Réfléchir sur notre passé pour aborder notre avenir-Serge Joyal 2019-03-04 Depuis 1967, année du centenaire de la Confédération, de nombreux épisodes de crise politique et de difficultés économiques ainsi que les événements internationaux ont contribué à la transformation de la société canadienne et continueront de façonner son avenir. En tenant compte de ces diverses difficultés et opportunités rencontrées dans le passé, à quoi ressemble l'avenir du Canada? Dans Réfléchir sur notre passé pour aborder notre avenir, des diplomates, des politiciens, des chercheurs et des personnages en vue dans le domaine des droits de l'homme, dont Phil Fontaine, Michaëlle Jean, Ellen Gabriel, Paul Heinbecker, Bob Rae, Jean Charest et David Suzuki mettent en commun leur sagesse et leur expérience des événements qui ont marqué l'histoire du pays au cours des cinquante dernières années. Réfléchissant au rôle complémentaire à la Chambre des communes du Sénat au Canada, ils examinent des enjeux clés comme la condition des peuples autochtones, les obligations imposées par la Charte des droits et libertés, la reconnaissance des deux langues officielles et les référendums sur l'unité nationale. Les collaborateurs abordent aussi la transformation de l'économie dans un monde numérisé et un système planétaire, le rôle du Canada sur la scène mondiale à une époque de tension croissante, le flot accru de réfugiés, les changements climatiques et l'incertitude entourant l'avenir de l'Arctique, la concurrence scientifique et culturelle sur le marché international et l'avenir de la démocratie parlementaire. Corrigeant les fausses idées à propos du rôle actuel du Sénat et donnant le contre-argument à une réforme radicale du Sénat, Réfléchir sur notre passé pour aborder notre avenir propose de riches perspectives et un aperçu fascinant de l'évolution probable du Canada au cours des prochaines années.

Au risque de la conversion-Catherine Foisy 2018-02-02 In this ambitious and pioneering work, Catherine Foisy puts the experiences of Quebec missionaries into perspective, describing the ways in which they interweave with the socio-ecclesiastical transformations peculiar to Quebec and with those of Catholicism in mission countries. This tapestry, extending to the four corners of the world, gives the reader a view of missionary work as a site of intercultural encounter and conversion, as revealed through the voices of its actors. These accounts offer an opportunity to gauge the extent to which twentieth-century missionary work provided fertile ground for the emergence, deployment, and transfer of socio-ecclesiastical innovations that would prove decisive for the future of global Christianity. On the strength of its multidisciplinary approach and transnational analysis, this book documents various aspects of the Quebec missionary experience as it successively prospered, reached a zenith, and went into decline. By revisiting Lionel Groulx's 1962 work on the Quebec missionary experience from the standpoint of those who actually took part in it, this book gives readers a new vantage on a whole area of Quebec history even as it sheds light on a rich religious heritage, both tangible and intangible. Finally, this book is an opportunity for readers to reacquaint themselves with certain characteristics of societies within larger societies that enable them to foster the emergence of intercultural encounters and dialogue in a globalized context.

The Icon in Canada-Robert Bogdan Klymasz 1996 Separated from its origins in the Old World, Eastern Christian iconography in Canada has come to enjoy a popular following from coast to coast. The present volume documents this living tradition from a variety of perspectives to offer the first national survey of its kind. Here folklorists join with art historians, anthropologists, a scientist, a theologian, enthusiasts and iconographers to underscore the richness of a phenomenon that continues to captivate large segments of the country's population.

Loi Sur L'accès À L'information-Canada. Parliament. House of Commons. Standing Committee on Access to Information, Privacy and Ethics 2009 The ATIA has been the subject of a number of reform proposals since its passage in 1983. Nor is this the first ATIA reform proposal to be the subject of a study by the Committee: barely a week before the 38th Parliament was dissolved, the committee tabled a report to the House of Commons recommending that the Minister of Justice consider introducing a bill based on the provisions in the Open Government Act, proposed by the then Information Commissioner, John Reid.
Vatican II-Michael Attridge 2011-05-21 Le deuxième concile du Vatican (1961-1965) fut l'un des événements religieux les plus importants du vingtième siècle. Au Canada, il coïncida avec une période de changements culturels et sociétaux sans précédent, entraînant chez les évêques catholiques canadiens un réexamen de la place et de la mission de l'Église dans le monde. Pendant quatre ans, les évêques catholiques canadiens se réunirent avec leurs collègues de partout dans le monde pour réfléchir aux questions urgentes qui se posaient à l'Église et en débattre. Ce livre bilingue étudie l'interprétation et la réception de Vatican II au Canada, analysant diverses questions, dont le rôle des médias, les réactions des autres chrétiens, les contributions des participants canadiens, l'impact du

Concile sur la pratique religieuse et sa contribution à la progression du dialogue interreligieux.
