The Bluebird and the Dead Lake-John Pearson 2013-08-01 In 1964, in Australia's remote outback, on the dazzling saltpan of Lake Eyre, Donald Campbell set out to drive his Bluebird car at over 400 miles an hour - faster than any man in history. Things went wrong from the start: unseasonal rains, a sodden lake bed in which every high-speed run slewed dangerously, money running short...even an Aboriginal curse. With death shimmering on the horizon before him, the lonely Campbell tried to hold his nerve until he broke the record. Campbell would lose his life eventually on Coniston Water, with over thirty years passing before his body was recovered in 2001, but this strangest - and greatest - of all his world record attempts was witnessed by a young reporter. John Pearson's classic book about Donald Campbell is an extraordinarily compelling and moving portrait of a modern tragic hero, fighting a battle with inhospitable elements and the outer limits of technology - and, above all, with himself.

Bluebird, Bluebird-Attica Locke 2017-09-12 Winner of the 2018 Edgar Award for Best Novel One of CrimeReads's Best Novels of the Decade A "heartbreakingly resonant" (USA Today) thriller about the explosive intersection of love, race, and justice from the author of Heaven, My Home When it comes to law and order, East Texas plays by its own rules--a fact that Darren Mathews, a black Texas Ranger, knows all too well. Deeply ambivalent about growing up black in the lone star state, he was the first in his family to get as far away from Texas as he could. Until duty called him home. When his allegiance to his roots puts his job in jeopardy, he travels up Highway 59 to the small town of Lark, where two murders--a black lawyer from Chicago and a local white woman--have stirred up a hornet's nest of resentment. Darren must solve the crimes--and save himself in the process--before Lark's long-simmering racial fault lines erupt. From a writer and producer of the Emmy winning Fox TV show Empire, Bluebird, Bluebird is a rural noir suffused with the unique music, color, and nuance of East Texas. "In Bluebird, Bluebird Attica Locke has both mastered the thriller and exceeded it." --Ann Patchett

Way Past Dead-Sтивен Womack 2010-12-22 With his cash flow down to a slow drip, times are tight for Nashville gumshoe Harry James Denton. Things are tough all over Music City, U.S.A. And in some instances, they're murder, as Harry finds out the hard way when he lands a case he'd rather not touch. When rising country singer Rebecca Gibson is found viciously beaten to death in her home, a heap of damning evidence points straight to her ex-husband, Slim Gibson -- half of the struggling songwriting team with whom Harry shares office space and an occasional beer. Slim and Rebecca were last seen making beautiful music at a local club just hours before the killing. Yet while probing beneath the sweet harmony, Harry discovers the dark history of a marriage made somewhere south of heaven -- and delves into the cutthroat world of the C&W music business, where deceit, betrayal, passion, and vengeance are sung about . . . and ruthlessly performed. "A rising star among the current crop of American novelists." -- Nashville Banner From the Paperback edition.

Enter the Bluebird-Brendan Halpin 2014-08-14 "Something was wrong. Julie flew to the ceiling." Julie Rouge is nearly 16 and can't wait to join her mother, the masked crimefighter Red Talon, patrolling the crime-ridden streets of New Edinburgh. Unfortunately, Julie's mom has disappeared, and, while searching for her, Julie is going to discover that the city she calls home is even nastier, more corrupt, and riddled with toxic secrets than she ever knew. With brutality and betrayal around every corner, Julie will need the help of some unlikely friends and strength she never knew she had in order to become the hero she was born to be.

When Miss Bluebird Died-Jennifer Reich 2017-08-18 Through rhyming verse and illustrations, 'When Miss Bluebird Died' explores how the memories and stories of our loved ones can keep them close forever. It begins at the memorial service for Miss Bluebird, a beloved member of her forest community. As her memories are told, her friends discover how much she remains alive in their hearts.

Golden Riders-Ralph Cotton 2014-10-07 Arizona Ranger Sam Burrack has something of a reputation for finishing what he sets out to do—usually with a shot from his Winchester. He'd been on the trail of five gunmen for days. Then there was four. And he doesn't plan on stopping until every member of the notorious Golden Riders is behind bars or underground. But when a few of the riders escape in a jailbreak, word gets back to gang leader Braxton Kane that his brother fell under the gun of a lawman. Now Burrack is both hunter and hunted, and if he doesn't live up to his reputation, he won't live very long....

Build a Bluebird Trail-Dale Evva Gelfand 1999-01-08 Conservationists across North America are working to help protect and support bluebirds, and you can do your part by creating a bluebird trail. This is simply a series of nesting boxes (anywhere from a few to a few thousand) set about 300 feet apart along a prescribed route. Dale Gelfand tells you what you need to know about bluebirds and their habits, and she shows you how to create and monitor an effective bluebird trail with well-designed nesting boxes.

Kirtlandia- 1983

The Bluebird Story-Dr. Don J. Harris 2013-01-21 Dr. Don Harris grew up in the swamps of South Louisiana, surrounded by wildlife. As a child, his typical pets included snakes, squirrels, raccoons, rats, bats, birds, alligators and armadillos. It's not surprising that, as an adult, he became a veterinarian whose entire career has been dedicated to the care of exotic animals. "The Bluebird Story" evolved from Dr. Harris telling his toddler son, Adam, stories about the animals of his childhood. While the story captures a bit of the animals' seasonal activities, what it really reveals is the truth behind the principle that giving, and acts of kindness toward our fellow creatures, brings about infinite blessings that could never be obtained otherwise.

Devil and the Bluebird-Jennifer Mason-Black 2016-05-17 Blue Riley has wrestled with her own demons ever since the loss of her mother to cancer. But when she encounters a beautiful devil at her town crossroads, it's her runaway sister's soul she fights to save. The devil steals Blue's voice—inherited from her musically gifted mother—in exchange for a single shot at finding Cass. Armed with her mother's guitar, a knapsack of cherished mementos, and a pair of magical boots, Blue journeys west in search of her sister. When the devil changes the terms of their deal, Blue must reevaluate her understanding of good and evil and open herself up to finding family in unexpected places. In Devil and the Bluebird, Jennifer Mason-Black delivers a captivating depiction of loss and hope.

The Complete Annotated Grateful Dead Lyrics- 2014-12-16 Celebrate the fiftieth anniversary of the most popular and enduring band ever: "Even the most hardcore Deadheads will be impressed by this obsessively complete look at the Grateful Dead's lyrics" (Publishers Weekly). The Complete Annotated Grateful Dead Lyrics is an authoritative text, providing standard versions of all the original songs you thought you knew forwards and backwards. These are some of the best-loved songs in the modern American songbook. They are hummed and spoken among thousands as counterculture code and recorded by musicians of all stripes for their inimitable singability and obscure accessibility. How do they do all this? To provide a context for this formidable body of work, of which his part is primary, Robert Hunter has written a foreword that goes to the heart of the matter. And the annotations on sources provide a gloss on the lyrics, which goes to the roots of Western culture as they are incorporated into them. An avid Grateful Dead concertgoer for more than two decades, David Dodd is a librarian who brings to the work a detective's love of following a clue as far as it will take him. Including essays by Dead lyricists Robert Hunter and John Perry and Jim Carpenter's original illustrations, whimsical elements in the lyrics are brought to light, showcasing the American legend that is present in so many songs. A gorgeous keepsake edition of the Dead's official annotated lyrics, The Complete Annotated Grateful Dead Lyrics is an absolute must-have for the fiftieth anniversary—you won't think of this cultural icon the same way again. In fact, founding band member Bob Weir said: "This book is great. Now I'll never have to explain myself."

Respect For The Dead-Theodore Lyons 2004-11 Much of this occult mystery, based on actual events, is set in the former Republic of Zaire, shortly before President Mobutu Sese Seko was deposed, resulting in a massive civil uprising that would claim the lives of more than three million people. The story centers on the spiritual awakening of a narrator whose gender is concealed for thematic purposes, and whose life is altered irrevocably following several brushes with death in a suffocating African republic on the verge of civil war. Respect for the dead opens with the narrator's history of a dismal childhood but a love of language arts and metaphysics, and two years in the South Pacific briefly set forth as an explanation for what follows: a grueling, life-changing sojourn in Zaire, one of the world's most dangerous dictatorships, rife with horrifying pests, poisonous snakes, footloose baboons, machine gun-toting gendarmes, and every disease imaginable. Can something be said for a dictator's strength or the strength to keep a volatile, culturally diverse country out of war and free from terrorist infiltrators? The resulting instability and destruction in the former Republic of Zaire, shorn of its president, may be a terrifying model for what is happening in Iraq. Curiously, the narrator's sexual orientation is disguised to underscore its insignificance in the light of more important matters: What lies beneath the flesh? What happens to us after we die? Do we reincarnate? Will we have a world left to reincarnate in? Or will we destroy it? Relevant research and appalling commentary are included by pioneers in music, literature, psychiatry, psychic phenomena, and spiritual doctrine, such as Edgar Cayce, Sigmund Freud, Gina Cerminara, David Sheinkin, Brian Weiss, Shirley MacLaine, Jimi Hendrix, and Sylvia Plath. The author hints that a new promised land free from terror, violence, and discrimination may yet exist in northern Maine and eastern Canada.

Cool Dead People-Jane O'Boyle 2001 A humorous collection of obituaries celebrates little-known people who led remarkable lives, from an insurance agent and conservationist whose efforts saved two species of birds from extinction to a literary agent who began her career as an elephant rider in the circus. Original.

My Dead Body-Charlie Huston 2009-10-13 Nobody lives forever. Not even a Vampire. Just ask Joe Pitt. After exposing the secret source of blood for half of Manhattan's Vampires, he's definitely a dead man walking. He's been a punching bag and a bullet magnet for every Vampire Clan in Manhattan, Brooklyn, and the Bronx, not to mention a private eye, an enforcer, an exile, and a vigilante, but now he's just a target with legs. For a year he's sloshed around the subway tunnels and sewers, tapping the veins of the lost, while above ground a Vampire civil war threatens to drag the Clans into the sunlight once and for all. What's it gonna take to dig him up? Just the search for a missing girl who's carrying a baby that just might be the destiny of Vampire-kind. Not that Joe cares all that much about destiny and such. What he cares about is that his ex-girl Evie wants him to take the gig. What's the risk? Another turn playing pigeon in a shooting gallery. What's the reward? Maybe one shot of his own. What's he aiming for? Nothing much. Just all the evil at the heart of his world.

Film Year Book- 1922

The Bluebird Effect-Julie Zickefoose 2012-03-20 Julie Zickefoose lives for the moment when a wild, free living bird that she has raised or rehabilitated comes back to visit her; their eyes meet and they share a spark of understanding. Her reward for the grueling work of rescuing birds—such as feeding baby hummingbirds every twenty minutes all day long—is her empathy with them and the satisfaction of knowing the world is a birdier and more beautiful place. The Bluebird Effect is about the change that's set in motion by one single act, such as saving an injured bluebird—or a hummingbird, swift, or phoebe. Each of the twenty five chapters covers a different species, and many depict an individual bird, each with its own personality, habits, and quirks. And each chapter is illustrated with Zickefoose's stunning watercolor paintings and drawings. Not just individual tales about the trials and triumphs of raising birds, The Bluebird Effect mixes humor, natural history, and memoir to give readers an intimate story of a life lived among wild birds.

Bluebird News- 1993

Nashville Sweetheart-Rachel Hauck 2014-04-22 Updated with a new bonus epilogue! From New York Times bestselling author Rachel Hauck comes Nashville Sweetheart, a story of dreams lost and found in one of America's hottest cities. "Packing witty dialogue, quirky characters, and a rocking country vibe, her story will make you laugh as it plunges you into the world of today's country music industry." —Christianbook.com The media mystery that is superstar Aubrey James is about to be unraveled—one memory at a time. At thirty years old, Aubrey James has been at the top of country charts for over a decade; but as the daughter of gospel icons Ray and Myra James, she was in the public eye long before her own success. Aubrey James knows Nashville stardom. Though her parents' untimely death gave Aubrey the kind of tragic legacy that Nashville royalty is made of, she would have preferred keeping her family . . . and the faith she lost somewhere along the way. Now she exists in a guarded, private world, letting nothing in, not even love. But when her music director betrays Aubrey's trust with a smear campaign of tabloid interviews, the star knows the time has come to go public with her private story for the first time. And when her Inside NashVegas interviewer turns out to be a man from her past—a man she'd hoped to forget—this interview gets complicated fast. The music diva's guarded heart is about to become a distant memory. Nashville Sweetheart is a wild ride through the whirlwind of Nashville stardom, the political show that is the music business, and the secret faith that can fortify even the most tragic family ties. *Nashville Sweetheart was originally published as Diva NashVegas.
