Sand Dollar-Sebastian Cole 2012-04-18 What if you lost your true soul mate? Would your love ever truly die? Not if you're Noah Hartman, who refuses to let go of Robin after she inexplicably abandons their love and disappears from his life seemingly forever, her hidden secret yet to be discovered. And when you finally move on with your life, what do you say when the unthinkable happens: your true love reappears at your wedding to another woman, looks deep into your soul with her loving, tear-filled eyes, and tells you the one thing you've desperately longed to hear for all of these years? As Noah, old and sick in a hospital bed, tells

his story of love and loss to Josh, a wise orderly, he discovers a far greater truth about his past, present, and future. Things are definitely not as they appear as the pieces of a shattered love are put back together.

Animal-DK 2017-09-12 View the animal kingdom up close as never before in this breathtaking title, which has already sold over 1.5 million copies. Written by 70 specialists, it features stunning wildlife photography of more than 2000 of the world's most important wild mammals, birds, reptiles, amphibians, and insects. With around two million species identified to date, animals are the dominant and most varied form of life on the planet. Animal presents a representative selection, ranging from the giant baleen whale, to fast-moving predators such as sharks, big cats, and birds of prey, as well as microscopic beetles barely 1mm long and other insects. It presents some of the latest species to be described: meet the cute but elusive olinguito from South America, which was only identified in 2013, or the skywalker hoolock gibbon that was named after a Star Wars character in 2017. Animal also explains how the earth's biodiversity is in sharp decline and the conservation projects underway to safeguard precious species. For each one, it gives a locator map and statistics, including its conservation status. For anyone who wants a reliable and enthralling reference, in which you can find the answers to everything - from why zebras are striped or how the sunbear got its name - Animal is your essential one-stop guide.

Paint by Sticker: Music Icons-Workman Publishing 2017-06-27 Paint by Sticker is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each Paint by Sticker book includes everything you need to create twelve vibrant, full-color "paintings." The original images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in

the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a "painting" come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit. Paint by Sticker: Music Icons brings us face-to-face with Elvis, The Beatles, Beyoncé, David Bowie, Cher, Prince, Michael Jackson, Kurt Cobain, Madonna, Nina Simone, Dolly Parton, and "Weird Al" Yankovic.

The Unfortunate Gift-Dean O. Holiday 2014-03-26 In 2016 when disasters reach biblical proportions a Mormon Prophet will rise. In The Unfortunate Gift, past deeds of the Third Reich come crashing forward. A dying billionaire and survivor of Ravensbrück and Auschwitz-Birkenau offer the uniquely gifted Anne-Lize Mitchell \$1.5 million to solve a mystery. Based on a Native American myth, residents of Elizabethtown are required to return yearly to the fall Jamboree at Blackthorn. Surprisingly, those that attend the Jamboree do in fact live longer lives. Putting their lives in danger, a think tank is assembled at the Vatican, all-the-while assassins nip at the heels of its members through airports, city streets and into the remote corners of British Columbia. Jack, a young numismatist, must be found; he is the only person on the planet that can kill the giant that has set the stage for Armageddon.
