Dangerous Angels-Francesca Lia Block 2009-06-16 The Weetzie Bat series, by acclaimed author Francesca Lia Block, was listed among NPR's 100 Best-Ever Teen Novels. This collection brings together all five luminous novels of the series in one. Spinning a saga of interwoven lives and beating hearts, these postmodern fairy tales take us to a Los Angeles brimming with magical realism: a place where life is a mystery, pain can lead to poetry, strangers become intertwined souls, and everyone is searching for the most beautiful and dangerous angel of all: love. The Weetzie Bat books broke new ground with their stylized, lyrical prose and unflinching look at the inner life of teens. The New York Times declared Dangerous Angels was "transcendent." And the Village Voice proclaimed "Ms. Block writes for the young adult in all of us." Includes Weetzie Bat, Witch Baby, Cherokee Bat and the Goat Guys, Missing Angel Juan, and Baby Be-Bop.

Witch Baby-Francesca Lia Block 2009-11-03 Once upon a time in the city of Shangri-L.A., someone left a baby on a doorstep. She had wild, dark hair and purple eyes and looked at the world in a special way. The family that took her in called her Witch Baby and raised her as their own. Longtime fans and newfound readers alike will fall in love with Francesca Lia Block's beautifully crafted and brutally honest world. Wasteland-Francesca Lia Block 2009-10-13 When you were a baby I sat very still to hold you. I could see the veins through your skin like a map to inside you. I stopped breathing so you wouldn't ... You were just a boy on a bed in a room, like a kaleidoscope is a tube full of bits of broken glass. But the way I saw you

was pieces refracting the light, shifting into an infinite universe of flowers and rainbows and insects and planets, magical dividing cells, pictures no one else knew ... Your whole life you can be told something is wrong and so you believe it.

Teen Spirit-Francesca Lia Block 2014-02-04 Francesca Lia Block, critically acclaimed author of *Weetzie Bat*, brings this eerie and redemptive ghost story to life with her signature, poetic prose. It's perfect for fans of supernatural stories with a touch of romance like the *Beautiful Creatures* series by Kami Garcia and Margaret Stohl. After Julie's grandmother passes away, she is forced to move across town to the not-so-fancy end of Beverly Hills and start over at a new school. The only silver lining to the perpetual dark cloud that seems to be following her? Clark—a die-hard fan of *Buffy* and all things Joss Whedon, who is just as awkward and damaged as she is. Her kindred spirit. When the two try to contact Julie's grandmother with a Ouija board, they make contact with a different spirit altogether. The real kind. And this ghost will do whatever it takes to come back to the world of the living. Francesca Lia Block's latest young adult novel is a haunting work about family, loss, love, and redemption.

Blood Roses-Francesca Lia Block 2008-07-01 What shall we do, all of us? All of us passionate girls who fear crushing the boys we love with our mouths like caverns of teeth, our mushrooming brains, our watermelon hearts? Quakeland-Francesca Lia Block 2008-05-01 “[Francesca Lia] Block writes about the real Los Angeles better than anyone since Raymond Chandler.”—The New York Times Book Review “[Block] uses language like a jeweled sword glittering as it cuts to the heart.”—Kirkus Reviews

After enduring from afar a seemingly endless series of outside worldwide disasters—including 9/11 and the Asian tsunami—while living in earthquake-prone Los Angeles, a bereft Katrina experiences deep inner longings for some sense of permanence, meaning, and intimacy. A preschool teacher contemplating the unsettling challenges of her mid-life, she finds solace in the company of her dear friend Grace, and conflict in the arms of a narcissistic yoga instructor, Jasper. In this intertwining series of emotionally charged stories, wistful

characters weave together a dance of joy and sorrow, gain and loss, harmony and dissonance. Beautifully written, Quakeland speaks in a deeply stirring female voice to an unspoken sense of universal longing that seems quietly prevalent in these times. It is a brave, poetic work that acknowledges the pain and loss we live with every day, and offers hope—through art and through connection—of something more. Francesca Lia Block is renowned for her groundbreaking novels and stories, including the best-selling *Weetzie Bat*—postmodern, magic-realist tales for all ages. Her work transports readers through the harsh landscapes of contemporary life to magic realms of the senses where love is always a saving grace. She lives in Los Angeles.

Pretty Dead-Francesca Lia Block 2009-09-22 People pity me, but mostly they feel envy. I have all the luxury and freedom a girl my age could want. Something is happening to Charlotte Emerson. Like the fires that are ravaging the hills of Los Angeles, it consumes her from the inside out. But whether it is her eternal loneliness, the memory of her brother, the return of her first love, or the brooding, magnetic Jared—she cannot say. What if it's something more . . . Something to do with the sudden tear in her perfect nails. The heat she feels when she's with Jared. The blood rushing once again to her cheeks and throughout her veins. For Charlotte is a vampire, witness to almost a century's worth of death and destruction. But not since she was a human girl has mortality touched her. In what way will you be transformed? Until now.

Violet & Claire-Francesca Lia Block 2009-10-13 This is the story of two girls, racing through space like shadow and light. A photo negative, together they make the perfect image of a girl. Violet is the dark one, dressed in forever black, dreaming Technicolor dreams of spinning the world into her very own silver screen creation. Claire is like a real-life Tinker Bell, radiating love and light, dressing herself in wings of gauze and glitter, writing poems to keep away the darkness. The setting is L.A., a city as beautiful as it is dangerous, and within this landscape of beauty and pain Violet and Claire vow to make their own movie. Together they will show the world the way they want it to be, and maybe then the world will become that

place--a place where people no longer hate or fight or want to hurt. But when desire and ambition threaten to rip a seamless friendship apart, only one thing can make two halves whole again--the power of love. Francesca Lia Block's latest novel is a beautifully told story that boldly combines the world of film with the lyrical graceful language of poetry. The voices of two friends--one dark, one light--combine to tell a larger tale of love and loss, and the strength that comes from believing in dreams.

The Hanged Man-Francesca Lia Block 2009-10-06 After the death of her father, Laurel is haunted by a legacy of family secrets, hidden shame, and shattered glass. Immersing herself in the heady rhythms of a city that is like something wild, caged, and pacing, Laurel tries to lose herself. But when she runs away from the past, she discovers a passion so powerful, it brings her roundabout and face-to-face with the demons she wants to avoid. In a stunning departure from her enormously popular Weetzie Bat books, Francesca Lia Block weaves a darkly exhilarating tale of shattered passions and family secrets.

Love in the Time of Global Warming-Francesca Lia Block 2013-08-27 After a devastating earthquake destroys the West Coast, causing 17-year-old Penelope to lose her home, her parents and her 10-year-old brother, she navigates a dark world, holding hope and love in her hands and refusing to be defeated.

Psyche in a Dress-Francesca Lia Block 2009-10-13 But this is what I could not give up: I could not give up myself Psyche has known Love—scented with jasmine and tasting of fresh oranges. Yet he is fleeting and fragile, lost to her too quickly. Punished by self-doubt, Psyche yearns to be transformed, like the beautiful and brutal figures in the myths her lover once spoke of. Attempting to uncover beauty in the darkness, she is challenged, tested, and changed by the gods and demons who tempt her. Her faith must be found again, for if she is to love, she must never look back.

Ruby-Francesca Lia Block 2009-10-13 From the beloved author of Necklace of Kisses comes a modern-day fairy tale of a willful and intuitive heroine and a world of shocking realism and transcendent magic.

Francesca Lia Block, this time with co-writer Carmen Staton, introduces readers to Ruby, a Midwestern girl named for the jewel that is believed to ward off evil spirits. Ruby's special gift is a sixth sense that

makes her at one with nature and gives her the ability to know her own destiny. After growing up in an abusive family, Ruby escapes to Los Angeles and learns of her soulmate -- Orion -- a British actor. She travels to England, where she works at a potions and herbs shop, and through a series of coincidental circumstances, ends up nursing Orion back to health without confessing that she has been on a quest to find him all along. But just when she thinks her dream is becoming a reality, Ruby is stopped in her tracks by the violent demons of her past. Only by facing the darkness together can she and Orion finally fulfill their destiny. As with *Necklace of Kisses*, Block, here with *Staton*, breaks the mold. In *Ruby*, readers will find a story about the power of our minds to overcome the past and ultimately change the course of our lives.

Autobiography of an Orgasm-Betsy Blankenbaker 2014-10-30 What do we think we know about the female orgasm? It's that peak experience, an ultimate moment of climax and release that nevertheless eludes so many. Some women live for it, some have multiple orgasms, some fake it while others simply learn to do without. "Autobiography of an Orgasm" (November, 2014) is a sexy-spiritual memoir that's part steamy erotica and part straight-talking advice. It's the result of Betsy Blankenbaker's tireless journey to learn everything she could about the female orgasm in a personal quest to feel as much as possible after too many years of feeling nothing at all. To solve the mystery of why she spent much of her life disconnected from her sensuality, struggling to overcome the shame of childhood sexual assault, Blankenbaker set out at age 45 to thoroughly research women's orgasm. Along the way, she spent time in bed with orgasm experts, strolled down New York's tony Fifth Avenue with a healing jade egg in her vagina, had a spiritual awakening through orgasm in Africa, and received sacred "Womb Rites" from a shaman in the Peruvian Amazon. Through lively storytelling and a delicious sense of humor, Betsy shares why she was never able to find fulfillment in life, love or sex prior to her pilgrimage to healing and pleasure. Her findings resulted in this unprecedented book, "Autobiography of an Orgasm." "Autobiography of an Orgasm" seeks to answer the questions women have but don't know how (or whom) to ask. It is the author's fervent prayer

that it will inspire women everywhere to burn their dysfunctional bridges and step into healing by learning to love their bodies and themselves.

Family Pose-Dean Hughes 1989 Feeling unwanted, an eleven-year-old orphan runs away from his foster home and lives on the streets until he finds a new type of family at a hotel.

I Was a Teenage Fairy-Francesca Lia Block 2000-05-03 Maybe Mab was real. Maybe not. Maybe Mab was the fury. Maybe she was the courage. Maybe later on she was the sex . . . A tiny fairy winging her way through the jasmine-scented L.A. night. A little girl caught in a grown-up glitz-and-glitter world of superstars and supermodels. A too beautiful boy with a secret he can never share . . . From the author of Weetzie Bat comes a magical, mesmerizing tale of transformation. This is the story of Barbie Marks, who dreams of being the one behind the Cyclops eye of the camera, not the voiceless one in front of it; who longs to run away to New York City where she can be herself, not some barley flesh-and-blood version of the plastic doll she was named after. It is the story of Griffin Tyler, whose androgynous beauty hides the dark pain he holds inside. And finally it is the story of Mab, a pinkie-sized, magenta-haired, straight-talking fairy, who may or may not be real but who helps Barbie and Griffin uncover the strength beneath the pain, and who teaches that love—like a sparkling web of light spinning around our bodies and our souls—is what can heal even the deepest scars.

Dead Girls-Francesca Lia Block 2019-12-15 The newest collection of haunting, magical poems by Francesca Lia Block, author of Fairy Tales in Electri-City, draws on myth and fable to explore the roles women play in many archetypal stories- and gives voice to these female characters, to let them tell their tales in their own words. "Wasn't it pervert Edgar Allen Poe who said, 'The death of a beautiful woman is, unquestionably, the most poetical topic in the world?' Francesca Lia Block's book Dead Girls begs to differ. Here we see the exploitation of girls--spun into the very DNA of our Western culture of myth and fairy tales--for what it is. Block gives voice to these women and girls, including the 'wicked' queens and stepmothers, revealing a complexity and despair as only a truly great poet can. I'll tell you what is the

most poetical topic in the world--beautiful girls who are very much alive in these exquisite poems."--Denise Duhamel "In the gorgeous realms of these poems we might hear beguiling instructions: 'Heed my advice / Take your heart from your chest / Let it bleed in your hands / Talk to it softly / as if to a lover, ' and then wander into their alluring spaces of darkness. Bristling with violence and eroticism, the wilderness here resonates with current and crucial concerns. Listen close and follow Francesca Lia Block's seductive voice as it speaks through these fabular figures: 'I want to tell my history / Can you hear my stories?'"--Molly Bendall

Kisses from Hell-Kristin Cast 2010-08-24 Truly, Madly, Undead-ly This irresistible collection features stories of love amid vampires by five of today's hottest authors—Kristin Cast (Tempted), Richelle Mead (Vampire Academy), Alyson NoËl (Evermore), Kelley Armstrong (The Summoning), and Francesca Lia Block (Pretty Dead). Whether you're into romances that are dark and moody or light and fun, these stories will quench that insatiable thirst for enchanting tales of the beautiful undead.

Beyond the Pale Motel-Francesca Lia Block 2014-09-16 Sexy L.A. hairdresser Catt finds her world turned upside-down after her husband leaves her and the victims of the Hollywood Serial Killer all seem to resemble her best friend, Bree, who Catt fears is the murderer's next target.

How Beautiful the Ordinary-Michael Cart 2009-10-06 A girl thought to be a boy steals her sister's skirt, while a boy thought to be a girl refuses to wear a cornflower blue dress. One boy's love of a soldier leads to the death of a stranger. The present takes a bittersweet journey into the past when a man revisits the summer school where he had "an accidental romance." And a forgotten mother writes a poignant letter to the teenage daughter she hasn't seen for fourteen years. Poised between the past and the future are the stories of now. In nontraditional narratives, short stories, and brief graphics, tales of anticipation and

regret, eagerness and confusion present distinctively modern views of love, sexuality, and gender identification. Together, they reflect the vibrant possibilities available for young people learning to love others—and themselves—in today's multifaceted and quickly changing world.
