Years earlier, Leaphorn followed the trail of a beautiful, young, and missing wife to a dead end, and his failure has haunted him ever since. But ghosts never sleep in these high, lonely Southwestern hills. And the twisted threads of craven murders past and current may finally be coming together, thanks to secrets once moaned in torment on the desert wind.

"Gripping."—New York Times Book Review Human bones lie on a ledge under the peak of Ship Rock mountain, the remains of a murder victim undisturbed for more than a decade. Three hundred miles across the Navajo reservation, a harmless old canyon guide is felled by a sniper's bullet. Joe Leaphorn, recently retired from the Navajo Tribal Police, believes the shooter and the skeleton are somehow connected and recalls a chilling puzzle he was previously unable to solve. But Acting Lieutenant Jim Chee is too busy to take an interest in a dusty cold case . . . until the reborn violence of it hits much too close to home.

The Dineh seem to be ready to bring casino gambling to the Rez, despite the risk that the character of the Navajo Nation will be forever altered. Speaking eloquently against the proposal, Rose becomes a national celebrity. Ella has no time to think about how these changes will affect her and her two-year-old daughter. The Navajo Police Force is combating an increasingly violent wave of vandalism, always two steps behind despite their best efforts. Events come to a head with the terrorist takeover of a coal mine and power plant on the Reservation. Ella must keep the terrorists from blowing up the power plant-but how can she focus on being a cop when her daughter is missing? Along Navajo Trails-Will Evans 2005-04-15 Will Evans's writings should find a special niche in the small but significant body of literature from and about traders to the Navajos. Evans was the proprietor of the Shiprock Trading Company. Probably more than most of his fellow traders, he had a strong interest in Navajo culture. The effort he made to record and share what he learned certainly was unusual. He published in the Farmington and New Mexico newspapers and other periodicals, compiling many of his pieces into a book manuscript. His subjects were Navajos he knew and traded with, their stories of historic events such as the Long Walk, and descriptions of their culture as he, an outsider without academic training, understood it. Evans's writings were colored by his fondness for, uncommon access to, and friendships with Navajos, and by who he was: a trader, folk artist, and Mormon. He accurately portrayed the operations of a trading post and knew both the material and artistic value of Navajo crafts. His art was mainly inspired by Navajo sandpainting. He appropriated and, no doubt, sometimes misappropriated that sacred art to paint surfaces and objects of all kinds. As a Mormon, he had particular views of who the Navajos were and what they believed and was representative of a large class of often-overlooked traders. Much of the Navajo trade in the Four Corners region and farther west was operated by Mormons. They had a significant historical role as intermediaries, or brokers, between Native and European American peoples in this part of the West. Well connected at the center of that world, Evans was a good spokesperson.

People of Darkness-Tony Hillerman 2009-03-17 A dying man is murdered. A rich man's wife agrees to pay three thousand dollars for the return of a stolen box of rocks. A series of odd, inexplicable events is haunting Sergeant Jim Chee of the Navajo Tribal Police and drawing him alone into the Bad Country of the merciless Southwest, where nothing good can survive . . . including Chee. Because an assassin waits for him there, protecting a thirty-year-old vision that greed has sired and blood has nourished. And only one man will walk away.

Tales of an Endishodi-Berard Haile 1998 In this collection of

reminiscences Father Berard Haile relates his experiences as a missionary to the Navajo Indians. Posted to St. Michael's Mission in 1900, Haile devoted the next half century to the study of Navajo language and culture and considered the study of indigenous peoples at least as important as proselytizing. During his long career, Haile published numerous pathbreaking works on Navajo linguistics and ethnography. He died in 1961, one of the most respected students of Navajo culture. In these stories Haile recalls bear hunting, baseball, Navajo and Hopi ceremonialism, the first car on the reservation, St. Michael's Press, traders, Chinle and Lukachukai, and other people, places, and events on the reservation. Eight appendices reprint hard-to-find articles by Haile and other Franciscans on the Navajos. Bodo's transcriptions retain the color and flavor of the oral accounts, and his introduction discusses Haile as a missionary and anthropologist.

Coyote Waits-Tony Hillerman 2009-03-17 The car fire didn't kill Navajo Tribal Policeman Delbert Nez—a bullet did. And the old man in possession of the murder weapon is a whiskey-soaked shaman named Ashie Pinto. Officer Jim Chee is devastated by the slaying of his good friend Del, and confounded by the prime suspect's refusal to utter a single word of confession or denial. Lieutenant Joe Leaphorn believes there is much more to this outrage than what appears on the surface, as he and Jim Chee set out to unravel a complex weave of greed and death that involves a historical find and a lost fortune. But the hungry and mythical trickster Coyote is waiting, as always, in the shadows to add a strange and deadly new twist.

Beau Geste-Percival Christopher Wren 2020-09-28 In the first place, there was the old standing trouble about the Shuwa Patrol; in the second, the truculent Chiboks were waxing insolent again, and their young men were regarding not the words of their elders concerning Sir Garnet Wolseley, and what happened, long, long ago, after the battle of Chibok Hill. Thirdly, the price of grain had risen to six shillings a saa, and famine threatened; fourthly, the Shehu and Shuwa sheiks were quarrelling again; and, fifthly, there was a very bad smallpox ju-ju abroad in the land (a secret society whose "secret" was to offer His Majesty's liege subjects the choice between being infected with smallpox, or paying heavy blackmail to

the society). Lastly, there was acrimonious correspondence with the All-Wise Ones (of the Secretariat in "Aiki Square" at Zungeru), who, as usual, knew better than the man on the spot, and bade him do either the impossible or the disastrous. And across all the Harmattan was blowing hard, that terrible wind that carries the Saharan dust a hundred miles to sea, not so much as a sand-storm, but as a mist or fog of dust as fine as flour, filling the eyes, the lungs, the pores of the skin, the nose and throat; getting into the locks of rifles, the works of watches and cameras, defiling water, food and everything else; rendering life a burden and a curse. The fact, moreover, that thirty days' weary travel over burning desert, across oceans of loose wind-blown sand and prairies of burnt grass, through breast-high swamps, and across unbridged boatless rivers, lay between him and Kano, added nothing to his satisfaction. For, in spite of all, satisfaction there was, inasmuch as Kano was rail-head, and the beginning of the first stage of the journey Home. That but another month lay between him and "leave out of Africa," kept George Lawrence on his feet. From that wonderful and romantic Red City, Kano, sister of Timbuktu, the train would take him, after a three days' dusty journey, to the rubbish-heap called Lagos, on the Bight of Benin of the wicked West African Coast. There he would embark on the good ship Appam, greet her commander, Captain Harrison, and sink into a deck chair with that glorious sigh of relief, known in its perfection only to those weary ones who turn their backs upon the Outposts and set their faces towards Home. Meantime, for George Lawrence--disappointment, worry, frustration, anxiety, heat, sand-flies, mosquitoes, dust, fatigue, fever, dysentery, malarial ulcers, and that great depression which comes of monotony indescribable, weariness unutterable, and loneliness unspeakable.

Cave of Bones-Anne Hillerman 2018-04-03 A New York Times Bestseller Anne Hillerman brings together modern mystery, Navajo traditions, and the evocative landscape of the desert Southwest in this intriguing entry in the Leaphorn, Chee, and Manuelito series. When Tribal Police Officer Bernadette Manuelito arrives to speak at an outdoor character-building program for at-risk teens, she discovers chaos. Annie, a young participant on a solo experience due back hours before, has just returned and is traumatized. Gently questioning the girl, Bernie learns that Annie stumbled upon a human skeleton on her trek. While everyone is relieved that Annie is back, they're concerned about a beloved instructor who went out into the wilds of the rugged lava wilderness bordering Ramah Navajo Reservation to find the missing girl. The instructor vanished somewhere in the volcanic landscape known as El Malpais. In Navajo lore, the lava caves and tubes are believed to be the solidified blood of a terrible monster killed by superhuman twin warriors. Solving the twin mysteries will expose Bernie to the chilling face of human evil. The instructor's disappearance mirrors a long-ago search that may be connected to a case in which the legendary Joe Leaphorn played a crucial role. But before Bernie can find the truth, an unexpected blizzard, a suspicious accidental drowning, and the arrival of a new FBI agent complicate the investigation. While Bernie searches for answers in her case, her husband, Sergeant Jim Chee juggles trouble closer to home. A vengeful man he sent to prison for domestic violence is back—and involved with Bernie's sister Darleen. Their relationship creates a dilemma that puts Chee in uncomfortable emotional territory that challenges him as family man, a police officer, and as a one-time medicine man in training. Anne Hillerman takes us deep into the heart of the deserts, mountains, and forests of New Mexico and once again explores the lore and rituals of Navajo culture in this gripping entry in her atmospheric crime series.

Journey Of Navajo Oshley-Navajo Oshley 2000-05 Ak'é Nýdzin, or Navajo Oshley, was born sometime between 1879 and 1893. His oral memoir is set on the northern frontier of Navajo land, principally the San Juan River basin in southeastern Utah, and tells the story of his early life near Dennehetso and his travels, before there were roads or many towns, from Monument Valley north along Comb Ridge to Blue Mountain. During the late 19th and early 20th centuries, Anglos and Navajos expanded their use and settlement of lands north of the San Juan. Grazing lands and the Anglo wage economy drew many Navajos across the river. Oshley, a sheepherder, was among the first to settle there. He cared for the herds of his extended family, while also taking supplemental jobs with the growing livestock industry in the area. His narrative is woven with vivid and detailed portraits of Navajo culture: clan relationships, marriages and children, domestic life, the importance of livestock, complex relations with the natural world, ceremonies, trading, and hand trembling.

The Sinister Pig-Tony Hillerman 2009-10-13 Hot on the heels of his huge bestseller, *The Wailing Wind*, Tony Hillerman brings back Chee and Leaphorn in a puzzling new mystery. The body of a well-dressed fellow, all identification missing, is found hidden under the brush on the Jicarilla Apache Reservation. The local FBI takes over from the Navajo Police Sergeant Jim Chee, and quickly has the case snatched all the way to Washington. Washington proves uncooperative and the case is dead-ended. When Joe Leaphorn, the "legendary lieutenant" of Hillerman's Navajo Tribal Police discovers that Washington officials hid the body's identity, lines surprisingly connect to the case he's working on at exotic game ranch. A photograph she sends him tells Chee she is facing a danger he doesn't understand. Hillerman produces a galaxy of unusual characters in this compelling novel that is sure to confound readers until the very last page.
