Even as he's enlisted in the underground war between slavers and the enslaved, Hiram's resolve to rescue the family he left behind endures. This is the dramatic story of an atrocity inflicted on generations of women, men, and children—the violent and capricious separation of families—and the war they waged to simply make lives with the people they loved. Written by one of today's most exciting thinkers and writers, *The Water Dancer* is a propulsive, transcendent work that restores the humanity of those from whom everything was stolen. Praise for *The Water Dancer* "Ta-Nehisi Coates is the most important essayist in a generation and a writer who changed the national political conversation about race with his 2015 memoir, *Between the World and Me*. So naturally his debut novel comes with slightly unrealistic expectations—and then proceeds to exceed them. *The Water Dancer* . . . is a work of both staggering imagination and rich historical significance. . . . What's most powerful is the way Coates enlists his notions of the fantastic, as well as his fluid prose, to probe a wound that never seems to heal. . . . Timeless and instantly canon-worthy."—Rolling Stone Anthem-Ayn Rand 2020-12-01 Equality 7-2521 finds himself out of step with the collectivist society of the future, and discovers a means to freedom in Ayn Rand's fable of the individual in conflict with society. First published in 1938, *Anthem* takes place in a dystopian future world in which humanity is enduring a new dark age, human life is regimented in every respect and personal identity has been all but snuffed out by a totalitarian government. The narrator, writing his story in secret, realizes he is a criminal simply for having thoughts of his own. Exploring the ruins of a previous civilization he discovers relics, conducts forbidden experiments and learns enough to question the very structure of his society. Can he share this knowledge with his fellow citizens? The author strips the relationship of humanity to civilization down to its bare bones.

this modern parable that starkly illuminates the challenge an oppressive government presents to individuality. With an eye-catching new cover, and professionally typeset manuscript, this edition of Anthem is both modern and readable.

Their Eyes Were Watching God-Zora Neale Hurston 2020-05-30  
Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

The Luxe-Anna Godbersen 2009-10-13 The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen. In a world of luxury and deception, where appearance matters above everything and breaking the social code means running the risk of being ostracized forever, five teenagers lead dangerously scandalous lives. This thrilling trip to the age of innocence is anything but innocent. Pretty girls in pretty dresses, partying until dawn. Irresistible boys with mischievous smiles and dangerous intentions. White lies, dark secrets, and scandalous hook-ups. This is Manhattan, 1899. Beautiful sisters Elizabeth and Diana Holland rule Manhattan's social scene. Or so it appears. When the girls discover their status among New York City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes to the debonair bachelor Henry Schoonmaker to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future. With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true love. But when her carriage overturns near the East River, the girl whose glittering life lit up the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear... “Mystery, romance, jealous, betrayal, humor, and gorgeous, historically accurate details. I couldn't put The Luxe down!” —Cecily von Ziegeler, author of the #1 New York Times bestselling Gossip Girl series

The City of Ember-Jeanne DuPrau 2003-05-13 A modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike.

DuPrau's book leaves Doon and Lina on the verge of undiscovered country and readers wanting more." —USA Today "An electric debut."

—Publishers Weekly, Starred "While Ember is colorless and dark, the book itself is rich with description." —VOYA, Starred "A harrowing journey into the unknown, and cryptic messages for readers to decipher." —Kirkus Reviews, Starred

The Alchemist-Paulo Coelho 2015-02-24 A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

The Ballad of Songbirds and Snakes (A Hunger Games Novel)- Suzanne Collins 2020-05-19 Ambition will fuel him. Competition will drive him. But power has its price.

Kensington Palace-Tom Quinn 2021-01-12 For more than 200 years the younger members of the British royal family - including future monarchs - have lived at Kensington Palace, alongside

and uncles, distant cousins and assorted aristocratic eccentrics. Kensington Palace has been the scene of countless bizarre events - here, for example, the young Queen Victoria was held a virtual prisoner for eighteen years; and it was from Kensington Palace that Queen Caroline ran the country while her husband George II moved his pictures around. In more recent times, Kensington Palace was famously the scene of Charles and Diana's nightmare marriage and Charles's serial adulteries. But then Kensington Palace has a long history of royal philandering. George II installed his wife and mistress in the palace, for example, and made his mistress sleep in a room so damp there were said to be mushrooms growing on the walls. And then there were the eccentrics. George III's sixth son, Augustus, Duke of Sussex, became a virtual recluse at the palace. He collected hundreds of clocks and mechanical toys, thousands of early Bibles and dozens of songbirds that were allowed to fly freely through the royal apartments. Today, the palace is home to the future King William and his wife Catherine, and until recently home to the newly married Duke and Duchess of Sussex, Harry and Meghan. The palace has been described as a royal menagerie, a hive of industrious freeloaders, an ant heap and even a lunatic asylum. Tom Quinn takes the reader behind the official version of palace history to discover intriguing, sometimes wild, often scandalous, but frequently heart-warming stories.

The Alchemy of Us-Ainissa Ramirez 2020-03-03 In the bestselling tradition of *Stuff Matters* and *The Disappearing Spoon*: a clever and engaging look at materials, the innovations they made possible, and how these technologies changed us. In *The Alchemy of Us*, scientist and science writer Ainissa Ramirez examines eight inventions—clocks, steel rails, copper communication cables, photographic film, light bulbs, hard disks, scientific labware, and silicon chips—and reveals how they shaped the human experience. Ramirez tells the stories of the woman who sold time, the inventor who inspired Edison, and the hotheaded undertaker whose invention pointed the way to the computer. She describes, among other things, how our pursuit of precision in timepieces changed how we sleep; how the railroad helped commercialize Christmas; how the necessary brevity of the telegram influenced Hemingway's writing style; and how a young chemist exposed the use of

Polaroid's cameras to create passbooks to track black citizens in apartheid South Africa. These fascinating and inspiring stories offer new perspectives on our relationships with technologies. Ramirez shows not only how materials were shaped by inventors but also how those materials shaped culture, chronicling each invention and its consequences—intended and unintended. Filling in the gaps left by other books about technology, Ramirez showcases little-known inventors—particularly people of color and women—who had a significant impact but whose accomplishments have been hidden by mythmaking, bias, and convention. Doing so, she shows us the power of telling inclusive stories about technology. She also shows that innovation is universal—whether it's splicing beats with two turntables and a microphone or splicing genes with two test tubes and CRISPR.

Rumors of War-Jake Elwood 2018-03-28 Out of the frying pan ... Tom Thrush thinks Basic Officer Training is tough - until he joins the frigate Kestrel and finds out what tough really means. The crew resents him. The First Officer is actively hostile. As the ship hunts pirates in deep space Tom struggles to fit in and wonders if things can get any worse. They can. And into the fire of interstellar war A devastating attack leaves the ship crippled with half the crew dead or dying. The senior officers are wiped out, leaving a terrified sublieutenant in the last place he wants to be. In command.
