Swift-R. J. Anderson 2020-08-18 To save her people, a wingless girl must learn to fly. As a piskey girl born without wings and raised underground, Ivy yearns for flight almost as much as she misses her long-lost mother. But the world outside the Delve is full of danger, and her dreams seem hopeless until she meets a mysterious faery who makes her an enticing offer: If Ivy helps him escape the Delve's dungeon, he'll teach her how to fly. Freeing Richard could cost Ivy her reputation, perhaps even her life. But when her fellow piskeys start to disappear and her beloved little sister goes missing, Ivy has no choice but to take the risk. Deadly threats and shocking revelations await Ivy as she ventures into a strange new world, uncovers long-buried secrets about her family's past, and finds that no one--not even herself--is entirely what they seem.
Nomad-R J Anderson 2014-01-02 Exiled from her underground home by Betony, the jealous queen of the piskeys, Ivy sets out to make a new life for herself in the world above - a quest that leads her to mystery, adventure, and a hoard of spriggan treasure. But a deadly poison still lingers in the Delve, and Ivy cannot bear to see her people dying under Betony's rule. With the help of some old friends she sets out to warn the piskeys of their danger, urging them to rise up and free themselves before it is too late. Yet Betony will not give up her kingdom without a fight... and when her evil threatens the friends and family Ivy holds most dear, it will take all Ivy's courage, daring and determination to save them. The eagerly-awaited sequel to Swift - from bestselling author, R. J. Anderson.
Spell Hunter-R. J. Anderson 2009-04-28 Forget everything you think you know about faeries. . . . Creatures full of magic and whimsy? Not in the Oakenwyld. Not anymore. Deep inside the great Oak lies a dying faery realm, bursting with secrets instead of magic. Long ago the faeries mysteriously lost their magic. Robbed of their powers, they have become selfish and dull-witted. Now their numbers are dwindling and their very survival is at stake. Only one young faery—Knife—is determined to find out where her people's magic has gone and try to get it back. Unlike her sisters, Knife is fierce and independent. She's not afraid of anything—not the vicious crows, the strict Faery Queen, or the fascinating humans living nearby. But when Knife disobeys the Faery Queen and befriends a human named Paul, her quest becomes more dangerous than she realizes. Can Knife trust Paul to help, or has she brought the faeries even closer to the brink of destruction? Talented newcomer R. J. Anderson creates an extraordinary new fantasy world and weaves a gripping tale of lost magic, high adventure, and surprising friendship in which the fate of an entire realm rests on the shoulders of one brave faery rebel.
Ultraviolet-R. J. Anderson 2013-08-01 “Once upon a time there was a girl who was special. This is not her story. Unless you count the part where I killed her.” Sixteen-year-old Alison wakes up in a mental institution. As she pieces her memory back together, she realizes she’s confessed to murdering Tori Beaugrand, the most perfect girl at school. But the case is a mystery. Tori’s body has not been found, and Alison can't explain what happened. One minute she was fighting with Tori. The next moment Tori disintegrated—into nothing. But that's impossible. No one is capable of making someone vanish. Right? Alison must be losing her mind—like her mother always feared she would. For years Alison has tried to keep her weird sensory abilities a secret. No one ever understood—until a mysterious visiting scientist takes an interest in Alison’s case. Suddenly, Alison discovers that the world is wrong about her—and that she’s capable of far more than anyone else would believe.
A Pocket Full of Murder-R. J. Anderson 2016-09-06 In Tarreton, where the rich have all the magic they wish and the poor can barely afford a spell to heat their homes, twelve-year-old Isaveth's father is accused of murdering an influential citizen and Isaveth, aided by eccentric street boy Quiz, tries to solve the magical murder mystery before her father is executed.
A Little Taste of Poison-R. J. Anderson 2017-09-26 Twelve-year-old Isaveth eagerly accepts an opportunity to study at the most exclusive magical school in the city but her scholarship might prove be more a trap than a gift.
Arrow-R.J. Anderson 2011-01-06 Rhosmari trembled as the Empress walked over to her. 'Oh, do not struggle. There is nowhere for you to escape,' the Empress said, her voice silken and sweet. Then she unsheathed a small dagger from her waist. 'This will only hurt a little...' Rhosmari has lived her whole life on a sheltered chain of faery islands. But with the Empress's power growing, and her desire to enslave the entire faery race becoming a reality, Rhosmari knows she must fight back...
Dust-Kara Swanson 2021-04-13 The truth about Neverland is far more dangerous than a fairy tale... Claire Kenton believes the world is too dark for magic to be real--since her twin brother was stolen away as a child. Now Claire's desperate search points to London...and a boy who shouldn't exist. Peter Pan is having a beastly time getting back to Neverland. Grounded in London and hunted by his own Lost Boys, Peter searches for the last hope of restoring his crumbling island: a lass with magic in her veins. The girl who fears her own destiny is on a collision course with the boy who never wanted to grow up. The truth behind this fairy tale is about to unravel everything Claire thought she knew about Peter Pan--and herself.
Quicksilver-Rebecca J. Anderson 2013 To prevent the public from learning about Tori's unusual DNA, technology "geek" Tori and her adoptive parents move to a new town and change their names.
Rebel-R J Anderson 2010-03-04 No ordinary fairy tale... Linden is a feisty faery with a lot on her mind. She her fellow faeries are under threat: their magic is fading, and if they do not act fast, they will die... When Linden meets Timothy, a human staying in the house opposite her Oak, she knows he can help. Together they embark on a dangerous journey to seek more magic and discover that there is more to fear from other faeries than they could ever have imagined.
Ultraviolet-Yvonne Navarro 2008-12-14 Set in a futuristic urban metropolis, this sci-fi action-adventure tells the story of a sub-culture of humans who have been modified genetically by a vampire-like disease, giving them enhanced speed, strength and intelligence.
Dark Psychology-R.J. Anderson 2020-02-08 You've just discovered the book that will change your life and how you see the world forever. It exposes the real methods people use to control others. By the end of this book, your eyes will have been opened and you will understand more than you ever expected. People will bow to your will, rely on you to show them the way and unknowingly follow your every whim. You can take what you want when you want and where you want. Nothing will be able to stand in your way! This book walks you through the most powerful dark psychology techniques ever created. You will learn advanced techniques for persuasion, NLP, CBT, social manipulation, subliminal messaging, psychological warfare, body language, and deception. Can you handle that kind of power? This book will launch you into command of every situation and allow you to control every person you meet. It will teach you how to protect your allies and annihilate your enemies. You will become an unstoppable force of order and control in this mad world. These methods are no trivial matter. Many have died or otherwise suffered at the hands of people discovering them. The world is a darker and scarier place because of the presence of this knowledge. Even if you don't plan to dominate the world and rule with an iron fist, the techniques within this book will serve you well. They will reveal the plots and ploys your enemies will use to try and take you out, giving you the chance to react before it's too late. I share this knowledge in the hopes that it will protect others from it. Once a person can identify the methods of control, they can work to overcome them. You can make the world better or continue the dark legacy of our past, the choice is yours. So consider your choices and understand that others have this power as well. The game of life is long and the rules are complex. Don't let others take advantage of you any longer. Learn how to control people and bend them to your will, willingly or not. Seize the power all great leader possess for yourself today. After all, you deserve to win!
A Madness of Angels-Kate Griffin 2009-04-06 Two years after his untimely death, Matthew Swift finds himself breathing once again, lying in bed in his London home. Except that it's no longer his bed, or his home. And the last time this sorcerer was seen alive, an unknown assailant had gouged a hole so deep in his chest that his death was irrefutable...despite his body never being found. He doesn't have long to mull over his resurrection, though, or the changes that have been wrought upon him. His only concern now is vengeance. Vengeance upon his monstrous killer and vengeance upon the one who brought him back.
Heaven Came Down-Bryan Davis 2020-06-15 Heavenly messengers, or deadly parasites? In the chaotic aftermath of apocalyptic war, the strange lights in the sky heralding the coming of unearthly beings seemed like an answer to prayer. When the heavenly visitors entered selected people and transformed them into angels who demanded obedience in exchange for the restoration of order, the majority accepted their new rulers. But Ben Garrison and his siblings, Jack and Trudy, have seen a dark side to these so-called angels. They join a rebel faction with one goal: destroy the invaders and free the world from their tyranny. When the rebels catch wind of an angel plot to invade the resistance region and spread a deadly contagion, the Garrisons embark on a crucial mission to swap the angel troops' vaccine with a fake injection, stealing the real vaccine to save the rebels. The catch: Ben and Trudy, in disguise as doctors, must volunteer to become implanted by angels and fake their implantation. The rebels' plan, however, is soon exposed, jeopardizing the mission and their lives. Their only hope for rescue lies in an odd bounty hunter, a young angel priestess, and a mysterious spy embedded among the angels-a woman whose identity the rebels have yet to discover.
Ignite the Sun-Hanna Howard 2020-08-18 Once upon a time, there was something called the sun... Sixteen year-old Siria Nightingale has never seen the sun. The light is dangerous, according to Queen Iyzabel, an evil witch who has shrouded the kingdom in shadow. Siria has always hated the darkness and revels in the stories of the light-filled old days that she hears from her best friend and his grandfather. Besides them, nobody else understands her fascination with the sun, especially not her strict and demanding parents. Siria’s need to please them is greater than her fear of the dark, and so she heads to the royal city—the very center of the darkness—for a chance at a place in Queen Iyzabel’s court. But what Siria discovers at the Choosing Ball will send her on a quest that could bring back the Light—or doom the kingdom to shadow forever. Accompanied by a ragtag group of rebels, she sets her course for the North, toward the last vestiges of the sun.
Devil's Due-Taylor Anderson 2017-06-13 New York Times bestselling author Taylor Anderson continues the thrilling Destroyermen series of alternate history and military strategy, as the conflict is about to become terrifyingly personal.... Captain Matt Reddy and the crew of the USS Walker have been fighting for their lives ever since their ship was swept from the Pacific to another world and they became embroiled in a deadly conflict between their Lemurian allies and the ravening Grik. But things are about to get worse. With Reddy’s family and allies held prisoner by the mad General Kurokawa, the mysterious League and evil Dominion plotting schemes of their own, and the Grik trying to build their swarm and concentrate power, Reddy faces danger on all sides. Although desperate to confront Kurokawa, Captain Reddy fears he’s subordinating the war effort for personal reasons. But Kurokawa is too dangerous to be left alone. With the mighty League battleship Savoie at his command, he plots a terrible vengeance against Reddy and his tiny, battered destroyer. The stage is set for a devastating cataclysm, and Reddy and his allies will have to risk everything to protect what they hold dear.

How to Write About Music- 2015-02-26 If writing about music is like dancing about architecture, you'd do best to hone your chops and avoid clichés (like the one that begins this sentence) by learning from the prime movers. How to Write About Music offers a selection of the best writers on what is perhaps our most universally beloved art form. Selections from the critically-acclaimed 33 1/3 series appear alongside new interviews and insights from authors like Lester Bangs, Chuck Klosterman, Owen Pallet, Ann Powers and Alex Ross. How to Write About Music includes primary sources of inspiration from a variety of go-to genres such as the album review, the personal essay, the blog post and the interview along with tips, writing prompts and advice from the writers themselves. Music critics of the past and the present offer inspiration through their work on artists like Black Sabbath, Daft Punk, J Dilla, Joy Division, Kanye West, Neutral Milk Hotel, Radiohead, Pussy Riot and countless others. How to Write About Music is an invaluable text for all those who have ever dreamed of getting their music writing published and a pleasure for everyone who loves to read about music.
Beyond the Shadowed Earth-Joanna Ruth Meyer 2020-01-14 It has always been Eda’s dream to become empress, no matter the cost. Haunted by her ambition and selfishness, she’s convinced that the only way to achieve her goal is to barter with the gods. But all requests come with a price and Eda bargains away the soul of her best friend in exchange for the crown. Years later, her hold on the empire begins to crumble and her best friend unexpectedly grows sick and dies. Gnawed by guilt and betrayal, Eda embarks on a harrowing journey to confront the very god who gave her the kingdom in the first place. However, she soon discovers that he’s trapped at the center of an otherworldly labyrinth and that her bargain with him is more complex than she ever could have imagined. Set in the same universe as Joanna’s debut, Beneath the Haunting Sea, Beyond the Shadowed Earth combines her incredible world building and lush prose with a new, villainous lead.
The Vault Between Spaces-Chawna Schroeder 2020-02-11 Every legend must start somewhere... No prisoner who enters the gates of HopeWell ever leaves. But from the moment Oriel sets foot inside Anatroshka's most formidable prison camp, she unsettles both commandant and prisoner alike with eyes that see beyond the surface and music that trails her everywhere. Petite and delicate though she appears, Oriel bows before neither threat nor punishment. Moreover, she makes no attempt to hide her intention: Oriel plans to escape the inescapable HopeWell. But when facades are stripped away and myth becomes clothed in flesh, what begins as a prison break becomes a mission to stop the invasion of evil itself.
The Pop Culture Parent-Ted Turnau 2020 "Knowing how to deal with popular culture as a parent can be overwhelming. How can you enter into your children's lives and connect with their interests but still point them toward Jesus? Most parents fear the influence of popular culture or ignore it altogether. This guide equips parents to raise grace-oriented disciples and cultural missionaries in a post-Christian world"--
The Winter Duke-Claire Eliza Bartlett 2021-03-02 When all of her family succumbs to a magical illness, Ekata Avenko reluctantly assumes the throne, seeking a cure and fending off unwanted suitors while seeking the culprit.
War for the Oaks-Emma Bull 2004-11-01 Acclaimed by critics and readers on its first publication in 1987, winner of the Locus Award for Best First Novel, Emma Bull's War for the Oaks is one of the novels that has defined modern urban fantasy. Eddi McCandry sings rock and roll. But her boyfriend just dumped her, her band just broke up, and life could hardly be worse. Then, walking home through downtown Minneapolis on a dark night, she finds herself drafted into an invisible war between the faerie folk. Now, more than her own survival is at risk—and her own preferences, musical and personal, are very much beside the point. By turns tough and lyrical, fabulous and down-to-earth, War for the Oaks is a fantasy novel that's as much about this world as about the other one. It's about real love and loyalty, about real music and musicians, about false glamour and true art. It will change the way you hear and see your own daily life. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
The Real Boy-Anne Ursu 2013-09-24 National Book Award Longlist * Bank Street Children's Book Committee Best Book of the Year "Beautifully written and elegantly structured, this fantasy is as real as it gets."—Franny Billingsley, author of Chime The Real Boy, Anne Ursu's follow-up to her widely acclaimed and beloved middle grade fantasy Breadcrumbs, is a spellbinding tale of the power we all wield, great and small. On an island on the edge of an immense sea there is a city, a forest, and a boy named Oscar. Oscar is a shop boy for the most powerful magician in the village, and spends his days in a small room in the dark cellar of his master’s shop grinding herbs and dreaming of the wizards who once lived on the island generations ago. Oscar’s world is small, but he likes it that way. The real world is vast, strange, and unpredictable. And Oscar does not quite fit in it. But now that world is changing. Children in the city are falling ill, and something sinister lurks in the forest. Oscar has long been content to stay in his small room in the cellar, comforted in the knowledge that the magic that flows from the forest will keep his island safe. Now even magic may not be enough to save it.

For one more calamity will not only bring about the holiday's demise, she'll be immortalized as the elf who shattered children's faith in Santa Claus. So not the way she wants to go down in history.
Marijuana and Medicine-Institute of Medicine 1999-07-10 The medical use of marijuana is surrounded by a cloud of social, political, and religious controversy, which obscures the facts that should be considered in the debate. This book summarizes what we know about marijuana from evidence-based medicine--the harm it may do and the relief it may bring to patients. The book helps the reader understand not only what science has to say about medical marijuana but also the logic behind the scientific conclusions. Marijuana and Medicine addresses the science base and the therapeutic effects of marijuana use for medical conditions such as glaucoma and multiple sclerosis. It covers marijuana's mechanism of action, acute and chronic effects on health and behavior, potential adverse effects, efficacy of different delivery systems, analysis of the data about marijuana as a gateway drug, and the prospects for developing cannabinoid drugs. The book evaluates how well marijuana meets accepted standards for medicine and considers the conclusions of other blue-ribbon panels. Full of useful facts, this volume will be important to anyone interested in informed debate about the medical use of marijuana: advocates and opponents as well as policymakers, regulators, and health care providers.
Daughter of Kristos-Andrea J. Graham 2020-06-09 On the Sixth Day, Emi created the purple-skinned Argevane and Bion from the purple soil of their world. Emi forbid only opening a portal to the red Earth, the twin to their world located across the heavens in their understanding. Bion disobeyed and opened the portal, unleashing death and every evil. For this, Emi cursed Bion's sons to suffer in matriarchal slavery until the Seed of Eve, Lady Veritas, comes and lifts up their heads. All womankind awaits the coming of Lady Veritas to reveal Emi's Sacrifice. Emi's Chosen People, Diakrinth, also await the Coming One in hopes she will free their nation from the Romini's invasion. Young Hosanni Kristekon learns God chose her to be the mother of Lady Veritas. The same day, the invaders take her captive and put her virginity on sale at a trade school. Not only would a man worthy to father Lady Veritas not seek a wife among slaves, her religion bars her from salvation if she marries a man who isn't a submissive Emian. Her husband likewise is damned if he isn't her slave. Her dorm mother, Marezza, presents an offer that appears promising. At least it does until she sends Hosanni home with the free-spirited, unreligious enemy prince that Marezza forgot to mention she was married to on paper. Praise for Daughter of Eve, Book 3 of the Argevane Series: Daughter of Eve is a book for anyone who enjoys science fiction or alternate world scenarios. The main character, Verity, is a strong female protagonist. Author Andrea Graham masterfully builds a world and plot where Verity grows into a new woman, and at the same time intertwines the truth of the gospel with an innovative approach. Daughter of Eve provides an imaginative escape into another world, and in my opinion it's a trip worth taking. --Donna Sundblad, author of Beyond the Fifth Gate and the Inheritance For those of us that love clean romance, Daughter of Eve delivers. Andrea Graham places the reader along side the main character, Verity, as she is plunged into a new world. The story moves seamlessly between well developed characters. If you're looking for a fast paced story, Daughter of Eve should be added to your bookshelf. --Kimberli Campbell, author of The Sword of Light: Shayia's Adventures Book One Daughter of Eve is a thought-provoking tale that challenges the reader to examine her ideas about who God is and what the truth is. In this matriarchal society, male and female roles are topsy-turvy, even in language. Andrea Graham creates an alternative universe somewhere-through-the wormhole with a lady astronaut in urgent need of healing before she can fulfill her destiny. With writing that is intelligent, witty, and provocative, this story begs for careful reading and scrutiny. --Cathi Hassan, editor TeenAge Magazine
Adela's Curse-Claire Banschbach 2016-02-27 A curse. A murderous scheme. A choice. A witch and her master capture a young faery and command her to kill their enemy. Adela has no choice but to obey. An Introduction to Cultural Ecology-Mark Q. Sutton 2020-09-30 This contemporary introduction to the principles and research base of cultural ecology is the ideal textbook for advanced undergraduate and beginning graduate courses that deal with the intersection of humans and the environment in traditional societies. After introducing the basic principles of cultural anthropology, environmental studies, and human biological adaptations to the environment, the book provides a thorough discussion of the history of, and theoretical basis behind, cultural ecology. The bulk of the book outlines the broad economic strategies used by traditional cultures: hunting/gathering, horticulture, pastoralism, and agriculture. Fully explicated with cases, illustrations, and charts on topics as diverse as salmon ceremonies among Northwest Indians, contemporary Maya agriculture, and the sacred groves in southern China, this book gives a global view of these strategies. An important emphasis in this text is on the nature of contemporary ecological issues, how peoples worldwide adapt to them, and what the Western world can learn from their experiences. A perfect text for courses in anthropology, environmental studies, and sociology.
