The Never List-Koethi Zan 2013-07-16 An international bestseller from the most relentless, deeply disturbing thriller writer since Jeffery Deaver and Gillian Flynn For years, best friends Sarah and Jennifer kept what they called the "Never List": a list of actions to be avoided, for safety's sake, at all costs. But one night, against their best instincts, they accept a cab ride with grave, everlasting consequences. For the next three years, they are held captive with two other girls in a dungeon-like cellar by a connoisseur of sadism. Ten years later, at thirty-one, Sarah is still struggling to resume a normal life, living as a virtual recluse under a new name, unable to come to grips with the fact that Jennifer didn't make it out of that cellar. Now, her abductor is up for parole and Sarah can no longer ignore the twisted letters he sends from jail. Finally, Sarah decides to confront her phobias and the other survivors—who hold their own deep grudges against her. When she goes on a cross-country chase that takes her into the perverse world of BDSM, secret cults, and the arcane study of torture, she begins unraveling a mystery more horrifying than even she could have imagined. A shocking, blazingly fast read, Koethi Zan's debut is a must for fans of Karin Slaughter, Laura Lippman, and S.J. Watson.

Heartsick-Chelsea Cain 2007-09-04 Damaged Portland detective Archie Sheridan spent ten years tracking Gretchen Lowell, a beautiful serial killer, but in the end she was the one who caught him. Two years ago, Gretchen kidnapped Archie and tortured him for ten days, but instead of killing him, she mysteriously decided to let him go. She turned herself in, and now Gretchen has been locked away for the rest of her life, while Archie is in a prison of another kind--addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims, but even he knows the truth--he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation, which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need to catch a killer, and maybe somehow then Archie can free himself from Gretchen, once and for all. Either way, Heartsick makes for one of the most extraordinary suspense debuts in recent memory.
