Topi Shukla-Rāhi Māsūma Razā 2005 Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is an intriguing story of two friends-one Hindu and the other Muslim. Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary prople trying to survive in asocieyt that insists on a brutal conformity of beahviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons. Language plays an important part in this narrative, operating almost as a character in itsown right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh withits very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow. Although it is set in theIndia of the 1960s, the communal tensions and issues portrayed in the novel make it just a s relevant to the troubled times we face today. This fascinating novel wil be of tremendous interest to the general reader, as well as to students of literature in translation, partition fiction, and socialhistory. The novel's engagement with intertextuality and metafiction will add to its interest for readers keen on literary theroy.

The Accidental Tourist-Anne Tyler 2015-05-05 #1 NEW YORK TIMES BESTSELLER "Incandescent, heartbreaking, exhilarating...One cannot reasonably expect fiction to be much better than this." —The Washington Post In this irresistible novel, Anne Tyler explores the slippery alchemy of attracting opposites, and the struggle to rebuild one's life after unspeakable tragedy. Travel writer Macon Leary hates travel, adventure, surprises, and anything outside of his routine. Immobilized by grief, Macon is becoming increasingly prickly and alone, anchored by his solitude and an unwillingness to compromise his creature comforts. Then he meets Muriel, an eccentric dog trainer too optimistic to let Macon disappear into himself. Despite Macon's best efforts to remain insulated, Muriel up-ends his solitary, systemized life, catapulting him into the center of a messy, beautiful love story he never imagined. A fresh and timeless tale of unexpected bliss, The Accidental Tourist showcases Tyler's talents for making characters—and their relationships—feel both real and magical. Look for Clock Dance, the charming new novel from Anne Tyler, available now.

Long Walk to Freedom-Nelson Mandela 2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life—an epic of struggle, setback, renewed hope, and ultimate triumph.

The Cabulīwālāh-Rabindranath Tagore 2014-12-25 Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of Gitanjali and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.

History of Modern India-Bipan Chandra 2009 History of Modern India presents an authoritative overview of the history of what was known as British India. The text is largely based on the author's research on nationalism and colonialism in India and also draws from the works of eminent historians of the period. Challenging and revising colonial and nationalist interpretations of history, this book moves away from a largely political narrative to a social, economic and religious history of modern India. It explains how conditions in India during the eighteenth century helped the British East India Company establish its rule in India. It also gives us important insights into the primary aim of colonial rule which was the economic exploitation of India through trade and investment. The topics are arranged thematically in order to showcase the various forces that went into the making of independent India. However, in the entire arrangement of themes, the chronology of the period is enmeshed innovatively with the various forces that evolved both as a cause and effect of British imperialist rule of the subcontinent. The book also provides a detailed account of the nationalist movement and introduces us to the contributions of different individuals who were behind the nationalist movement. A comprehensive textbook for students of history and interested readers, History of Modern India is essential reading for a broad based understanding of the making of modern India.
