The Echo of Footsteps-Sylvia A. Witmore 2010-11 This novel brings back Max & T.G. Schaffer and Chase & Shannon Westmore as well as NASCAR history at The Rock in Rockingham, N.C. The protagonist is a dance instructor named Megan Garrison. The first time she realizes that there's someone stalking her, is the third consecutive night she has heard the echo of footsteps following her; she steps into the building's shadow to see who is coming up behind her. She can tell it's a man because of his build and height but he is wearing a baseball cap pulled low on his face and in the shadows of early twilight she cannot identify him. Megan comes into contact with a race driver named Ryan Anderson who is determined to win her affection; thus the struggle begins with the Schaffers and the Westmores trying to arrange a romance; Megan fights her growing attraction to Ryan but they come together as a turbulent couple struggling to control the evident passion between them as they try to catch a vicious killer who has already murdered one woman on the main street in Hamlet in front of a new bar called the Sports Connection and he has now set his sights on Megan as his next victim. Ryan tries to protect her but it's difficult to ward off violence when the unknown catalyst is so determined to take the life of a pretty, successful young woman.

Under Heaven-Guy Gavriel Kay 2010-04-27 Award-winning author Guy Gavriel Kay evokes the dazzling Tang Dynasty of 8th-century China in an masterful story of honor and power. It begins simply. Shen Tai, son of an illustrious general serving the Emperor of Kitai, has spent two years honoring the memory of his late father by burying the bones of the dead from both armies at the site of one of his father's last great battles. In recognition of his labors and his filial piety, an unlikely source has sent him a dangerous gift: 250 Sardian horses. You give a man one of the famed Sardian horses to reward him greatly. You give him four or five to exalt him above his fellows, propel him towards rank, and earn him jealousy, possibly mortal jealousy. Two hundred and fifty is an unthinkable gift, a gift to overwhelm an emperor. Wisely, the gift comes with the stipulation that Tai must claim the horses in person. Otherwise he would probably be dead already...

Blood Sins-Kay Hooper 2008-12-16 New York Times bestselling author Kay Hooper delivers once again with this chilling novel in which the Special Crimes Unit sends a Haven operative undercover to catch a charismatic killer who promises his victims heaven in exchange for more than their lives. . . Young, vulnerable, attractive, Tessa Gray looked like the perfect victim. Which was why Noah Bishop of the FBI's Special Crimes Unit recruited the novice operative to use as bait for a killer hidden inside the Church of the Everlasting Sin—a fortified mountain compound where at least two women have already been murdered in ways that defy explanation. By entering the cult's compound, Tessa will expose herself to the dark magnetism of its leader and his fanatically loyal followers. Once she's inside, no one, not even Bishop or the town's chief of police, can guarantee she'll come out alive. And not even Tessa knows if she's strong enough to resist the lure of a killer who is less than human.

A Monster Calls-Patrick Ness 2013-08-27 NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.

Phantom-Susan Kay 2011-12

The Divers' Game-Jesse Ball 2019-09-10 From the inimitable mind of award-winning author Jesse Ball, a novel about an unsettlingly familiar society that has renounced the concept of equality—and the devastating consequences of unmitigated power The old-fashioned struggle for fairness has finally been abandoned. It was a misguided endeavor. The world is divided into two groups, pats and quads. The pats may kill the quads as they like, and do. The quads have no recourse but to continue with their lives. The Divers' Game is a thinly veiled description of our society, an extreme case that demonstrates a truth: we must change or our world will collapse. What is the effect of constant fear on a life, or on a culture? The Divers' Game explores the consequences of violence through two festivals, and through the dramatic and excruciating examination of a woman's final moments. Brilliantly constructed and achingly tender, The Divers' Game shatters the notion of common decency as the binding agent between individuals, forcing us to consider whether compassion is intrinsic to the human experience. With his signature empathy and ingenuity, Jesse Ball's latest work solidifies his reputation as one of contemporary fiction's most mesmerizing talents.

He's had six years of practice at Walling Home, the state-run boarding school where he learned how to keep his head down to survive. But when Rett wakes up locked in a small depot with no memory of how he got there, he can't hide. Not from the stranger in the next room. Or from the fact that there's someone else's blood on his jumpsuit. Worse, every time he tries to escape, he wakes up right back where he started. Same day, same stranger, same bloodstained jumpsuit. Where the Echo Began-Hans Himmelheber 2000 In this book, the Native people of southwest Alaska generously share the traditional stories that form the expressive core of their unique culture. The lifeways observed and anecdotes recounted to a then-young university graduate, who recorded and compiled them in communities on Nunivak Island and the Yukon-Kuskokwim Delta, offer a glimpse today of a longstanding way of life. In the mid-1930s, Hans Himmelheber closely observed the Yup'ik and Cup'ig people who offered him hospitality, paying heed to their stories and anecdotes; he photographed them just as carefully, capturing their activities with technical elegance while simultaneously preserving unstudied moments in the people's lives. Himmelheber's photographs also honor his informants, for as one of them told him regarding his people's artwork, you know every picture has a meaning. The majority of these photographs have not been published before. This book includes the translated contents of Himmelheber's The Frozen Path: Myths, Tales, and Legends of the Eskimos; Ethnographic Notes on the Nunivak Eskimos; Noseblood as Adhesive Material for Color Paint among the Eskimos; and Unimaginable Miracles in the Poetry of Western Africa and the Eskimos, originally released in German. Kurt and Ester Vit's translation is readable and clear. Editor Ann Fienup-Riordan, herself a distinguished ethnographer known for her work in southwest Alaska, provides annotation and a detailed discussion of Himmelheber's role as observer and recorder in a thoughtful, scholarly introduction. Though much has changed in the last half century, Yup'ik and Cup'ig orators continue to tell stories to educate and amuse their listeners. With this English translation, Himmelheber has passed on what he learned to Native and non-Native readers alike.
