The Secret Agent-Francine Mathews 2009-07-29 In her acclaimed debut, *The Cutout*, former CIA analyst Francine Mathews defined a world of intrigue where only the savvy survive. Now, in *The Secret Agent*, Mathews propels us deep into the baffling history of a maverick American's glittering life and his sudden, cataclysmic disappearance.... Here is the masterful story of secret agents of many kinds--in a realm where truth is the most dangerous secret of all. Who was Jack Roderick? Trained by the OSS, Jack Roderick plummeted into Bangkok one rainy morning in 1945 and never left. Silk King, pirate, ruthless collector of beautiful objects--especially women--Roderick was feared and respected as a foreign spy, a business kingpin, and a trader in men's souls. And then, at the height of the Vietnam War, caught in a killing web of treachery and revenge that would determine the fate of his only son, Rory, Jack Roderick walked into the jungle...and vanished from the face of the earth. Four decades later, can the mystery be solved? International fund manager Stefani Fogg is recruited by a man whose job it is to know the unknowable. Wealthy beyond corruption, impervious to romance, and equipped with a mind that can crack any enigma, Stefani signs up for the adventure of a lifetime: playing Secret Agent to Max Roderick, grandson of Bangkok's long-vanished Legendary American. A world-class skier tangled in a sordid Thai murder investigation, Max is consumed with the riddle of Jack Roderick's disappearance--and with his own father's death in the jungles of Vietnam. Seduced by Max's charm and intrigued by his family history, Stefani ignores the warning signs and follows her heart. But when Max's quarrel with the Thai police turns deadly and a killer strikes, she knows she must return to the place where it all began, to unravel the lies, penetrate a deadly conspiracy, and expose a killing truth. She flees Max's France for Bangkok's khlongs--into the ruins of the Silk King's dark past and the mesmerizing shadow of the Roderick family curse. What she finds, in Jack Roderick's story and in the fate of his fighter-pilot son, is an American dream that crashed and burned in the rice paddies of Vietnam and a chilling legacy that haunts our own to this day. Propelling us masterfully through half a century, from Manhattan to the Alps to the colorful and treacherous heart of Bangkok, and based on the life of American expatriate Jim Thompson, *The Secret Agent* is at once a murder mystery, a touching love story, and a lavishly atmospheric journey through the exotic landscape of love and history--an historical thriller of the first rank.

The Library of Light and Shadow-M. J. Rose 2017-07-18 In this riveting and richly drawn novel from "one of the master storytellers of historical fiction" (New York Times bestselling author Beatriz Williams), a talented young artist flees New York for the South of France after one of her scandalous drawings reveals a dark secret--and triggers a terrible tragedy. In the wake of a dark and brutal World War, the glitz and glamour of 1925 Manhattan shine like a beacon for the high society set, desperate to keep their gaze firmly fixed to the future. But Delphine Duplessi sees more than most. At a time in her career when she could easily be unknown and penniless, like so many of her classmates from L'École des Beaux Arts, in America she has gained notoriety for her stunning "shadow portraits" that frequently expose her subjects' most scandalous secrets. Most nights Delphine doesn't mind that her gift has become mere entertainment--a party trick--for the fashionable crowd. Then, on a snowy night in February, in a penthouse high above Fifth Avenue, Delphine's mystical talent leads to a tragedy between two brothers. Devastated and disconsolate, Delphine renounces her gift and returns to her old life in the south of France where Picasso, Matisse, and the Fitzgeralds are summering. There, Delphine is thrust into recapturing the past. First by her charismatic twin brother and business manager Sebastian who attempts to cajole her back to work and into co-dependence, then by the world famous opera singer Emma Calvé, who is obsessed with the writings of the fourteenth-century alchemist Nicolas Flamel. And finally by her ex-lover Mathieu, who is determined to lure her back into his arms, unaware of the danger that led Delphine to flee Paris for New York five years before. Trapped in an ancient chateau where hidden knowledge lurks in the shadows, Delphine questions everything and everyone she loves the most--her art, her magick, her family, and Mathieu--in an effort to accept them as the gifts they are. Only there can she shed her fear of loving and living with her eyes wide open.

The Secret Fiend-Shane Peacock 2010-05-11 It is 1868, the week that Benjamin Disraeli becomes Prime Minister of the Empire. Sherlock's beautiful but poor admirer, Beatrice, the hatter's daughter, appears at the door late at night. She is terrified, claiming that she and her friend have just been attacked by the Spring Heeled Jack on Westminster Bridge and the fiend has made off with her friend. At first Sherlock thinks Beatrice simply wants his attention, and he is reluctant to go back to detective work. He also believes that the Jack everyone fears is a fictional figure. But soon he is suspicious of various individuals, several of them close friends. Set at a time when many in England were in a state of fear because a Jew was running the country, Shane Peacock presents a compelling story filled with an atmosphere of paranoia and secrets and surprises played out on late-night London streets.
