Sound Innovations-Bob Phillips 2012-06 Sound Innovations: Sound Development emphasizes playing with a characteristic beautiful sound. The components of producing this sound are broken into four levels, consistent with the revolutionary Sound Innovations structure: (1) Sound Tone, (2) Sound Bowings, (3) Sound Shifting, and (4) Sound Scales, Arpeggios, Chorales, and Rhythms. The levels can be used in the order that is best for your students, as individual warm-ups or as structured units. Your students will learn the proper use of the bow with the variables of tone, the next group of bowings needed for intermediate repertoire, and how to shift and play with vibrato. These skills will be reinforced with comprehensive scales, arpeggios, sight-reading materials, rhythm exercises, and warm-up chorales. Video demonstrations of key skills are referenced in the book and can be viewed online at [www.alfred.com/SoundDevelopmentVideo](http://www.alfred.com/SoundDevelopmentVideo). Sound Innovations for Concert Band - Ensemble Development-Alfred Publishing Staff 2012-06-01 Sound Innovations: Ensemble Development is a valuable resource for helping your students grow in their understanding and abilities as ensemble musicians. It contains 412 exercises, including more than 70 chorales by some of today's most renowned concert band composers. An assortment of exercises is grouped by key and presented in a variety of intermediate difficulty levels. Where possible, several exercises in the same category are provided to allow variety, while still accomplishing the goals of that specific type of exercise. You will notice that many exercises and chorales are clearly marked with dynamics, articulations, style, and tempo for students to practice those aspects of performance. Other exercises are intentionally left flexible for the teacher to determine how best to use them in facilitating and addressing the needs and goals of their ensemble. Whether your students are progressing through exercises to better their technical facility, or challenging their musicianship with beautiful chorales, this book can be used after any band method or as a supplement to performance music. Contains chorales composed by Roland Barrett, Andrew Boysen, Ralph Ford, Rossano Galante, Robert Sheldon, Todd Stalter, Randall Standridge, and Michael Story. This title is available in SmartMusic.

Using Technology to Unlock Musical Creativity-Scott Watson 2011-07-28 It has never been easier or more fun for students to compose, improvise, arrange, and produce music and music-related projects than with today's technology. Written in a practical, accessible manner, Using Technology to Unlock Musical Creativity offers both a framework for and practical tips on the technology tools best suited for encouraging students' authentic musical creativity. Author Scott Watson makes a compelling case for creativity-based music learning through eight teacher-tested principles that access, nurture, and develop students' potential for musical expression. Example after example illustrates each principle in a variety of music teaching and technology scenarios. Watson also includes practical ideas for technology-based creative music activities, locating lesson plans and other resources, and assessing creative work. The book provides detailed plans for dozens of attractive projects, each linked to MENC National Standards, and also offers suggestions for making adaptations according to grade level and technology proficiency. Additionally, it includes a valuable section of resources with tips for setting up a computer music workstation, a plain-language description of how digital audio works, and a music education technology glossary. Most of the activities described can be carried out by novice users with free or low-cost music applications. The book also features a comprehensive companion website with dozens of audio and video examples as well as many downloadable worksheets, rubrics, and activity files. Visit the companion website at [www.oup.com/us/musicalcreativity](http://www.oup.com/us/musicalcreativity).
