When your son can't look you in the eye...does that mean he's guilty? Jacob Hunt is a teen with Asperger's syndrome. He's hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. He has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he's always showing up and telling the cops what to do. And he's usually right. But when Jacob's small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob's behaviors are hallmark Asperger's, but they look a lot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are thrust directly in the spotlight. For Jacob's mother, it's a brutal reminder of the intolerance and misunderstanding that always threaten her family. For his brother, it's another indication why nothing is normal because of Jacob. And for the frightened small town, the soul-searing question looms: Did Jacob commit murder? The Dead Queens Club-Hannah Capin 2019-01-29 If your school's homecoming king had a little too much in common with Henry VIII, would you survive with your head still attached? You'd think being the new girl in a tiny town would equal one very boring senior year. But if you're me—Annie Marck, alias Cleves—and you accidentally transform into teenage royalty by entering Lancaster High on the arm of the king himself? Life becomes the exact opposite of boring. Henry has it all: he's the jock, the genius and the brooding bad boy all in one. Which sort of explains why he's on his sixth girlfriend in two years. What it doesn't explain is why two of them—two of us—are dead. My best friend thinks it's Henry's fault, which is obviously ridiculous. My nemesis says we shouldn't talk about it, which is straight-up sketchy. But as the resident nosy new girl, I'm determined to find out what really happened to Lancaster's dead queens...ideally before history repeats itself.

Mayhem Brayburn has always known there was something off about her and her mother, Roxy. Maybe it has to do with Roxy's constant physical pain, or maybe with Mayhem's own irresistible pull to water. Either way, she knows they aren't like everyone else. But when May's stepfather finally goes too far, Roxy and Mayhem flee to Santa Maria, California, the coastal beach town that holds the answers to all of Mayhem's questions about who her mother is, her estranged family, and the mysteries of her own self. There she meets the kids who live with her aunt, and it opens the door to the magic that runs through the female lineage in her family, the very magic Mayhem is next in line to inherit and which will change her life for good. But when she gets wrapped up in the search for the man who has been kidnapping girls from the beach, her life takes another dangerous turn and she is forced to face the price of vigilante justice and to ask herself whether revenge is worth the cost. From the acclaimed author of This Raging Light and But Then I Came Back, Estelle Laure offers a riveting and complex story with magical elements about a family of women contending with what appears to be an irreversible destiny, taking control and saying when enough is enough.
