"There is much to appreciate about this book: its cleverness, its humor, that it embraces and normalizes therapy, that it places familial love and friendship on a level with romantic love. But, perhaps best of all, it offers teens, especially those struggling to accept and love themselves, a picture of a girl who makes mistakes and fights to begin again." --Booklist, starred review "At once painful and heartfelt . . . a smart and honest look at female beauty, with plenty of panache to boot." --Kirkus, starred review
