Trains: A Complete History-Philip Steele 2014-08-01 Immerse yourself in railroad history all the livelong day! An icon of the Industrial Revolution, railroads were essential to the progress of the nineteenth and twentieth centuries. Today's trains travel at speeds up to 268 miles per hour, and the limits continue to be pushed. Trains: A Complete History provides an excellent overview of the train models that were groundbreaking in their respective eras. The scope of progress comes to life on these pages—from the 1830 Best Friend of Charleston, whose passengers were to said to have traveled "on the wings of the wind" at a whopping top speed of twenty-five miles per hour, to the 2012 hybrid-powered Japan Railway HD300, which uses 36 percent less fuel than traditional trains and travels at speeds up to seventy miles per hour. Complete with a detachable collection of press-out model train pieces, Trains: A Complete History is the two-in-one book that will have train enthusiasts young and old tooting their horns and hollering, "All aboard!"
