Society-John J. Macionis 2021 "Wow, what a difference a couple of years makes. Never before in my lifetime (and I have been around the block more times than I care to admit) has there been so much debate and outright disagreement about the state of our society. People are lining up on one side or another regarding immigration, climate change, jobs, the role of government, health care, terrorism, threats to democracy, reproductive rights, and the high cost of higher education. If consensus seems elusive, keep in mind that even the idea of truth is under attack, with people disagreeing not only over the facts but also whether there is such a thing as objective truth and real news. Many of us feel angry, afraid, and overwhelmed. In such a situation, what are we to do? To answer this question, we might turn for inspiration to the wisdom offered more than sixty years ago by C. Wright Mills. When we feel our lives spinning out of control, when we are caught up in changes and challenges that threaten to overwhelm us, Mills suggested that we recognize that our personal problems are rooted in social forces that are bigger than we are. By turning our attention to larger social patterns-in short, by making use of the sociological imagination-we gain a deeper understanding of what's really going on and why. Using the sociological perspective, we draw insight and also gain power because we are now confronting the source of our distress. Focusing on how society operates, we are able to join together with others to change society and, in the process, transform ourselves. For more than 150 years, sociologists have been working to better understand how society operates. As sociologists, we do not arrogantly imagine that we have all the answers, but we are confident that we have learned quite a lot that we can share with others. To our students, we offer an introduction to the fascinating and very practical study of the social world. Our invitation is to learn what we have learned and consider appropriate paths of action. After all, as we come to know our world, we have the responsibility to do all we can to improve it. Society: The Basics, Fifteenth Edition Update, provides you with a comprehensive understanding of how this world works. You will find this title informative, engaging, and even entertaining. Before you have finished the first chapter, you will discover that sociology is both enlightening and useful, and it is also a great deal of fun. Sociology is a field of study that can change the way you see the world and open the door to many new opportunities. What could be more exciting than that?"--

Society - Revel Access Code-John J. Social Problems-John J. Macionis 2017-01-18 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Frame social problems, and identify solutions, through the lens of politics. Always controversial, and ever more polarizing in today's political climate, social problems take up a huge chunk of our cultural bandwidth. Rather than simply presenting social problems as a series of facts, the sixth edition of Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis explains why people disagree about what the problems are, and how one person's "problem" may well be another's "solution." Once you understand how social problems are defined politically, you'll be able to develop your own positions, and you'll have the knowledge you need to engage in solving social problems through activism and political discussion

Seeing Ourselves : Classic, Contemporary, and Cross-cultural Readings in Sociology-John J. Macionis 2006-03

Social Problems-JOHN J. MACIONIS 2019-06

Strategic Management-John A. Parnell 2013-01-15 In Strategic Management: Theory and Practice, Fourth Edition, John A. Parnell leads readers through detailed, accessible coverage of the strategic management field. Concise and easy to understand chapters address concepts sequentially, from external and internal analysis to strategy formulation, strategy execution, and strategic control. Rather than relegating case analysis to a chapter at the end of the book, Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest real-time cases, largely drawn from The Wall Street Journal and Financial Times, illustrate the key role of strategic management in the United States and around the world.

Society-John J. Macionis 2012-06-27 See Sociology in everyday life on every page! Society: The Basics is designed to help students view their everyday lives through a sociological lens. Its strong theoretical framework emphasizes functionalism, symbolic interactionism, and conflict theory as well as discussing other approaches. The text celebrates diversity through its inclusive approach and global perspective. The Fifth Canadian Edition includes current statistical data, a more student friendly approach with a new interior design and annotations to assist with comprehension. MySocLab is not included with the purchase of this product. Important Notice: The digital edition of this book is missing some of the images found in the physical edition.

Social Problems-John J. Macionis 2005 Macionis's Social Problems is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. & This text helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, students are able to & become involved in solving social problems through activism and political involvement.

Sociology-Henry Borne 1997

Social Problems-John J. Macionis 2012-10-12 Frames social problems and solutions through politics. Macionis's book is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. The Real World-Kerry Ferris 2018 "In every chapter, Ferris and Stein use examples from everyday life and pop culture to draw students into thinking sociologically and to show the relevance of sociology to their relationships, jobs, and future goals. Data Workshops in every chapter give students a chance to apply theoretical concepts to their personal lives and actually do sociology.

The Guernsey Literary and Potato Peel Pie Society (Random House Reader's Circle Deluxe Reading Group Edition)-Annie Barrows 2011-12-12 This new deluxe eBook edition of The Guernsey Literary and Potato Peel Pie Society features more than eighty additional pages of exclusive, author-approved annotations throughout the text to enrich your reading experience. You can access the eBook annotations with a simple click or tap on your eReader via the convenient links. Access them as you read the novel or as supplemental material after finishing the entire story. There is also Random House Reader's Circle bonus content, sure to inspire discussion at book clubs everywhere. A runaway New York Times bestseller that was named one of the ten best books of the year by Time and USA Today, The Guernsey Literary and Potato Peel Pie Society has captivated readers around the world. Told with warmth and humor in a series of letters, this is a tale of finding connection in the most unexpected places. January 1946: As London emerges from the Second World War, writer Juliet Ashton is looking for her next book subject. Who could imagine that she would find it in a letter from a man she's never met, a native of Guernsey, the British island once occupied by the Nazis? As Juliet begins a remarkable correspondence, she is drawn into the world of this man and his friends, all members of the Guernsey Literary and Potato Peel Pie Society, a book club formed to protect its members from arrest by the Germans. Through their letters, she learns about their island, their taste in books, and the powerful, transformative impact the Occupation has had on their lives. Captivated by their stories, she sets sail for Guernsey. What she finds there will change her forever.

Sociology-John J. Macionis 2013-02-07 Sociology: a global introduction represents a uniquely co-ordinated and complete learning resource for sociology students worldwide. International in outlook and culturally wide-ranging, it also reminds us that sociology is valuable. Unrivalled in breadth, it is a text of passion and sophistication helping you become an active, connected and critical learner.

Sociology, Ninth Canadian Edition, Loose Leaf Version-John J. Macionis 2017-11-13

Heartland-Sarah Smarsh 2019-09-03 *Finalist for the National Book Award* *Finalist for the Kirkus Prize* *Instant New York Times Bestseller* *Named a Best Book of the Year by NPR, New York Post, BuzzFeed, Shelf Awareness, Bustle, and Publishers Weekly* An essential read for our times: an eye-opening memoir of working-class poverty in America that will deepen our understanding of the ways in which class shapes our country and "a deeply humane memoir that crackles with clarifying insight".* Sarah Smarsh was born a fifth generation Kansas wheat farmer on her paternal side, and the product of generations of teen mothers on her maternal side. Through her experiences growing up on a farm thirty miles west of Wichita, we are given a unique and essential look into the lives of poor and working class Americans living in the heartland. During Sarah's turbulent childhood in Kansas in the 1980s and 1990s, she enjoyed the freedom of a country childhood, but observed the painful challenges of the poverty around her; untreated medical conditions for lack of insurance or consistent care, unsafe job conditions, abusive relationships, and limited resources and information that would provide for the upward mobility that is the American Dream. By telling the story of her life and the lives of the people she loves with clarity and precision but without judgement, Smarsh challenges us to look more closely at the class divide in our country. Beautifully written, in a distinctive voice, Heartland combines personal narrative with powerful analysis and cultural commentary, challenging the myths about people thought to be less because they earn less. "Heartland is one of a growing number of important works—including Matthew Desmond's Evicted and Amy Goldstein's Janesville—that together merit their own section in nonfiction aisles across the country: America's postindustrial decline...Smarsh shows how the false promise of the 'American dream' was used to subjugate the poor. It's a powerful mantra" *(The New York Times Book Review).

Revel for Social Problems -- Access Card-John J. Macionis 2017-05-11 Frame social problems, and identify solutions, through the lens of politics Revel(TM) Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis encourages students to develop their own positions, and helps them attain the knowledge they need to engage in solving social problems through activism and political discussion. The Seventh Edition offers coverage of a range of hot-button contemporary social problems -- from #BlackLivesMatter to increasing income inequality -- to help students see the relevance of this field of study to their own lives. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course.
