The Wild Palms-William Faulkner 2011-05-18 In this feverishly beautiful novel—originally titled If I Forget Thee, Jerusalem by Faulkner, and now published in the authoritative Library of America text—William Faulkner interweaves two narratives, each wholly absorbing in its own right, each subtly illuminating the other. In New Orleans in 1937, a man and a woman embark on a headlong flight into the wilderness of illicit passion, fleeing her husband and the temptations of respectability. In Mississippi ten years earlier, a convict sets forth across a flooded river, risking his own chance at freedom to rescue a pregnant woman. From these separate stories Faulkner composes a symphony of deliverance and damnation, survival and self-sacrifice, a novel in which elemental danger is juxtaposed with fatal injuries of the spirit. The Wild Palms is grandly inventive, heart-stopping in its prose, and suffused on every page with the physical presence of the country that Faulkner made his own.

Pylon-William Faulkner 2011-05-18 One of the few of William Faulkner's works to be set outside his

fictional Yoknapatawpha County, Pylon, first published in 1935, takes place at an air show in a thinly disguised New Orleans named New Valois. An unnamed reporter for a local newspaper tries to understand a very modern ménage à trois of flyers on the brainstorming circuit. These characters, Faulkner said, "were a fantastic and bizarre phenomenon on the face of the contemporary scene. . . . That is, there was really no place for them in the culture, in the economy, yet they were there, at that time, and everyone knew that they wouldn't last very long, which they didn't. . . . That they were outside the range of God, not only of respectability, of love, but of God too." In Pylon Faulkner set out to test their rootless modernity to see if there is any place in it for the old values of the human heart that are the central concerns of his best fiction.

These include among others: Albert Camus A\* Anton Chekhov A\* Robertson Davies A\* Graham Greene A\* George Eliot A\* Ian McEwan A\* F. Scott Fitzgerald A\* Jaroslav Hasek A\* Henrik Ibsen A\* John Irving A\* Patrick O'Brien A\* Boris Pasternak A\* Aleksandr Solzhenitsyn This book will be of interest to those with an interest in the medical humanities, and to students of cultural history and literature. It will also be of particular interest to medical practitioners of all kinds who enjoy literature and wish to understand and reflect upon wider perceptions of their profession.

William Faulkner-Cleanth Brooks 1989-12-01 Hailed by critics and scholars as the most valuable study of Faulkner's fiction, Cleanth Brooks's William Faulkner: The Yoknapatawpha Country explores the Mississippi writer's fictional county and the commanding role it played in so much of his work. Brooks shows that Faulkner's strong attachment to his region, with its rich particularity and deep sense of community, gave him a special vantage point from which to view the modern world. Brooks's consideration of such novels as Light in August, The Unvanquished, As I Lay Dying, and Intruder in the Dust shows the ways in which Faulkner used Yoknapatawpha County to examine the characteristic themes of the twentieth century. Contending that a complete understanding of Faulkner's writing cannot be had without a thorough grasp of fictional detail, Brooks gives careful attention to "what happens: In the Yoknapatawpha novels. He also includes useful genealogies of Faulkner's fictional clans and a character index.

Cuyahoga-Pete Beatty 2020-10-06 One of The Millions and BuzzFeed's Most Anticipated Books A spectacularly inventive debut novel that reinvents the tall tale for our times—"Cuyahoga defies all modest description...[it] is ten feet tall if it's an inch, and it's a ramshackle joy from start to finish" (Brian Phillips, author of Impossible Owls). Big Son is a spirit of the times—the times being 1837. Behind his broad shoulders, shiny hair, and church-organ laugh, Big Son practically made Ohio City all by himself. The feats

of this proto-superhero have earned him wonder and whiskey toasts but very little in the way of fortune. And without money, Big cannot become an honest husband to his beloved Cloe (who may or may not want to be his wife, honestly). In pursuit of a steady wage, our hero hits the (dirt) streets of Ohio City and Cleveland, the twin towns racing to become the first great metropolis of the West. Their rivalry reaches a boil over the building of a bridge across the Cuyahoga River—and Big stumbles right into the kettle. The resulting misadventures involve elderly terrorists, infrastructure collapse, steamboat races, wild pigs, and multiple ruined weddings. Narrating this “deliriously fun” (Brian Phillips) tale is Medium Son—known as Meed—apprentice coffin maker, almanac author, orphan, and the younger brother of Big. Meed finds himself swept up in the action, and he is forced to choose between brotherly love and his own ambitions. His uncanny voice—plain but profound, colloquial but surprisingly poetic—elevates a slapstick frontier tale into a screwball origin myth for the Rust Belt. In Cuyahoga, tragedy and farce jumble together in a riotously original voice. Evoking the Greek classics and the Bible alongside nods to Looney Tunes, Charles Portis, and Flannery O’Connor, Pete Beatty has written a rollicking revisionist (mid)Western with universal themes of family and fate—an old, weird America that feels brand new.

Heart of Palm-Laura Lee Smith 2013-04-02 “A spirited Southern family saga” from the acclaimed author of *The Ice House*: “Fans of Fannie Flagg will enjoy this novel” (*The Plain Dealer*). Once enlivened by the trade in Palm Sunday palms and moonshine, Utina, Florida, hasn’t seen economic growth in decades, and no family is more emblematic of the local reality than the Bravos. Deserted by the patriarch years ago, the Bravos are held together in equal measure by love, unspoken blame, and tenuously brokered truces. The story opens on a sweltering July day, as Frank Bravo, dutiful middle son, is awakened by a distress call. Frank dreams of escaping to cool mountain rivers, but he’s only made it ten minutes from the family restaurant he manages every day and the decrepit, Spanish moss-draped house he was raised in, and where his strong-willed mother and spitfire sister—both towering redheads, equally matched in stubbornness—are fighting another battle royale. Little do any of them know that Utina is about to meet the tide of development that has already engulfed the rest of Northeast Florida. When opportunity knocks, tempers ignite, secrets are unearthed, and each of the Bravos is forced to confront the tragedies of their shared past. “An incandescent first novel set in the small town of Utina, Florida, whose inhabitants struggle to balance tradition and progress.” —*O, The Oprah Magazine* “Intelligence, heart, wit . . . Laura Lee Smith has all the tools and *Heart of Palm* is a very impressive first novel.” —Richard Russo, Pulitzer Prize-winning author of *Empire Falls*

Faulkner and the Natural World-Donald M. Kartiganer 1999 Although he belonged to an American generation of writers deeply influenced by the high modernist revolt "against nature" and against the self-imposed limits of realism to a palpable world, William Faulkner reveals throughout his work an abiding sensitivity to the natural world. He writes of the big woods, of animals, and of the human body as a ground of being that art and culture can neither transcend nor completely control. The eleven essays that make up this volume, including a paper written by the acclaimed novelist William Kennedy, explore the place of "the unbuilt world" in Faulkner's fiction. They give particular attention to the social, mythic, and economic significance of nature, to the complexity of racial identity, and to the inevitable clash of gender and sexuality. These essays were presented in 1996 as papers at the Faulkner and Yoknapatawpha Conference, held annually at the University of Mississippi. Included are the following: Lawrence Buell's "Faulkner and the Claims of the Natural World"; Thomas L. McHaney's "Oversexing the Natural World"; Theresa M. Towner's "Color, Race, and Identity in Faulkner's Fiction"; Jay Watson's "The Art of the Literal in "Light in August""; Mary Joanne Dondlinger's "The Matter of Race and Gender in Faulkner's "Light in August""; Louise Westling's "Sutpen's Marriage to the Dark Body of the Land"; Myra Jehlen's "Faulkner and the Unnatural"; Diane Roberts's "Eula, Linda, and the Death of Nature"; David H. Evans's "'The Bear' and the Incarnation of America"; Wiley C. Prewitt, Jr.'s "Hunting and Habitat in Yoknapatawpha"; and William Kennedy's "Learning from Faulkner: The Obituary of Fear." Donald M. Kartiganer, Howry Chair of Faulkner Studies in the Department of English, and Ann J. Abadie, Associate Director of the Center for the Study of Southern Culture, teach at the University of Mississippi.

A Virtuous Woman-Kaye Gibbons 1997-01-12 A "vivid, unsentimental, powerful" portrait of a Southern marriage by the New York Times--bestselling author of Ellen Foster (Publishers Weekly). "She hasn't been dead four months and I've already eaten to the bottom of the deep freeze. I even ate the green peas. Used to I wouldn't turn my hand over for green peas . . ." Ruby Stokes has died too young and left her husband,

Blinking Jack, behind. With alternating entries from each of them, *A Virtuous Woman* recounts the tale of their years together in an “exquisitely realised piece of writing” (Elizabeth Buchan, *The Mail on Sunday*). From their very different backgrounds—Ruby a daughter of wealth, Jack a penniless tenant farmer—to their relationships with their landlord and his family, and the strength they drew from each other in the face of hardship, this story of a marriage is “full of fantastically gritty metaphors . . . A book that will change your dreams” (*The Observer*). “Gibbons again flawlessly reproduces the humor and idiom of rural eastern North Carolina.” —*Library Journal*

**The Town-William Faulkner 2011-05-18** This is the second volume of Faulkner’s trilogy about the Snopes family, his symbol for the grasping, destructive element in the post-bellum South. Like its predecessor *The Hamlet*, and its successor *The Mansion*, *The Town* is completely self-contained, but it gains resonance from being read with the other two. The story of Flem Snopes’ ruthless struggle to take over the town of Jefferson, Mississippi, the book is rich in typically Faulknerian episodes of humor and of profundity.

**Loulu-Donald R. Hodel 2012-11-30** Forewords by Paul R. Weissich and William S. Merwin The only native palms in Hawai‘i, loulu are among the Islands’ most distinctive plants. Several of the 24 recognized species are rare and endangered and all make handsome and appropriate ornamentals to adorn gardens and landscapes with their dramatic foliage, colorful flower clusters, and conspicuous fruits. In this volume, Donald Hodel shares his expertise on loulu, having traveled extensively throughout Hawai‘i to research and photograph nearly all the species in their native habitat. In the course of his work, he described and named three loulu that were new to science. Each of the 24 species is treated in detail and this book is handsomely illustrated with more than 200 color photographs that clearly show leaves, flower stalks, fruits, and habitat. Chapters on loulu history, botany, ecology, conservation, uses, and propagation and culture provide essential background information for readers, whatever their level of interest or expertise. In the appendices, they will find a concise summary of loulu, lists of species by island, and an illustrated compendium of exotic, naturalized palms of Hawai‘i and relatives of loulu found throughout the South Pacific. As interest in growing and conserving native Hawaiian plants surges while their numbers and habitat continue to decline, *Loulu: The Hawaiian Palm* will be valued as one of the most comprehensive and thoroughly illustrated treatments of these exceptional plants.

**I’m Losing You-Bruce Wagner 2012-07-31** “A writer without mercy . . . this book is like a wire stretched across the throat.” —*Oliver Stone* In an epic novel that does for Hollywood what Nashville did for Nashville, *I’m Losing You* follows the rich and famous and the down and out as their lives intersect in a series of coincidences that exposes the “bigger than life” ferocity of Hollywood—and proves that Bruce Wagner is a talent to be reckoned with. Wagner, author of the novel *Dead Stars*, examines the psychological complexities of Hollywood reality and fantasy, soaring far beyond the reaches of Robert Stone’s *Children of Light* and Nathaniel West’s *The Day of the Locust*.

**The Reader, the Text, the Poem-Louise M. Rosenblatt 1994-09-21** Starting from the same nonfoundationalist premises, Rosenblatt avoids the extreme relativism of postmodern theories derived mainly from Continental sources. A deep understanding of the pragmatism of Dewey, James, and Peirce and of key issues in the social sciences is the basis for a view of language and the reading process that recognizes the potentialities for alternative interpretations and at the same time provides a rationale for the responsible reading of texts. The book has been praised for its lucid explanation of the multidimensional character of the reading process - evoking, interpreting, and evaluating the work. The nonliterary (efferent) and the literary (aesthetic) are shown not to be opposites but to represent a continuum of reading behaviors. The author amply illustrates her theoretical points with interpretations of varied texts. The epilogue carries further her critique of rival contemporary theories.

**Memorial-Bruce Wagner 2006-09-12** In his most profound and accomplished book to date, acclaimed author Bruce Wagner breaks from Hollywood culture with a novel of exceptional literary dimension and searing emotional depth. Joan Herlihy is a semi-successful architect grasping at the illustrious commission that will catapult her to international renown, glossy décor magazines, and the luxe condo designs of Meier, Koolhaas, and Hadid: the incestuous cult of contemporary Starchitects. Unexpectedly, she finds her Venice Beach firm on the short list for a coveted private memorial -- a Napa billionaire’s vanity tribute to relatives killed in the Christmas tsunami -- with life-changing consequences. Her brother Chester clings to a failing career as a location scout before suffering an accidental injury resulting from an outrageous prank; the tragicomic repercussions lead him through a maze of addiction, delusion, paranoia -- and ultimately, transcendence. Virtually abandoned by her family, the indomitable Marjorie Herlihy -- mother, widow, and dreamer -- falls prey to a confidence scheme dizzying in its sadism and complexity. And unbeknownst to Marj and her children, the father who disappeared decades ago is alive and well nearby,

recently in the local news for reasons that will prove to be both his redemption and his undoing. Spiraling toward catastrophe, separate lives collide as family members make a valiant attempt to reunite and create an enduring legacy. To rewrite a ruined American dream. Deeply compassionate and violently irreverent, Memorial is a testament to faith and forgiveness, and a luminous tribute to spirituality in the twenty-first century. With an unflagging eye on a society ruptured by natural and unnatural disaster, and an insatiable love for humanity, Wagner delivers a masterpiece.
