U.S. History-P. Scott Corbett 2017-12-19 Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Teaching U.S. History-Diana Turk 2010-06-15 Teaching U.S. History is a must read for any aspiring or current teacher who wants to think critically about how to teach U.S. history and make historical discussions come alive in our schools' classrooms.

Cultural Competence Now-Vernita Mayfield 2020 This book's strategies and tools help school leaders explore urgent and uncomfortable issues of race, bias, and privilege with their teachers throughout the school year.

Teaching Russian Studies-Patricia Winpenny 2000-09-01 This book is for those who want to teach about the life, history, language or culture of Russia and the former Soviet Union. Students will learn about the states of the former Soviet Union and the current political structure of Russia. Information is drawn from interviews with Russian children, traditional folktales, maps, original Russian childrens artwork, traditional Russian recipes, and basic Russian language lessons. Lesson include: (1) Introduction; (2) Geography and History; (3) Modern Culture; (4) Art; (5) Language; (5) Folktales; (6) Resources. Read more at http://www.du.edu/ctir/pubs_why.html.

Pledge of Allegiance-Douglas M. Rife 1998-03-01 A fascinating look at the history, meaning and controversial aspects of the pledge and its relevance to the present day. Includes a reproduction of original 1892 editorial cartoons and activities based on two Supreme Court decisions.

Exploring America-Ray Notgrass 2007

World History Lessons for the Stuff That's Hard to Teach-Social Studies School Service 2006-01-01 Activities for secondary students centered on specific historical and current events.

Todd & Curti's the American nation-Paul S. Boyer 1995 [This book explores] seven broad themes central to American history: global relations, [the] Constitutional heritage, democratic values, technology and society, cultural diversity, geographic diversity, and economic development. They provide a context for the historical events [which] will help [the student] understand the connections between historical events and see how past events are relevant to today's social, political, and economic concerns. -Themes in American history. Throughout [the book, the student is] asked to think critically about the events and issues that have shaped U.S. history ... Helping [the student] develop critical thinking skills is a [key] goal of [the text]. -Critical thinking and the study of history.

The Peoples Tutor, U. S. Government-Beverly Vaillancourt 2001 "A tutorial study guide for any U.S. Government course"--Page 4 of cover.

America: History of Our Nation-James West Davidson 2009

From Adam to Us-Ray Notgrass 2016

The American Pageant-Thomas Andrew Bailey 1998 USAs historie indtil 1996

A People's History of the United States-Howard Zinn 1996 In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

Exploring World History-Ray Notgrass 2014

On Tyranny-Timothy Snyder 2017 In previous books, Holocaust historian Timothy Snyder dissected the events and values that enabled the rise of Hitler and Stalin and the execution of their catastrophic policies. With *Twenty Lessons*, Snyder draws from the darkest hours of the twentieth century to provide hope for the twenty-first. As he writes, "Americans are no wiser than the Europeans who saw democracy yield to fascism, Nazism and communism. Our one advantage is that we might learn from their experience."

AP® European History Crash Course, 2nd Ed., Book + Online-Larry Krieger 2016-02-10 "Fully revised for the new 2016 exam."--Cover.

The Americans-Gerald A. Danzer 2003-12-04

If Stones Could Speak-Marc Aronson 2010 Explores the mysterious monument of Stonehenge and reveals some of its secrets and history.

Out of the Dust-Karen Hesse 2012-09-01 Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

They Called Us Enemy-George Takei 2019-07-17 George Takei has captured hearts and minds worldwide with his captivating stage presence and outspoken commitment to equal rights. But long before he braved new frontiers in *Star Trek*, he woke up as a four-year-old boy to find his own birth country at war with his father's--and their entire family forced from their home into an uncertain future. In a stunning graphic memoir, Takei revisits his haunting childhood in American concentration camps, as one of over 100,000 Japanese Americans imprisoned by the U.S. government during World War II. Experience the forces that shaped an American icon--and America itself--in this gripping tale of courage, country, loyalty, and love.

Fever 1793-Laurie Halse Anderson 2011-08-16 It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight--the fight to stay alive.

Current Index to Journals in Education- 2000-04

The Birchbark House-Louise Erdrich 2002-05-13 "[In this] story of a young Ojibwa girl, Omakayas, living on an island in Lake Superior around 1847, Louise Erdrich is reversing the narrative perspective used in most children's stories about nineteenth-century Native Americans. Instead of looking out at 'them' as dangers or curiosities, Erdrich, drawing on her family's history, wants to tell about 'us', from the inside. The Birchbark House establishes its own ground, in the vicinity of Laura Ingalls Wilder's 'Little House' books." --The New York Times Book Review

Ruth and the Green Book-Calvin Alexander Ramsey 2013-11-01 Ruth was so excited to take a trip in her family's new car! In the early 1950s, few African Americans could afford to buy cars, so this would be an adventure. But she soon found out that black travelers weren't treated very well in some towns. Many hotels and gas stations refused service to black people. Daddy was upset about something called Jim Crow laws . . . Finally, a friendly attendant at a gas station showed Ruth's family *The Green Book*. It listed all of the places that would welcome black travelers. With this guidebook—and the kindness of strangers—Ruth could finally make a safe journey from Chicago to her grandma's house in Alabama. Ruth's story is fiction, but *The Green Book* and its role in helping a generation of African American travelers avoid some of the indignities of Jim Crow are historical fact.

Finish Line New York Math-Continental Press Staff 2014-11-03 The annotated teacher's edition for Finish Line New York Math includes instructions for using

The Influence of Sea Power Upon History, 1660-1783-Alfred Thayer Mahan 1918

China and International Investment Law-Wenhua Shan 2014-10-31 The first volume in the Silk Road Studies in International Economic Law Series, China and International Investment Law: Twenty Years of ICSID Membership examines cutting-edge issues of international investment law and arbitration in interaction with China, the second largest economy of the world.

U.S. History Detective-Steve Greif 2015-03-01

American Government-Frank Abbott Magruder 1917

The American Yawp-Joseph L. Locke 2019-01-22 "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

An Indigenous Peoples' History of the United States-Roxanne Dunbar-Ortiz 2014-09-16 2015 Recipient of the American Book Award The first history of the United States told from the perspective of indigenous peoples Today in the United States, there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. In An Indigenous Peoples' History of the United States, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: "The country can be rid of them only by exterminating them." Spanning more than four hundred years, this classic bottom-up peoples' history radically reframes US history and explodes the silences that have haunted our national narrative.

Life Lines- 1967

Into the Wild-Jon Krakauer 2009-09-22 In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

Holes-Louis Sachar 2011-06-01 Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from Louis Sachar's new middle-grade novel, Fuzzy Mud. "A smart jigsaw puzzle of a novel." --The New York Times WINNER OF THE BOSTON GLOBE-HORN BOOK AWARD A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK SELECTED FOR NUMEROUS BEST BOOK OF THE YEAR AND ALA HONORS

A Patriot's History of the United States-Larry Schweikart 2004-12-29 For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

Adventures of Huckleberry Finn-Mark Twain 2010-01-01 In Mark Twain's classic tale of friendship and adventure, Huckleberry Finn escapes his evil, drunken father, befriends a runaway slave named Jim, and sails the Mississippi River! As Huck and Jim sail to freedom, they encounter con men and thieves and get in plenty of trouble along the way. Follow Huck's coming-of-age journey in the Calico Illustrated Classics adaptation of Twain's The Adventures of Huckleberry Finn. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.
