Awakened-P. C. Cast 2011-01-04 "My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. THE VAMPIRE AWAKENING-Allan Lavey 2018-04-28 Throughout history, the legend and the mystique of the Vampire endures. Why? This is due in no small part to the power of the archetype in the minds of humankind. It is the spirit that is the Vampire and the emergent force that its presence continues to paint within modern day Vampire culture. The Vampire mirrors the reflections of those qualities that particular people seek to emulate within themselves for what can only be embraced as an innate reason. It's been said by many people that they feel born to it. The Vampire commands its own presence at the core of humankind's nature. In some way, everyone ponders the power that resides in the night side of our being. For those who identify as Vampire, this is the core of what the Vampire is. The night side of a state of essence. The Vampire is rooted in an ascendance to another state of being. An altered state of vibration if you will, an essence that those who call themselves Vampire, seek to rise to. The current state of Vampire Culture has evolved from the roots of its being in the late 1980's and into the 1990's into what it continues to present of itself now. For those who have submersed themselves into the culture, they parlay at the color and the spirit of all that they embrace as being Vampire. Then there are those who understand, intimately, that what this is truly all about to them, is the acceptance of themselves into another state of being entirely. This is when: "The Awakening" takes place for some. The Vampire Awakening.

Broken Dawn-Dianne Duvall 2020-06-15 Delve into an exciting new stand-alone novel in New York Times bestselling author Dianne Duvall's "fast-paced and humorous" (Publishers Weekly), "utterly addictive" (RT Book Reviews) Immortal Guardians series. Nick Belanger can't stop thinking about the single mother who lives next door. She's smart. She's funny. She's so beautiful he can't stare at her too long for fear his eyes will start to glow. But Kayla thinks he's just an ordinary guy who works in security. Finding out he instead is a powerful immortal warrior who hunts and slays psychotic vampires for a living may not go over well, particularly since she has a daughter she doesn't want to endanger. Kayla Dorman can keep neither her gaze nor her thoughts from straying to the man next door. Who can blame her really? He is the epitome of tall, dark, and handsome with smart, charming, and honorable thrown in. He's also a few years younger than her and surely would not be interested in a single mom who hasn't dated since her divorce. The friendship they've developed over the years deepens into love as the two spend every minute they can together, laughing and teasing, never suspecting a threat may lurk in the shadows. Though Kayla bravely rises to the occasion and is determined to do whatever it takes to help Nick defeat his enemy, Nick is terrified of losing her. Horse Crazy-Gary Indiana 2018-09-18 "This story, if it is one, deserves the closure of a suicide, perhaps even the magisterial finality of what is usually called a novel, but the remnants of that faraway time offer nothing more than a taste of damp ashes, a feeling of indeterminacy, and the obdurate inconclusiveness of passing time." So writes the unnamed narrator of Horse Crazy, looking back on a season of madness and desire. The first novel from the brilliant, protean Gary Indiana, Horse Crazy tells the story of a thirty-five-year-old writer for a New York arts and culture magazine whose life melts into a fever dream when he falls in love with the handsome, charming, possibly heroin-addicted, and almost certainly insane Gregory Burgess. In the derelict brownstones of the Lower East Side in the late eighties, among the coked out restauranteurs and art world impresarios of the supposed "downtown scene," the narrator wanders through the fog of passion. Meanwhile, the AIDS epidemic is spreading through the city, and New York friendships sputter to an end. Here is a novel where the only moral is that thwarted passion is the truest passion, where love is a hallucination and the gravest illness is desire.
