Slave Training-Mistress Dede 2015-03-11 Domination and submission: perhaps you're aware of it from Fifty Shades of Grey, or perhaps you're a seasoned practitioner; whatever your experience level and expectations, this guide will provide you with a step-by-step blueprint of exactly what you will need to do in order to train your submissive partner(s), and have him/her* delighting in obeying your every command. In this guide you will learn about all of the steps which are conducive towards developing a positive Dom/sub relationship, which means you'll be learning about how to prepare a Domination and submission relationship in the first place; the protocols which you may use to maintain discipline in your sub; practices for physical, sexual and attitude submission; how you and your sub can use rituals to get into and out of your roles when engaging in D/s scenes; and there will even be some more advanced techniques mixed in throughout the guide which will help you take your Domination and submission experience to the next level. Without further ado, let's begin.

Sex Slave Training-Mark Moore 2018-07-31 By reading this book (Sex Slave Training) you will get first-hand knowledge about BDSM including playing the submissive role and the dominant role. You will discover the beauty of BDSM and realize it is not at all about just being punished. BDSM is something beautiful, a symbiosis of trust among two or more people! Imagine... Laying in your bed, blindfolded by your partner, totally out of your control... Living out all your sexual fantasies, with toys and safe words... Not worrying about being judged or come across as weird when you talk openly about your experiences... And take your sex life to a dimension you only could dream of... In this book, you will learn: - What is BDSM? - The BDSM lifestyle - BDSM without pain - Questions and answers about BDSM - Domination and submission - The art of good sex - How to sexually satisfy any woman and make her addicted to you - Steps to make your man your sex slave And lots more. Learn your fantasies about playing the submissive or dominant role with your partner, how to bring that to the table without being judged or put the relationship at risk. And lots more. Grab yourself a copy and transform your sex life today! Buy with one-click now!

Miss Abernathy's Concise Slave Training Manual-Christina Abernathy 1998-04-01 Concise Slave Training Manual Down-to-earth information about how consensual owner-and-slave relationships really work. Detailed suggestions for agreements on service, sex, symbols of ownership like collars and marks, rewards, punishments, contracts, and much more.

Master Nage's Guide To Training Consensual Slaves-Master Nage 2005-01-01 An entertaining and informative look at Dominance and submission, from finding the right slave to keeping a collar around her neck. If you think it doesn't take work to keep a slave, you've never tried it. Learn from an experienced Master who lives the lifestyle--from both his triumphs and his mistakes. You'll never look at Dominance and submission the same way again. Master Nage is a real life Master, practicing D/s (Dominance/submission) since 1992. He moved to Hobart Tasmania in 2003 to be with his slave dana, who he subsequently married. Master Nage writes full time. He writes erotica, science fiction, fantasy and informational books and articles on D/s.

Training with Miss Abernathy-Christina Abernathy 1998-07 A comprehensive manual for those who are, or wish to be, erotic slaves.

Your Slave Training Begins-Mistress Evelyn 2017-01-10 Mistress Evelyn is seeking a few good submissive men who want to learn the fine art of male submission and self-control. In this slave training book, she teases and leads guys through six different erotic training sessions revolving around the theme of

obedience. The main character of the book is the reader! Regardless of if you choose to participate in just your imagination or you decide to make the fantasy a little more realistic - the scene is set for some kinky fun and entertainment. Adult Warning: This manual & workbook is for adults only. It is for submissive men or men that have submission fantasies. Women who want to learn how to dominate a man can benefit from reading this book too. All they have to do is use the training sessions as ideas for their play sessions. The Dominant's Guide to Owning and Training a Sex Slave [Club Libertine 6] (Siren Publishing Everlasting Classic)-Diane Leyne

Dom's Guide to BDSM Training-Mistress Dede 2016-05-02 Sex. This is one, if not the most, wonderful gift that humans were bestowed with. Just imagine the world without the gift of sexual activity between opposite sexes? There could have been an absence of this pleasurable experience that everyone in the right age enjoys. While everyone seems to view sexual intercourse as a kind of activity that is supposed to be regarded with respect and conservatism, some people have gone out of their way and formed a new orientation about it. To some, sexual activity is no longer an act of sacred human reproduction but a way of executing creativity and expression of unexplainable behaviors and attitudes. Specifically, this book focuses on BDSM. What does BDSM stand for? What does the whole term mean? Why is there such a thing as BDSM training? All these and more questions will be answered as you continue reading this entire book.

Kerberos-Jason Garman 2003 Kerberos, the single sign-on authentication system originally developed at MIT, deserves its name. It's a faithful watchdog that keeps intruders out of your networks. But it has been equally fierce to system administrators, for whom the complexity of Kerberos is legendary. Single sign-on is the holy grail of network administration, and Kerberos is the only game in town. Microsoft, by integrating Kerberos into Active Directory in Windows 2000 and 2003, has extended the reach of Kerberos to all networks large or small. Kerberos makes your network more secure and more convenient for users by providing a single authentication system that works across the entire network. One username; one password; one login is all you need. Fortunately, help for administrators is on the way. Kerberos: The Definitive Guide shows you how to implement Kerberos for secure authentication. In addition to covering the basic principles behind cryptographic authentication, it covers everything from basic installation to advanced topics like cross-realm authentication, defending against attacks on Kerberos, and troubleshooting. In addition to covering Microsoft's Active Directory implementation, Kerberos: The Definitive Guide covers both major implementations of Kerberos for Unix and Linux: MIT and Heimdal. It shows you how to set up Mac OS X as a Kerberos client. The book also covers both versions of the Kerberos protocol that are still in use: Kerberos 4 (now obsolete) and Kerberos 5, paying special attention to the integration between the different protocols, and between Unix and Windows implementations. If you've been avoiding Kerberos because it's confusing and poorly documented, it's time to get on board! This book shows you how to put Kerberos authentication to work on your Windows and Unix systems.

The Way of the Pleasure Slave-Andrew James 2019-08

Incidents in the Life of a Slave Girl-Harriet Jacobs 2020-10-06 "This may be the most important story ever written by a slave woman, capturing as it does the gross indignities as well as the subtler social arrangements of the time."-Kirkus Review "Of female slave narratives, Harriet Jacobs's Incidents in the Life of a Slave Girl, Written by Herself is the crowning achievement. Manifesting a command of rhetorical and narrative strategies rivaled only by that of Frederick Douglass, Jacobs's autobiography is one of the major works of Afro-American literature"-Henry Louis Gates, Jr. Incidents In the Life of a Slave Girl, the autobiography of Harriet Jacobs, was initially written with the intention of illuminating white abolitionists to the appalling treatment of female slaves in the pre-Civil War South of the United States. The book was later rediscovered in the 1960's, and it was not until the 1980s that it was proved to be an extraordinary work of autobiographical memoir as opposed to fiction. In this astonishing book, Harriet Jacobs uses the pseudonym of Linda Brent to recount her story as a slave, a mother, and her eventual escape to the north. Born into a relatively calm life as a young child to slaves, she is taken into the care of a kind mistress when her mother dies. Linda is taught to read and write, and is generally treated with respect. When the mistress passes away Linda is handed over to Dr. Flint. He is a negligent and cruel new master who subsequently pressures Linda for sexual favors, yet she resists his demands for years. In an attempt to circumvent the situation, Linda enters into a relationship with Mr. Sands, a white neighbor who ends up fathering her two children. Expecting that she and her children will be sold to Mr. Sands, Dr. Flint instead decides to subject them to further degradation. Linda escapes and goes into hiding in a small attic, and her children are eventually sold to Mr. Sand. For over seven years, Linda remains in hiding, until she ultimately escapes North to be reunited with her children. Incidents In the Life of a Slave Girl is a

devastating yet empowering document that uniquely focuses on the psychological and spiritual effects that bondage had on women slaves and their families. With an eye-catching new cover, and professionally typeset manuscript, this edition of *Incidents in the Life of a Slave Girl* is both modern and readable.

Erotic Slavehood-Christina Abernathy 2011-06-28 In 1996, Christina Abernathy condensed her considerable wisdom and experience on the topic of consensual erotic owner/slave relationships into a slim, elegant little manual: *Miss Abernathy's Concise Slave Training Manual*. In 1998, in response to consumer demand, she laid out a detailed program for training the erotic slave in various aspects of service, obedience and proper values, and published it as *Training With Miss Abernathy*. With more than 30,000 copies in print, these two books have become essential guidebooks to practitioners of consensual dominance and submission. Now, for the first time, they are available in a single, deluxe volume. Featuring a foreword by famed erotic author Laura Antoniou (creator of the "Marketplace" series), and with updated resources and references, *Erotic Slavehood* will take its place among the basic BDSM reference manuals for anyone with an interest in erotic dominance, submission, slavehood or mastery.

The Program-Alexi Lutz 2016-12-01 Jena, a voluptuous twenty-something, falls freely and innocently into an intricate web of submission. Michael, rich and handsome has to decide between her and Brenda, an older, sophisticated beauty who he works with. It's complicated. This full length book of 200 pages perfectly captures a developing BDSM erotic triangle that seems much like the perfect orgasm! It starts slowly with erotica and exhibitionism rising to a fever pitch of wickedness and betrayal that will leave you breathless. How does an innocent first-time submissive experience grow into a life encompassing sex slave role? Find out how "The Program" does it!! This is not part of a series and will leave you completely satisfied. Advisory: This book is for a mature audience only and depicts scenes that might be deemed offensive.

Dom's Guide To BDSM Vol. 1-Matthew Larocco 2015-08-19 Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

Submissive Training [Doms and Acquaintances 2]-Jennifer Denys [Siren Allure: Erotic Consensual BDSM Romance, M/F with M/F/M and F/F elements, public exhibition, spanking, whipping, caning, shaving, piercing, sex toys, HEA] Desperate for Dominant Ben to show an interest in her, Kat is persuaded by a friend to attend a beginners submissive and BDSM training conference in the hope of finding out how to attract him. She is shocked to find he is one of the trainers. Meanwhile, Ben doesn't think she is submissive enough for him and conceives of increasingly intimate tasks to prove he is right, despite admiring her courage in staying. As the conference progresses, Kat is fascinated by what she learns and completes each task, hoping all the while to convince him of her submissiveness—although some tasks she finds more difficult than others. Confused by his growing feelings for her, Ben keeps pushing her away until her tenacity finally wears him down and he insists on her taking a final exam to prove herself. Is this a step too far for Kat? ** A Siren Erotic Romance

The Roman Guide to Slave Management-Jerry Toner 2014-09-04 Having spent most of his life managing his servants—many of them prisoners from Rome's military conquests—he decided to write a kind of owner's manual for his friends and countrymen. The result, *The Roman Guide to Slave Management*, is a sly, subversive guide to the realities of servitude in ancient Rome. Cambridge scholar Jerry Toner uses Falx, his fictional but true-to-life creation, to describe where and how Romans bought slaves, how they

could tell an obedient worker from a troublemaker, and even how the ruling class reacted to the inevitable slave revolts. Toner also adds commentary throughout, analyzing the callous words and casual brutality of Falx and his compatriots and putting it all in context for the modern reader. Written with a deep knowledge of ancient culture—and the depths of its cruelty—this is the Roman Empire as you’ve never seen it before.

Submissive Training-Elizabeth Cramer 2015-03-05 Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn’t just a “good idea” when it comes to creating a BDSM relationship. It is essential. "Submissive Training: 23 Things You Must Know About How To Be A Submissive" is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive’s experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to “get in the same rhythm” and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace.

Slave Heart-Nage Archer 2008-04-01 Sandra Castilla is about to discover her true self if she can survive that long. Sandra Castilla had never taken a chance in her life until she dreamt of her sister's murder. Driven by forces she couldn't begin to understand, Sandra finds herself thousands of miles from home, about to infiltrate a dark BDSM cult known as the Taleans. Loved by one man and hopelessly attracted to another, Sandra is plunged into a hidden world where the first wrong move could be her last. A powerful romantic suspense that will keep you on the edge of your seat to the very last page. Winner of the Enda Award for the Year's Best Erotic Read, a gold star from Just Erotic Romance Reviews and a reviewer's Choice Award from Road to Romance, join Sandra Castilla on an unforgettable journey of self discovery. This book has been previously published. Warning, this title contains the following: explicit sex, graphic language, violence, and scenes of dominance and submission.

The Dominatrix Manual-Mistress Dede 2015-02-13 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

SlaveCraft-Guy Baldwin 2002-04 Guy Baldwin, a well-known psychotherapist, offers an insightful account of the Slave/Master dynamic. Co-authored by a grateful slave, Slavecraft gives us an intimate and revealing view from a rare perspective. The result is a book that is resourceful, thought provoking and sexually charged. This book is unique, and brilliantly so, shedding new clarity upon the area of human sexuality considered murky or misguided by most.' - Mark Thompson, editor Leatherfolk'

JBoss: Developer's Guide-Elvadas Nono Woguia 2017-08-31 Build your own enterprise applications and integration flows with JBoss and its products About This Book Build fast, smart, and flexible applications using JBoss Couple one or more JBoss products to effectively solve various business problems Explore the

JBoss product ecosystem for improving the performance of your projects Who This Book Is For If you are a Java developer who wants to have a complete view of the JBoss ecosystem or quickly explore a specific JBoss Product, then this is the book you want. Integrators and consultants, familiar with JBoss, who want integrate several JBoss products within their ongoing project will also find this book useful. What You Will Learn Create new applications or integrate existing systems with JBoss products Setup and manage a JBoss domain Setup and manage a JBoss Fuse cluster with Fabric and Apache Karaf Create and deploy OSGi applications on JBoss Fuse containersv Manage enterprise data with JBoss Datagrid Aggregate various data sources with JBoss Data virtualization to offer data as a service Optimize your business and workflows with both JBoss Business RulesManagement System and JBoss Business Process Management platforms. In Detail Have you often wondered what is the best JBoss product to solve a specific problem? Do you want to get started with a specific JBoss product and know how to integrate different JBoss products in your IT Systems? Then this is the book for you. Through hands-on examples from the business world, this guide presents details on the major products and how you can build your own Enterprise services around the JBoss ecosystem. Starting with an introduction to the JBoss ecosystem, you will gradually move on to developing and deploying clustered application on JBoss Application Server, and setting up high availability using undertow or HA proxy loadbalancers. As you are moving to a micro service architecture, you will be taught how to package existing Java EE applications as micro service using Swarm or create your new micro services from scratch by coupling most popular Java EE frameworks like JPA, CDI with Undertow handlers. Next, you will install and configure JBoss Data grid in development and production environments, develop cache based applications and aggregate various data source in JBoss data virtualization. You will learn to build, deploy, and monitor integration scenarios using JBoss Fuse and run both producers/consumers applications relying on JBoss AMQ. Finally, you will learn to develop and run business workflows and make better decisions in your applications using Drools and Jboss BPM Suite Platform. Style and Approach The book works through the major JBoss products, with examples and instructions to help you understand each product and how they work together.

Becoming a Slave-Jack Rinella 2005 Becoming a Slave is an authoritative, and well-documented book on the process of finding and submitting to a dominant. Beginning with a description of terms and the characteristics to be found in a master and in a slave, the book continues with how one realizes and understands their own desire to submit and serve, proceeds to the process of advertising, searching, meeting, and interviewing prospective masters, and ends with a great deal of practical advice on submitting, serving, and satisfying a dominant in a healthy and practical way.

A Perfect Dom's Guide to BDSM Relationships-Mistress Dede 2016-06-05 This is a step-by-step guide for dominants who want to train their submissives the right way. Submissive training is only effective when you have the right techniques to do it. So if you are a master or dominant who is currently in a BDSM relationship, you can get helpful tips from this eBook. Learn the best way on how to keep your submissive happy and contented with anything you give them. Understanding and implementing the BDSM lifestyle can be hard when you don't have the right support. If you simply want to know more about dominant-submissive relationship, this is the best solution for you. Know and identify your desires and get the pleasure that you always deserve from this rare connection. Owning and helping a consensual slave is not that easy because you need knowledge in training them to act like one. The rules should be strictly implemented once the submissive agree to the contract. However, there will be punishments when a rule is broken intentionally or not. This is why it's very important that you educate your consensual slave with all the necessary details as they will be held responsible for every act that they do. The terms consensual, sane and safe are actually the keystones of carefully practicing such lifestyle.

SAP NetWeaver MDM 7.1 Administrator's Guide-Uday Rao 2011-09-21 Don't just manage? Excel at managing your master data with SAP NetWeaver MDM 7.1 using this book and eBook.

BDSM Basics for Beginners - A Guide for Dominants and Submissives Starting to Explore the Lifestyle-Michelle Fegatofi

The Ritual of Dominance and Submission-David English 2012-07-06 Within these pages lay the elusive secrets to defining structure and ritual to alternative dominant/submissive and master/slave lifestyle dynamics within your personal life or your community. You will find a definitive resource for building, practicing and maintaining rituals and protocols within your relationship or group, without having to go join a secret society, or convincing someone to mentor you on their private secrets for success.

Unfit to Be a Slave-David Greene 2015-02-03 Out of over 40 years of experience in adult or worker education, David Greene brings us tools to develop consciousness and leadership for social change. Based on the power of our huge working class to understand this economic system and to organize, this book

aims to empower educators, students and other workers with science applied to solving the serious social problems we face today. We are confronted with the issues of low-wage, part-time and temporary jobs, inadequate housing, health care, and transportation, inequality and injustice, at the same time as the greatest concentration of wealth in human history. The disparity of wealth and control has never been greater. The only way out of this deepening crisis is through education. To change this we need understanding that is based on the clearest reflection of the real world. *Unfit to Be a Slave* employs the tools of theory and informed practice, to guide us to create spaces to share experience, study history's lessons and develop consciousness. As a collective and organized force we can transform our communities, our countries and our world. Mythologies that tell people, 'Things don't change,' 'We can't do anything,' or 'It has always been this way,' prevent poor and working class populations from taking necessary action on behalf of their own lives and families. *Unfit to Be a Slave* is meant to be a guide to education for social change.

Farming While Black-Leah Penniman 2018-10-30 In 1920, 14 percent of all land-owning US farmers were black. Today less than 2 percent of farms are controlled by black people--a loss of over 14 million acres and the result of discrimination and dispossession. While farm management is among the whitest of professions, farm labor is predominantly brown and exploited, and people of color disproportionately live in "food apartheid" neighborhoods and suffer from diet-related illness. The system is built on stolen land and stolen labor and needs a redesign. *Farming While Black* is the first comprehensive "how to" guide for aspiring African-heritage growers to reclaim their dignity as agriculturists and for all farmers to understand the distinct, technical contributions of African-heritage people to sustainable agriculture. At Soul Fire Farm, author Leah Penniman co-created the Black and Latinx Farmers Immersion (BLFI) program as a container for new farmers to share growing skills in a culturally relevant and supportive environment led by people of color. *Farming While Black* organizes and expands upon the curriculum of the BLFI to provide readers with a concise guide to all aspects of small-scale farming, from business planning to preserving the harvest. Throughout the chapters Penniman uplifts the wisdom of the African diasporic farmers and activists whose work informs the techniques described--from whole farm planning, soil fertility, seed selection, and agroecology, to using whole foods in culturally appropriate recipes, sharing stories of ancestors, and tools for healing from the trauma associated with slavery and economic exploitation on the land. Woven throughout the book is the story of Soul Fire Farm, a national leader in the food justice movement. The technical information is designed for farmers and gardeners with beginning to intermediate experience. For those with more experience, the book provides a fresh lens on practices that may have been taken for granted as ahistorical or strictly European. Black ancestors and contemporaries have always been leaders--and continue to lead--in the sustainable agriculture and food justice movements. It is time for all of us to listen.

Dom's Guide to Submissive-Elizabeth Cramer 2013-12 You may think that every Master has a huge house filled with either gothic décor or fluffy white couches, and a ridiculously full selection of paddles, straps, whips, crops, restraints, sex toys, and bondage gear. Fortunately, you don't have to pay a hundred dollars for a specialty flogger or purchase a wedge from Extreme Restraints for three hundred bucks in order to be a great Dom and provide your sub with hours of bondage, spanking and fun. Most of the things you need to give your submissive the spanking of a lifetime, a punishment to fit the crime, or just an incredible bondage experience can be found right in your own home. Your sub will not only enjoy the variety of experiences in her sessions but also appreciate your creativity. "*Dom's Guide to Submissive Training Vol. 3*" gives you 31 common objects you already own or can purchase for minimal cost and keep right out in the open that will enhance your BDSM relationship and provide you and your sub hours of pleasure. Aside from the cost savings, there is another benefit to using everyday objects in your BDSM training and session fun - discretion. Not every person can be seen walking down the street or through an airport with a leather whip in his hand or a wooden paddle in his bag. Many Doms must conceal their activities from employers, social circles, or vanilla spouses. Common objects make it easier to engage in important rituals without detection.

The Heart of Dominance-Anton Fulmen 2016-07-15 *The Heart of Dominance* is a how-to guide to the concepts and skills at the heart of consensual dominance. If you are new to dominance, still figuring out just what it's all about or what you want it to mean to you, then this book will provide you with a solid foundation from which to start. If you already practice dominance and are interested in improving your ability to create deep and lasting power dynamics then you'll find many advanced concepts and concrete techniques to integrate into your own personal style. If you have an interest in the bedrock principles of inspiring, deepening, maintaining and enjoying control over a person who dearly, desperately wants you to

control them, then this book is for you.

The New Bottoming Book-Dossie Easton 2011-06-09 Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottoming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

That Most Precious Merchandise-Hannah Barker 2019-09-27 The history of the Black Sea as a source of Mediterranean slaves stretches from ancient Greek colonies to human trafficking networks in the present day. At its height during the fourteenth and early fifteenth centuries, the Black Sea slave trade was not the sole source of Mediterranean slaves; Genoese, Venetian, and Egyptian merchants bought captives taken in conflicts throughout the region, from North Africa, sub-Saharan Africa, the Balkans, and the Aegean Sea. Yet the trade in Black Sea slaves provided merchants with profit and prestige; states with military recruits, tax revenue, and diplomatic influence; and households with the service of women, men, and children. Even though Genoa, Venice, and the Mamluk sultanate of Egypt and Greater Syria were the three most important strands in the web of the Black Sea slave trade, they have rarely been studied together. Examining Latin and Arabic sources in tandem, Hannah Barker shows that Christian and Muslim inhabitants of the Mediterranean shared a set of assumptions and practices that amounted to a common culture of slavery. Indeed, the Genoese, Venetian, and Mamluk slave trades were thoroughly entangled, with wide-ranging effects. Genoese and Venetian disruption of the Mamluk trade led to reprisals against Italian merchants living in Mamluk cities, while their participation in the trade led to scathing criticism by supporters of the crusade movement who demanded commercial powers use their leverage to weaken the force of Islam. Reading notarial registers, tax records, law, merchants' accounts, travelers' tales and letters, sermons, slave-buying manuals, and literary works as well as treaties governing the slave trade and crusade propaganda, Barker gives a rich picture of the context in which merchants traded and enslaved people met their fate.

Slave Scripture-Norman McClelland 2018-03-21 When a man or a woman decides to enter a relationship in which he or she surrenders his or her will to another person, there is automatically the potential for exploitation and even abuse. This can actually go both ways. A major way of preventing one side from taking unfair and even dangerous advantage of the other side is to establish not just rules but also an elaborate code of behavior or protocol that specifies the exact rights of each party. This is formally done with a master-slave contract. It may seem strange that a slave has rights, but this is a voluntary enslavement, which means this person continues to be safeguarded by the Thirteenth Amendment to the US Constitution (1865), which abolished involuntary servitude.

Submissive Punishment: A Journal for Every Dom to Keep Track of Your Sub/Slave Punishments / Perfect for BdsM Relationships and Slave Trainin-Kinky Books 2019-03-24 Even - or especially - as a Dom you need to keep track of the punishment of your slave or submissive as well as the goals and lessons of your training. A Dom's Guide to Training a Sub-Mistress Dede 2016-11-04 The power, the satisfaction, and the intense rush of domination that goes through your body when your submissive bows to your will cannot be compared to any other thing in this world. This book is every Dom's guide to training a submissive. It contains various guidelines and strategies on how a Dom can get the best of the relationship. As you read through, keep in mind that dominance and submission are simply one part of BDSM. It advances into a wider spectrum which includes sadism, bondage, discipline, and masochism as well. However, the focus of this book is submissive training.

HP-UX: HP Certification Systems Administrator, Exam HP0-A01 - Training Guide and Administrator's Reference, 3rd Edition-Asghar Ghori 2008-08-15 This book contains 36 chapters and is structured to facilitate readers to grasp concepts, understand implementation procedures, learn command syntax, configuration files and daemons involved, and understand basic troubleshooting. The 36 chapters are divided into three key areas: UNIX Fundamentals, HP-UX System Administration and HP-UX Network Administration. These chapters cover topics that are on HP's recommended certification courses - UNIX Fundamentals, System and Network Administration I, System and Network Administration II, and HP-UX for Experienced UNIX System Administrators - as well as on official exam objectives list. 1. UNIX Fundamentals (chapters 1 to 6, and 22) covers the basics of UNIX and HP-UX. Most information is not specific to a particular UNIX flavor, rather, includes general UNIX concepts, file manipulation and security techniques, vi editor, shell and awk programming, basic commands and other essential topics. Unlike many other similar books, a chapter on shell scripting is presented after covering HP-UX System Administration area. This is done purposely to provide readers with practical examples based on the knowledge they gain from UNIX Fundamentals and HP-UX System Administration chapters. 2. HP-UX System Administration (chapters 7 to 21) covers the HP-UX-specific system administration concepts and topics including server hardware information and mass storage stack; virtualization technologies and HP-UX installation; software and patch management; user and group administration; LVM and file system administration; EVFS and swap management; system shutdown and startup procedures; kernel configuration and management techniques; backup and restore functions; printer and print request management, job automation and process control; and system logging and performance monitoring. 3. HP-UX Network Administration (chapters 23 to 36) covers HP-UX network and security administration concepts and topics such as OSI and TCP/IP reference models; network hardware overview and LAN interface administration; IP subnetting and routing techniques; basic network testing and troubleshooting; internet services and sendmail; time synchronization (NTP) and resource sharing (NFS, AutoFS and CIFS) services; naming (DNS, NIS and LDAP) services and automated installation techniques; and high-availability concepts and system security tools and practices. Throughout the book figures, tables, screen shots and examples are given for explanation purposes. The book includes 863 exam review questions with answers.

A Guide to Training Your Slave-Marcus Sidonius Falx 2013-07 Ancient slavery is a difficult phenomenon for the modern individual to understand. Based on authentic sources from the Greek and Roman world, 'A Guide to Training Your Slave' offers an accessible introduction to the mind of an ancient slave owner.

Post Traumatic Slave Syndrome-Joy a Degruy 2017-09-11 In the 16th century, the beginning of African enslavement in the Americas until the ratification of the Thirteenth Amendment and emancipation in 1865, Africans were hunted like animals, captured, sold, tortured, and raped. They experienced the worst kind of physical, emotional, psychological, and spiritual abuse. Given such history, isn't it likely that many of the enslaved were severely traumatized? And did the trauma and the effects of such horrific abuse end with the abolition of slavery? Emancipation was followed by one hundred more years of institutionalized subjugation through the enactment of Black Codes and Jim Crow laws, peonage, convict leasing, domestic terrorism and lynching. Today the violations continue, and when combined with the crimes of the past, they result in yet unmeasured injury. What do repeated traumas, endured generation after generation by a people produce? What impact have these ordeals had on African Americans today? Dr. Joy DeGruy, answers these questions and more. With over thirty years of practical experience as a professional in the mental health field, Dr. DeGruy encourages African Americans to view their attitudes, assumptions, and behaviors through the lens of history and so gain a greater understanding of how centuries of slavery and

oppression have impacted people of African descent in America. Post Traumatic Slave Syndrome helps to lay the necessary foundation to ensure the well-being and sustained health of future generations and provides a rare glimpse into the evolution of society's beliefs, feelings, attitudes and behavior concerning race in America.

Gratifying Domination and Submissive Contentment-Mistress Scarlet 2017-06-23 This manual will work for any gender of dominant and submissive. In section 1: A chapter for submissives who wish to find a dominant partner or to influence their existing partner to become dominant. A chapter for people who have a submissive partner and wish to tentatively explore dominating that partner. A chapter for dominants, including the very experienced, who wish to maximise the pleasure and benefits for themselves and at the same time, maximise the contentment of their submissive. Advice on managing that tricky balance between vanilla activity and domination activity. In section 2: a myriad of ideas, suggestions and techniques to explore, including advice and suggestions on: The use of different punishment implements. A multitude of physical torments, and humiliation and degradation activities. A multitude of tips and ideas to incorporate in each of the five most popular enforced role plays. Page 5 provides opinions of my expertise from many followers of my blogs and published journals.
