Banana-Lorna Piatti-Farnell 2016-04-15 Sweet but starchy, soft but toothsome—and so easy to peel they just beg to be devoured—bananas are one of our favorite foods, found everywhere from gas station counters to Michelin star restaurants. Yet for as versatile and ubiquitous as this fruit is today, its history is a turbulent one, entangled in colonial domination, capitalist exploitation, sexual politics, and even horrific violence. Delving into the banana's past, this book traces the complex circumstances of global modernity that perfectly aligned to grant us, often at tremendous costs, a treat we all now take for granted.

Beginning with the banana's origins in New Guinea, Lorna Piatti-Farnell follows its pathways to South East Asia, Africa, the Caribbean, and the Americas, binding together a millennium of history into one digestible bunch. Focusing especially on the banana's recent past, she shows how it rose from a regional staple to a global commodity, on par with coffee and sugar. She examines the ways it has been advertised, sold, and incorporated into popular culture, moving from nineteenth-century medical manuals to cookbooks, songs, slapstick comedy, and problematic figures like Miss Chiquita. Wide-ranging but pocket-sized, Banana is a culinary and cultural account of a peculiar little fruit that is at once the icon of exoticism and one of the most familiar foods we eat.

Winter Woods-Jane Summers 2018-05-14 Winter woods, silent, and undisturbed, empty of birds and leaves, flowers, icicles of pearls for miles. A path I traverse every morning in search of the robin to build musical melodies for an early spring. Winter, a time I reminisce and note season's memories. A time to carve

season's changes, of customs, traditions, and rituals, observed through season's festivals and note differences, any. Winter colors, a difference of summer, I see in winter vegetables and fruits, a color I need for an art to carve. Winter a summer I need, a plea for rest of an illness every winter. Winter lark, I searched for a message, a search only futile. A winter melody, I listen to every evening, and watch, the stars, a dance of the melody, of a winter night. Winter woods, an encounter different every winter . . . only worthy!

Culture of Stone-O. W. Hampton 1999 In this unique study, Hampton describes the complete cultural inventory of both secular and sacred stones, ranging from utilitarian stone tools and profane symbolic stones to symbolic spirit stones, power stones with multiple functions, and medicinal power stone tools.

The Sacred Wanderer-Ravi Dass 2010-05-01 This spiritual memoir is by one of the first American devotees of the guru Neem Karoli Baba made famous by Ram Dass in the classic *Be Here Now*. Ravi Dass starts his quest right after college in 1964 at the urging of Allen Ginsberg to go to India for spiritual awakening. It will take you on an extraordinary journey from living with the great saints of India to working for the largest companies in the world like IBM, HP, Grey Advertising and Young & Rubicam managing multimillion-dollar budgets. Ravi Dass encountered Baba Ram Dass when he was a monk at Ganeshpuri, the ashram of the controversial guru of Eat, Pray, Love fame in 1970. After meeting Ram Dass he asked to be taken to his guru Maharaji in the Himalayas. From that moment on, this book interweaves the odyssey of a long time seeker with the mysterious hand of Maharaji that guided him for the next forty years from householder to Maui. Neem Karoli Baba considered Ravi Dass the actual incarnation of the 15th century Indian Saint Raidas.

In the Company of Trees-Andrea Sarubbi Fereshteh 2019-01-15 Fascinating facts, trivia, and stories celebrating nature and the magnificent life of trees and their invaluable place in our lives, including beautiful, full-color photographs throughout. When was the last time you spent time outside? The space between your front door and your car doesn't count. Nature holds incredible power to soothe our spirits, calm our minds, and open us up to creativity, if we can unplug long enough to step away from our screens and embrace it. And while they say you can't see the forest for the trees, they play perhaps the leading role in our enjoyment of the outdoors. In the Company of Trees helps you rediscover your own connection to the world outside, with over 195 quotes, facts, and stories honoring trees from across the world and in our own back yards alike. Inviting, full-color photos of sun-dappled forests and tree-filled hikes throughout will inspire you to do some forest-bathing of your own and embrace the healing power of nature.

How Bad Are Bananas?-Mike Berners-Lee 2011-04-01 Part green-lifestyle guide, part popular science, *How Bad Are Bananas?* is the first book to provide the information we need to make carbon-savvy purchases and informed lifestyle choices and to build carbon considerations into our everyday thinking. The book puts our decisions into perspective with entries for the big things (the World Cup, volcanic eruptions, the Iraq war) as well as the small (email, ironing, a glass of beer). And it covers the range from birth (the carbon footprint of having a child) to death (the carbon impact of cremation). Packed full of surprises — a plastic bag has the smallest footprint of any item listed, while a block of cheese is bad news — the book continuously informs, delights, and engages the reader. Solidly researched and referenced, the easily digestible figures, statistics, charts, and graphs (including a section on the carbon footprint of various foods) will encourage discussion and help people to make up their own minds about their consumer choices.

Thirty-one Banana Leaves-Winifred Kellersberger Vass 1975 The analogy of the banana leaf is perfect for Winifred Kellersberger Vass to frame her thirty-one descriptive sketches of life in the African country of Zaire [Democratic Republic of Congo]. Humorous, informational, and inspirational, these loving glimpses of a people and a country celebrate the exuberance of rugged African life and offer a potpourri of memories from the author's growing-up years there as a "mish kid". Her exposure not only to exotic customs and life styles, but also to the dedicated and selfless Christian missionaries working there, enables her to give

these colorful vignettes an entertaining flair coupled with a deeper sense of God's presence and power in the world. (Book jacket).

Sacred Spaces-Yoginder Sikand 2003 A Fascinating Journey Through The World Of Sufi Pirs, Babas And Rishis The Politics Of Communal Hatred In Recent Times Has Brought Under Attack The Heterodoxy Of Our Religious Life. This Book Explores Popular Religious Cults From Various Parts Of The Country That Defy The Logic Of Communities As Neatly Separated From And Necessarily Opposed To Each Other. Travelling From Kerala To War-Torn Kashmir, And From Punjab To Madhya Pradesh, Through Twenty-Five Places Of Popular Pilgrimage Dargahs, Temples And Shrines Yoginder Sikand Finds Followers From Different Communities Flocking Together In Common Worship. At Hazrat Nund Rishi At Charar-E-Sharif, Or The Wavar Shrine At The Ayyappa Pilgrimage Of Sabarimala, At The Temple Of Goddess Elamma Of Sauditti, Or The Dargah Of Sarmad Of Delhi, Sikand Meets Saints, Keepers And Devotees To Discover How Traditions Associated With These Places Have Historically Challenged Religious As Well As Secular Elites, And Offered Their Adherents A Powerful And Deeply Humanist Vision Of The Sacred, Freed From The Narrow Boundaries Of Caste And Creed. But It Is Also Noteworthy That Some Of These Shrines, Such As The Swami Dattatreya Budhan Baba In Karnataka, Have Been Transformed Over Time And Become Sites Of Communal Contestation. Weaving Together Legend, History, Ethnography And Reminiscences With Critical Insights, Sacred Spaces Affords Us A Rare Glimpse Of Religious Traditions Outside The Mainstream. This Rich Legacy Could Well Be Invaluable In Promoting Alternate Ways Of Understanding Religion And The Notion Of Community Identity, A Need That Has Never Been More Urgent Than It Is Today.

Things Fall Apart-Chinua Achebe 2013-04-25 One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, Things Fall Apart is the compelling story of one man's battle to protect his community against the forces of change Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele

How to Wrap Five Eggs-Hideyuki Oka 2008 Wolf Haas' Detective Brenner series has become wildly popular around the world for a reason: They're timely, edgy stories told in a wry, quirky voice that's often hilarious, and with a protagonist it's hard not to love. In this episode, Brenner-forced out of the police force-tries to get away from detective work by taking a job as the personal chauffeur for two-year-old Helena, the daughter of a Munich construction giant and a Viennese abortion doctor. One day, while Brenner's attention is turned to picking out a chocolate bar for Helena at a gas station, Helena gets snatched from the car. Abruptly out of a job, Brenner decides to investigate her disappearance on his own. With both parents in the public eye, there's no scarcity of leads-the father's latest development project has spurred public protest, and the mother's clinic has been targeted by the zealous leader of an anti-abortion group. Brenner and God is told with a dark humor that leaves no character, including Brenner, unscathed. Haas tells the story of a fallible hero who can be indecisive and world-weary, baffled and disillusioned by what he finds, but who presses forward nonetheless out of a stubborn sense of decency-a two-year-old is kidnapped, so you

find her, because that's just what you do.

LSD, My Problem Child-Albert Hofmann 2005 This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.
