This book chronicles the legendary machines such as the Knucklehead and the Four, as well as motorcycles like the Hummer and the Model CZ whose times came and went or, perhaps, never came at all. The racing history is also told with a flourish, from the days of total-loss oiling, wooden race tracks, and high mortality rates to the cataclysmic times of Class C racing, when roaring V-twin -powered beasts were manhandled on dirt tracks, asphalt, and through the nastiest terrain the country has to offer. The Harley-Davidson and Indian Wars tells the story of these two makers, from the days when Harley-Davidsons were built in the Davidson family's back yard to the tragic demise of the Indian Motorcycle company. Harley-Davidson and Philosophy-Bernard E. Rollin 2012-03-30 It's no wonder descriptions of riding often resemble the words of Asian mystics and Jedi knights: The ride causes your senses to open completely. You experience only the present, the now. Readers who prefer revving a Harley to meditating in a Zen garden know that biking is just as contemplative as chanting in the lotus position. Here, philosopher-bikers explore this seeming dichotomy, expounding on intriguing questions such as: Why are the motorcycles the real stars of Easy Rider? What would Marx and Foucault say about Harley riders' tight leather garb? What's it like to live a dual life as a philosophy professor who wrenches his own 1965 Electra Glide? Would Jesus hang out in a biker bar or a coffeehouse? And more importantly, would He ride a Harley or a Honda? These witty, provocative essays give readers and riders a new appreciation of what it means to become one with the road.
Gloria - A Lifetime Motorcyclist: 75 Years on Two Wheels and Still Riding-Gloria Struck 2018-03-08 Gloria Tramontin Struck rode a motorcycle for the very first time at age 16 in 1941. Women simply didn't ride motorcycles in 1941, but at the urging of her older brother, a very reluctant Gloria gave it a try, and it changed her life forever. She has been riding ever since, and at age 92, still rides regularly and continues to participate in cross country rides. As you might expect, any woman regularly riding a motorcycle in an era when women didn't ride motorcycles has a lot of stories to tell. In Gloria Struck: 75 years on Two Wheels and Still Riding, Gloria shares with you all of her favorite stories, from back when she was being raised behind her father's motorcycle shop in Clifton NJ, through 75 years of riding tales, all the way to the present, where she is rightfully celebrated at motorcycles rallies and events. Complementing her life and riding stories is an extensive scrapbook of photos, over 100 of which are included in this autobiography. Also included are anecdotes provided by fans, friends and admirers. Of course, Gloria's book and her stories, are as much about overcoming prejudice and personal obstacles, as it is about riding motorcycles. Because of that, this book resonates with riders and non-riders alike. The message is about more than riding, it's about meeting and conquering life's challenges with courage and humor.

An Obvious Fact-Craig Johnson 2016-09-13 In the 12th novel in the New York Times bestselling Longmire series, the basis for the hit Netflix original series Longmire, Walt, Henry, and Vic discover much more than they bargained for when they are called in to investigate a hit-and-run accident involving a young motorcyclist near Devils Tower Craig Johnson's new novel, The Western Star, is now available. In the midst of the largest motorcycle rally in the world, a young biker is run off the road and ends up in critical condition. When Sheriff Walt Longmire and his good friend Henry Standing Bear are called to Hulett, Wyoming—the nearest town to America's first national monument, Devils Tower—to investigate, things start getting complicated. As competing biker gangs; the Bureau of Alcohol, Tobacco, and Firearms; a military-grade vehicle donated to the tiny local police force by a wealthy entrepreneur; and Lola, the real-life femme fatale and namesake for Henry's '59 Thunderbird (and, by extension, Walt's granddaughter) come into play, it rapidly becomes clear that there is more to get to the bottom of at this year's Sturgis Motorcycle Rally than a bike accident. After all, in the words of Arthur Conan Doyle, whose Adventures of Sherlock Holmes the Bear won't stop quoting, "There is nothing more deceptive than an obvious fact."
