A Lesson Before Dying-Ernest J. Gaines 2004-01-20 "This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives."—Chicago Tribune Winner of the National Book Critics Circle Award, *A Lesson Before Dying* is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

Modern Lovers-Emma Straub 2016-05-31 "It's 'Friends' meets 'Almost Famous' meets the beach read you'll be recommending all summer." -TheSkimm From the author of the New York Times bestseller *The Vacationers*, a smart, highly entertaining novel about a tight-knit group of friends from college— and what it means to finally grow up, well after adulthood has set in. Friends and former college bandmates Elizabeth and Andrew and Zoe have watched one another marry, buy real estate, and start businesses and families, all while trying to hold on to the identities of their youth. But nothing ages them like having to suddenly pass the torch (of sexuality, independence, and the ineffable alchemy of cool) to their own offspring. Back in the band's heyday, Elizabeth put on a snarl over her Midwestern smile, Andrew let his unwashed hair grow past his chin, and Zoe was the lesbian all the straight women wanted to sleep with. Now nearing fifty, they all live within shouting distance in the same neighborhood deep in gentrified Brooklyn, and the trappings of the adult world seem to have arrived with ease. But the summer that their children reach maturity (and start sleeping together), the fabric of the adult lives suddenly begins to unravel, and the secrets and revelations that are finally let loose—about themselves, and about the famous fourth band member who soared and fell without them—can never be reclaimed. Straub packs wisdom and insight and humor together in a satisfying book about neighbors and nosiness, ambition and pleasure, the excitement of youth, the shock of middle age, and the fact that our passions—be they food, or friendship, or music—never go away, they just evolve and grow along with us.

We Are the Perfect Girl-Ariel Kaplan 2019-05-21 This witty, warm-hearted retelling of *Cyrano de Bergerac* is a love letter to female friendship. Perfect for Stephanie Perkins fans, and anyone who's ever thought of trying on a new identity to impress a guy. Aphra Brown is bold and outgoing. Her best friend, Bethany, is achingly beautiful. Individually, they could both do a little better in the self-esteem department, but together? Together, they have what it takes to win over Greg D'Agostino, a proverbial "ten," who happens to be fluent in six languages--seven if you count the language of smoldering gazes . . . What begins as an honest mistake turns into an elaborate deception, wherein Bethany goes on dates with Greg while Aphra coaches her on what to say, and texts him in the guise of Bethany, trying and failing, all the while, to tamp down her own hopeless crush. It's only a matter of time before things come crashing down. The question is: What will happen when Greg finds out? And can Aphra and Bethany's friendship survive the fallout? From the author of *We Regret to Inform You* comes a witty, warm-hearted exploration of love in all its forms, and a *cris-de-coeur* for self-acceptance when the pressure to be perfect is overwhelming. "There is much to appreciate about this book: its cleverness, its humor, that it embraces and normalizes therapy, that it places familial love and friendship on a level with romantic love. But, perhaps best of all, it offers teens, especially those struggling to accept and love themselves, a picture of a girl who makes mistakes and fights to begin again." --Booklist, starred review "At once painful and heartfelt . . . a smart and honest look at female beauty, with plenty of panache to boot." --Kirkus, starred review

Labyrinths-Catrine Clay 2016-11-08 A sensational, eye-opening account of Emma Jung's complex marriage to Carl Gustav Jung and the hitherto unknown role she played in the early years of the psychoanalytic movement. Clever and ambitious, Emma Jung yearned to study the natural sciences at the University of Zurich. But the strict rules of proper Swiss society at the beginning of the twentieth century dictated that a woman of Emma's stature—one of the richest heiresses in Switzerland—travel to Paris to "finish" her education, to prepare for marriage to a suitable man. Engaged to the son of one of her father's wealthy business colleagues, Emma's conventional and predictable life was upended when she met Carl Jung. The son of a penniless pastor working as an assistant physician in an insane asylum, Jung dazzled Emma with his intelligence, confidence, and good looks. More important, he offered her freedom from the confines of a traditional haute-bourgeois life. But Emma did not know that Jung's charisma masked a dark interior—fostered by a strange, isolated childhood and the sexual abuse he'd suffered as a boy—as well as a compulsive philandering that would threaten their marriage. Using letters, family interviews, and rich, never-before-published archival material, Catrine Clay illuminates the Jung's unorthodox marriage and explores how it shaped—and was shaped by—the scandalous new movement of psychoanalysis. Most important, Clay reveals how Carl Jung could never have achieved what he did without Emma supporting him through his private torments. The Emma that emerges in the pages of Labyrinths is a strong, brilliant woman, who, with her husband's encouragement, becomes a successful analyst in her own right.
