The Masked Empire-Patrick Weekes 2019 Empress Celene of Orlais rose to the throne of the most powerful nation in Thedas through wisdom, wit, and ruthless manipulation. Now the empire she has guided into an age of enlightenment is threatened from within by imminent war between the templars and the mages, even as rebellion stirs among the downtrodden elves. To save Orlais, Celene must keep her hold on the throne by any means necessary. At her heels are Grand Duke Gaspard, an Orlesian chivalier who believes the kingdom deserves a new, stronger leader; and Briala, Celene's handmaid, spymaster, and lover, who wants nothing more than to fight for her people–the elves. Alliances are forged and promises broken as Celene and Gaspard battle for the throne. In the end, however, the elves, hidden and starving, may decide the fate of the masked empire themselves. The Palace Job-Patrick Weekes 2013 "If Donald Westlake had given Dortmund a sword, if Douglas Adams had hitchhiked with a unicorn, Weekes has crafted that rare fantasy novel that both embraces and challenges the genre . . . this is, simply, a terrific damn novel." - Greg Rucka, New York Times bestselling author of Alpha, The Punisher, and BatmanLoch is seeking revenge. It would help if she wasn't in jail.The plan: to steal a priceless elven manuscript that once belonged to her family, but now is in the hands of the most powerful man in the Republic. To do so Loch — former soldier, former prisoner, current fugitive — must assemble a crack team of magical misfits that includes a cynical illusionist, a shapeshifting unicorn, a repentant death priestess, a talking magical warhammer, and a lad with seemingly no skills to help her break into the floating fortress of Heaven's Spire and the vault that holds her family's treasure — all while eluding the unrelenting pursuit of Justicar Pyvic, whose only mission is to see the law upheld. What could possibly go wrong? Empire City-Matt Gallagher 2021-01-26 From the author of Youngblood comes a "brilliant and daring" (Phil Klay, award-winning author of Redeployment) novel following a group of super-powered soldiers and civilians as they navigate an imperial America on the precipice of a major upheaval—for fans of The Fortress of Solitude and The Plot Against America. Thirty years after its great triumph in Vietnam, the United States has again become mired in an endless foreign war overseas. Stories of super soldiers known as the Volunteers tuck in little American boys and girls every night. Yet domestic politics are aflame—an ex-military watchdog group clashes with police while radical terrorists threaten to expose government experiments within the veteran rehabilitation colonies. Halfway between war and peace, the Volunteers find themselves waiting for orders in the vast American city-state, Empire City. There they encounter a small group of civilians who know the truth about their powers, including Sebastian Rios, a young bureaucrat wrestling with survivor guilt, and Mia Tucker, a wounded army pilot-turned-Wall Street banker. Meanwhile, Jean-Jacques Saint-Preux, a Haitian American Volunteer from the International Legion, decides he'll do whatever it takes to return to the front lines. Through it all, a controversial retired general emerges as a frontrunner in the presidential campaign, promising to save the country from itself. Her election would mean unprecedented military control over the country, with promises of security and stability—but at what cost? "A passionate, scary, wise, and perhaps even prophetic novel" (Tim O'Brien, author of The Things They Carried), Empire City is a rousing vision of an alternate—yet all too familiar—America on the brink written by a "preeminent voice in American writing" (Sara Novic, author of Girl at War). Dragon Age: Blue Wraith-Nunzio DeFilippis 2020-09-01 A group of Inquisition agents pursue the deadly elven warrior Fenris in this new chapter from the world of BioWare's dark fantasy RPG! From the video game developer of genre-defining roleplaying games such as Baldur's Gate, Star Wars: Knights of the Old Republic, and Mass Effect comes a canonical continuation of stories begun in the multiple game of the year award-winning Dragon Age: Inquisition. The power of the substance known as red lyrium is as dark as it is devastating, and a mysterious weapon containing a frightening amount of it is about to fall into the wrong hands. Enter knight Ser Aaron Hawthorne, elven thief Vaea, the magekillers Tessa Forsythia and Marius, and fledgling court artist Calix Pryde—a motley team of Inquisition agents whose task it is to recover the lyrium artifact before it's too late. In order to do so, fellow agent Varric Tethras directs them to recruit one more to their party, a former associate from Kirkwall—Fenris. However, as the team quickly discovers, this legendary fighter has an agenda of his own, and convincing him to join their cause will be no small feat. Collects Dragon Age: Blue Wraith #1-#3. An Empire Unacquainted with Defeat-Glen Cook 2008-11-01 The Dread Empire, a gritty world of larger-than-life plots, nation-shattering conflict, maddening magic, strange creatures, and raw, flawed heroes, all shown through the filter of Cook's inimitable war-correspondent prose. The Dread Empire, spanning from the highest peaks of the Dragon's Teeth to the endless desert lands of Hammad al Nakir, from besieged Kavelin to mighty Shinshan, the Empire Unacquainted with Defeat, with its fearless, masked soldiers, known as the Demon Guard... The Land of Stories: A Grimm Warning-Chris Colfer 2014-07-08 In the third book in the New York Times bestselling series by Chris Colfer, the Brothers Grimm have a warning for the Land of Stories. Conner Bailey thinks his fairy-tale adventures are behind him—until he discovers a mysterious clue left by the famous Brothers Grimm. With help from his classmate Bree and the outlandish Mother Goose, Conner sets off on a mission across Europe to crack a two-hundred-year-old code. Meanwhile, Alex Bailey is training to become the next Fairy Godmother...but her attempts at granting wishes never go as planned. Will she ever be truly ready to lead the Fairy Council? When all signs point to disaster for the Land of Stories, Conner and Alex must join forces with their friends and enemies to save the day. But nothing can prepare them for the coming battle...or for the secret that will change the twins' lives forever. The third book in the bestselling Land of Stories series puts the twins to the test as they must bring two worlds together! Dragon Age Inquisition-Bioware 2016-10-11 Collecting 20 premium quality posters from BioWare's fan-favourite, award winning fantasy video game epic! Dark Horse is proud to present this assembly of removable prints, featuring gorgeous art hand-selected by the game's creators. Whether you're a hardcore fan or new to the world of Dragon Age, this beautiful poster book is not to be missed! Religious Freedom-Tisa Wenger 2017-08-31 Religious freedom is so often presented as a timeless American ideal and an inalienable right, appearing fully formed at the founding of the United States. That is simply not so, Tisa Wenger contends in this sweeping and brilliantly argued book. Instead, American ideas about religious freedom were continually reinvented through a vibrant national discourse—Wenger calls it "religious freedom talk—that cannot possibly be separated from the evolving politics of race and empire. More often than not, Wenger demonstrates, religious freedom talk worked to privilege the dominant white Christian population. At the same time, a diverse array of minority groups at home and colonized people abroad invoked and reinterpreted this ideal to defend themselves and their ways of life. In so doing they posed sharp challenges to the racial and religious exclusions of American life. People of almost every religious stripe have argued, debated, negotiated, and brought into being an ideal called American religious freedom, subtly transforming their own identities and traditions in the process. In a post-9/11 world, Wenger reflects, public attention to religious freedom and its implications is as consequential as it has ever been. Blood in Ferelden-Walt Ciechanowski 2010-11-16 Contains three full-length, ready-to-play adventures for the Dragon Age tabletop roleplaying game based on BioWare's Dragon Age: Origins video game. Masks of Empire-R. Drayton 2015-09-26 The Empire's Old Clothes-Ariel Dorfman 2009-12-15 In this powerful cultural critique, Ariel Dorfman explores the political and social implications of the smiling faces that inhabit familiar books, comics, and magazines. He reveals the ideological messages conveyed in works of popular culture such as the Donald Duck comics, the Babar children's books, and Reader's Digest magazine. The Empire's Old Clothes was widely praised when it was first published in 1983. This edition, including a new preface by the author, makes a contemporary classic newly available. Dragon Age: The First Five Graphic Novels-David Gaider 2020-10-27 In Bioware's dark fantasy world of Thedas there are those who are willing to sacrifice their humanity for wealth and power, and those who will die to protect innocent people from them. The heroes of Thedas are often from unlikely places, some are pulled in to save the day by an odd string of fate, others seek adventure out on their own. These are their stories. The lonely king Alistair seeks out his father who was "lost at sea" fifteen years prior, but now he has a reason to think the old king is still alive. With the help of his friends, Varric the silver tongued Dwarven rogue and Isabella the legendary pirate, Alistair may find out what happened to his father. The small party will face down assassins, dragons, Qunari elites, corrupted mages and more in their epic quest. As a great cataclysm causes a rift in the sky to tear open, two mercenaries find themselves pulled into fighting alongside the Inquisition against eldritch horrors from the Fade and monstrous soldiers corrupted by red lyrium. Meanwhile, across the sea, in Kirkwall, a drunken knight and his deft squire stumble upon a nefarious plot to steal a priceless relic. Their best solution: steal it first. This will be a must have collection for Dragon Age fans everywhere. Collects Dragon Age: The Silent Grove #1-6, Dragon Age: Those Who Speak #1-3, Dragon Age: Until We Sleep #1-3, Dragon Age: Magekiller #1-5, and Dragon Age: Knight Errant #1-5. The Secret Commonwealth-Philip Pullman 2019-10-03 Twenty-year-old college undergraduate Lyra is once again thrown together with Malcom Polstead, now a professor, after Lyra and her daemon, Pantalaimon, receive secrets from a dying man about a daemon-haunted city and the origins of Dust. Moondust and Madness-Janelle Taylor 1992-11-01 An ordinary Texas girl finds herself in a place she never dreamed of in this science fiction romance by New York Times–bestselling author Janelle Taylor. Abducted by Commander Varian Saar of the starship Wanderlust, lovely Jana Greyson found herself high above her native Texas in a world beyond her imagination. A helpless pawn in an intergalactic struggle, Jana knew her handsome captor held her fate in his powerful grasp. And now he was stealing her heart as well . . . Their passion is forbidden, their desire undeniable—and their love will soon blaze as brightly as the stars, in this thrilling tale by the multimillion-selling author of the popular Gray Eagle series. Engines of Empire-Douglas R. Burgess Jr. 2016-05-04 In 1859, the U.S. Great Eastern departed from England on her maiden voyage. She was a remarkable wonder of the nineteenth century: an iron city longer than Trafalgar Square, taller than Big Ben's tower, heavier than Westminster Cathedral. Her paddles were the size of Ferris wheels; her decks could hold four thousand passengers bound for America, or ten thousand troops bound for the Raj. Yet she ended her days as a floating carnival before being unceremoniously dismantled in 1889. Steamships like the Great Eastern occupied a singular place in the Victorian mind. Crossing oceans, ferrying tourists and troops alike, they became emblems of nationalism, modernity, and humankind's triumph over the cruel elements. Throughout the nineteenth century, the spectacle of a ship's launch was one of the most recognizable symbols of British social and technological progress. Yet this celebration of the power of the empire masked overconfidence and an almost religious veneration of technology. Equating steam with civilization had catastrophic consequences for subjugated peoples around the world. Engines of Empire tells the story of the complex relationship between Victorians and their wondrous steamships, following famous travelers like Mark Twain, Charles Dickens, and Jules Verne as well as ordinary spectators, tourists, and imperial administrators as they crossed oceans bound for the colonies. Rich with anecdotes and wry humor, it is a fascinating glimpse into a world where an empire felt powerful and anything seemed possible—if there was an engine behind it.
