Shiloh Season-Phyllis Reynolds Naylor 2013-04-02 Marty gets to keep Shiloh! He wasn't able to rescue all the dogs that Judd Travers mistreated, but at least Shiloh is safe . . . right? Not necessarily, it turns out. With hunting season approaching, Judd has started drinking again, and hunting on the outskirts of Marty's family property. What if Judd tries to take back Shiloh? What if one of Marty's sisters gets in the way of Judd's shotgun? It seems only a matter of time before something goes very wrong. The thing is, Marty knows a secret about Judd that no one else does, and if anything terrible happens, he will never be able to forgive himself for keeping quiet. Is it time for Marty to speak up? And can he find the courage to do so, before someone he loves gets hurt? A Shiloh Christmas-Phyllis Reynolds Naylor 2016-09-20 "Marty and his best friend, Shiloh are on another adventure. Marty learns when a secret is too dangerous to keep, and that hate can spread like fire"-- Saving Shiloh-Phyllis Reynolds Naylor 2013-04-02 Marty Preston wonders why it is that despite Judd Traver's attempts to redeem himself everyone is still so willing to think the worst of him. Marty's friend David is sure that Judd will be named as the murderer of a man who has been missing. Others are sure that Judd is behind a series of burglaries in the area. But Marty's parents and, with some trepidation, Marty himself persist in their attempts to be good neighbors and to give Judd a second chance. Now that Marty has Shiloh, maybe he can help Judd to take better care of his other dogs. Then again, maybe folks are right -- there's no way a Judd Travers can ever change for the good. Then a terrifying life-or-death situation brings this dilemma into sharp focus. Saving Shiloh is a powerful novel that brings this trilogy to a close. White Fur Flying-Patricia MacLachlan 2013-03-19 A sad and silent nine-year-old boy finds his voice when he moves next to a family that rescues dogs. Rethinking Shiloh-Timothy B. Smith 2013-05-30 Ulysses S. Grant once remarked that the Battle of Shiloh "has been perhaps less understood, or, to state the case more accurately, more persistently misunderstood, than any other engagement . . . during the entire rebellion." In Rethinking Shiloh, Timothy B. Smith seeks to rectify these persistent myths and misunderstandings, arguing that some of Shiloh's story is either not fully examined or has been the result of a limited and narrow collective memory established decades ago. Continuing the work he began in The Untold Story of Shiloh, Smith delves even further into the story of Shiloh and examines in detail how the battle has been treated in historiography and public opinion. The nine essays in this collection uncover new details about the battle, correct some of the myths surrounding it, and reveal new avenues of exploration. The topics range from a compelling analysis and description of the last hours of General Albert Sidney Johnston to the effect of the New Deal on Shiloh National Military Park and, subsequently, our understanding of the battle. Smith's careful analyses and research bring attention to the many relatively unexplored parts of Shiloh such as the terrain, the actual route of Lew Wallace's march, and post-battle developments that affect currently held perceptions of thatfamed clash between Union and Confederate armies in West Tennessee. Studying Shiloh should alert readers and historians to the likelihood of misconceptions in other campaigns and wars—including today's military conflicts. By reevaluating aspects of the Battle of Shiloh often ignored by military historians, Smith's book makes significant steps toward a more complete understanding and appreciation of the Shiloh campaign in all of its ramifications. Timothy B. Smith teaches history at the University of Tennessee, Martin. His most recent books include The Golden Age of Battlefield Preservation: The Decade of the 1890s and the Establishment of America's First Five Military Parks, Mississippi in the Civil War: The Home Front, and Corinth 1862: Siege, Battle, Occupation.
