United Eden-Nicole Williams 2011-11-14 Life's been many things for twenty year old Bryn Dawson, but one thing it's never been is easy. And it's only about to get harder. As the gossip of Bryn being Betrothed to her true love's little brother, Patrick, becomes more reality than rumor, Bryn does her best to think positive thoughts, ignore Patrick's odd behavior, avoid Paul's relentless advances, and attempts to conjure William back from his latest overseas mission. She fails on all fronts. The night an army of Inheritors set out with an agenda to deliver vengeance on any Guardian surrounding Bryn, the Betrothal Ball becomes the least of her worries. Instead of worrying about who she'll be marching down the aisle towards, she has to accept she might not be making the journey down the aisle ever.

Eternal Eden-Nicole Williams 2011-03-01 College sophomore Bryn Dawson is a self-proclaimed poster child for normal. However, the day William Hayward enters her life, normalcy is the last thing Bryn will be able to count on if she wants to be with him. Too mysterious and appealing to be good for a girl, Bryn feels drawn to him in a way that seems out of her control—as if fate is orchestrating it. Despite every red flag and warning siren going off in her head telling her not to, Bryn falls hard for William, knowing he's categorically different from anyone she's ever met. She never imagined how right she was. When William takes her deeper into the rabbit hole of his world, Bryn must decide just how much she is willing to sacrifice to be with him, knowing no matter what, fate always finds a way to have the last laugh. Spinning a new twist on star-crossed lovers, Eternal Eden will put Bryn through a gauntlet of turmoil, challenging her to find the power within herself to become the heroine in her own story.

Fallen Eden-Nicole Williams 2014-10-06 If happily ever after were a place, twenty-year-old Bryn Dawson would be on the farthest planet from it. Reduced to stolen glances and secret meetings as they await a Betrothal the Council is bent on stalling, William and Bryn have to settle for happily right now, but with a man like William Hayward at her side, Bryn's hardly settling. The day John Townsend sends an army of Immortal mercenaries intent on destroying everyone Bryn loves, she must make the decision generations of star-crossed lovers before her have—live alone or die together. William's made his decision, Bryn's the one fate's waiting on. But fate will only wait so long until it makes the decision for her.

Fissure-Nicole Williams 2012-03-12 His confidence on a hiatus, his swagger on sabbatical, and his ego bruised, Patrick Hayward is a shell of the man he once was. Cursing at and writing off love after the only woman he let himself fall for wound up marrying his older brother, Patrick enrolls himself at Stanford hoping college life, the California girls, and the epic surf will get him back to his free-spirited, ladies-man-extraordinaire self. Just when Patrick feels the shadow of himself returning, Emma Scarlett enters his life, seeing through his shenanigans and calling him on his crap. Intrigued by this fascinating creature who is ignorant to his charm, surrounded by four older brothers that look at Patrick like he's a bug to squish, and dating the same guy for the past six years who gives new meaning to the term territorial boyfriend, Patrick gravitates to Emma, knowing she's everything he shouldn't fall for. So, of course, he can't help himself. It doesn't take long for Patrick to discover Emma has as many secrets as he does. And hers may be just as dark as his. This time, falling for the girl could not only break his heart, but his spirit.

Sleeping in Eden-Nicole Baart 2013-05-21 She knew what he wrote . . . One little word that made her feel both cheated and beloved. One word that changed everything. MINE. On a chilly morning in the Northwest Iowa town of Blackhawk, Dr. Lucas Hudson is filling in for the vacationing coroner on a seemingly open-and-shut suicide case. His own life is crumbling around him, but when he unearths the body of a woman buried in the barn floor beneath the hanging corpse, he realizes this terrible discovery could change everything. . . . Years before Lucas ever set foot in Blackhawk, Meg Painter met Dylan Reid. It was the summer before high school and the two quickly became inseparable. Although Meg's older neighbor, Jess, was the safe choice, she couldn't let go of Dylan no matter how hard she tried. Caught in a web of jealousy and deceit that spiraled out of control, Meg's choices in the past ultimately collide with Lucas's discovery in the present, weaving together a taut story of unspoken secrets and the raw, complex passions of innocence lost.

Far from Here-Nicole Baart 2012-02-07 From the author of Summer Snow—a suspenseful, breathtaking novel about true love, starting over, and finding the truth...at all costs. How long do you hold on to hope? Danica Greene has always hated flying, so it was almost laughable that the boy of her dreams was a pilot. She married him anyway and together, she and Etsell settled into a life where love really did seem to conquer all. Danica is firmly rooted on the ground in Blackhawk, the small town in northern Iowa where they grew up, and the wide slashes of sky that stretch endlessly across the prairie seem more than enough for Etsell. But when the opportunity to spend three weeks in Alaska helping a pilot friend presents itself, Etsell accepts and their idyllic world is turned upside down. It's his dream, he reveals, and Danica knows that she can't stand in the way. Ell is on his last flight before heading home when his plane mysteriously vanishes shortly after takeoff, leaving Danica in a free fall. Etsell is gone, but what exactly does gone mean? Is she a widow? An abandoned wife? Or will Etsell find his way home to her? Danica is forced to search for the truth in her marriage and treks to Alaska to grapple with the unanswerable questions about her husband's mysterious disappearance. But when she learns that Ell wasn't flying alone and that a woman is missing, too, the bits and pieces of the careful life that she had constructed for them in Iowa take to the wind. A story of love and loss, and ultimately starting over, Far From Here explores the dynamics of intimacy and the potentially devastating consequences of the little white lies we tell the ones we love.

The name inspires resentment in every male at Sinclair University, want in every female, and contempt in Charlie Chase. In an ocean of All-American boys sporting polo shirts and innocent smiles, Knox is the obvious suspect. Exes with Benefits-Nicole Williams 2017-09-18 ***He wants a second chance. I want a divorce. To get what I want, I'll have to give him what he does.*** From New York Times & USA Today bestselling author, Nicole Williams: The only benefit I want from my ex is a divorce. We got married for all the wrong reasons. The one thing we got right was our separation. I should have known better than to think I could bet on forever with a guy like Canaan Ford. Everything about him screamed impermanent, from his wild eyes to his restless soul. When I left him and the small town I'd spent my whole life in, I swore I'd never go back. Never only turned out to be five years. Canaan claims he's changed, but he hasn't—same knowing smile, same roguish demeanor, same body crafted from sin and sinew. And yet, something is different. He thinks this is his chance for redemption. My disagreement comes in the form of divorce papers dropped in his lap. He refuses to sign them. Unless . . . He wants a month to prove himself to me—that's his offer. One month to make me fall in love with him again and if I don't, he'll sign the papers. As much as I want to say no, I agree. I can suffer my ex for a short amount of time if that's what it takes to be free of him once and for all. I fell for him once; I won't make that same mistake twice. He says we're not over. I say we were over before we got started. Only one of us can be right, and I can't let it be him.

Keywords of Mobility-Noel B. Salazar 2016-06-01 Scholars from various disciplines have used key concepts to grasp mobilities, but as of yet, a working vocabulary of these has not been fully developed. Given this context and inspired in part by Raymond Williams' Keywords (1976), this edited volume presents contributions that critically analyze mobility-related keywords: capital, cosmopolitanism, freedom, gender, immobility, infrastructure, motility, and regime. Each chapter provides an historical context, a critical analysis of how the keyword has been used in relation to mobility, and a conclusion that proposes future usage or research.

The War on Cops-Heather Mac Donald 2017-09-19 Violent crime has been rising sharply in many American cities after two decades of decline. Homicides jumped nearly 17 percent in 2015 in the largest 50 cities, the biggest one-year increase since 1993. The reason is what Heather Mac Donald first identified nationally as the “Ferguson effect”: Since the 2014 police shooting death of Michael Brown in Ferguson, Missouri, officers have been backing off of proactive policing, and criminals are becoming emboldened. This book expands on Mac Donald's groundbreaking and controversial reporting on the Ferguson effect and the criminal-justice system. It deconstructs the central narrative of the Black Lives Matter movement: that racist cops are the greatest threat to young black males. On the contrary, it is criminals and gangbangers who are responsible for the high black homicide death rate. The War on Cops exposes the truth about officer use of force and explodes the conceit of “mass incarceration.” A rigorous analysis of data shows that crime, not race, drives police actions and prison rates. The growth of proactive policing in the 1990s, along with lengthened sentences for violent crime, saved thousands of minority lives. In fact, Mac Donald argues, no government agency is more dedicated to the proposition that “black lives matter” than today's data-driven, accountable police department. Mac Donald gives voice to the many residents of high-crime neighborhoods who want proactive policing. She warns that race-based attacks on the criminal-justice system, from the White House on down, are eroding the authority of law and putting lives at risk. This book is a call for a more honest and informed debate about policing, crime, and race.

It cost him his wings-but she's worth it. Except when Keenan catches up to his pretty schoolteacher, she's not so innocent anymore. Little Broken Things-Nicole Baart 2020-08-25 “If you liked Big Little Lies, you'll want to crack open [Little Broken Things].” —Southern Living An unforgettable and moving novel about an affluent suburban family whose carefully constructed façade crumbles with the unexpected arrival of an endangered young girl. I have something for you. When Quinn Cruz receives that cryptic text message from her older sister Nora, she doesn't think much of it. They haven't seen each other in nearly a year and their relationship consists mostly of infrequent phone calls and the occasional email. But when a haunted-looking Nora shows up just hours later, a chain reaction is set into motion that will change both of their lives forever. Nora's “something” is more shocking than Quinn could have ever imagined: a little girl, cowering and wide-eyed. Nora hands her over to Quinn with instructions to keep her safe and disappears, leaving Quinn as the unlikely caretaker of a girl introduced simply as Lucy. “Steeped in menace...a race-to-the-finish family drama” (People). Little Broken Things explores life and death, family and freedom, and the lengths one woman will go to protect the ones she loves.

Murder in the Bayou-Ethan Brown 2019-09-17 Soon to be a Showtime documentary, Murder in the Bayou is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is “part murder case, part corruption exposé, and part Louisiana noir” (New York magazine).

Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings' class-divided neighborhoods. The Jeff Davis 8 had been among society's most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman's final hours delivering a true crime tale that is “mesmerizing” (Rolling Stone) and “explosive” (Huffington Post). “Brown is a man on a mission...he gives the victims more respectful attention than they probably got in real life” (The New York Times). “A must-read for true-crime fans” (Publishers Weekly, starred review), with a new afterword, Murder in the Bayou is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost.

The Newspaper Warrior-Sarah Winnemucca Hopkins 2015-06 Sarah Winnemucca Hopkins (Northern Paiute) has long been recognized as an important nineteenth-century American Indian activist and writer. Yet her acclaimed performances and speaking tours across the United States, along with the copious newspaper articles that grew out of those tours, have been largely ignored and forgotten. The Newspaper Warrior presents new material that enhances public memory as the first volume to collect hundreds of newspaper articles, letters to the editor, advertisements, book reviews, and editorial comments by and about Sarah Winnemucca Hopkins. This anthology gathers together her literary production for newspapers and magazines from her 1864 performances in San Francisco to her untimely death in 1891, focusing on the years 1879 to 1887, when Winnemucca Hopkins gave hundreds of lectures in the eastern and western United States; published her book, Life among the Piutes: Their Wrongs and Claims (1883); and established a bilingual school for Native American children. Editors Cari M. Carpenter and Carolyn Sorisio masterfully assemble these exceptional and long-forgotten articles in a call for a deeper assessment and appreciation of Winnemucca Hopkins's stature as a Native American author, while also raising important questions about the nature of Native American literature and authorship.
