When the Beat Was Born-Laban Carrick Hill 2013-08-27 Before there was hip hop, there was DJ Kool Herc. On a hot day at the end of summer in 1973 Cindy Campbell threw a back-to-school party at a park in the South Bronx. Her brother, Clive Campbell, spun the records. He had a new way of playing the music to make the breaks—the musical interludes between verses—longer for dancing. He called himself DJ Kool Herc and this is *When the Beat Was Born*. From his childhood in Jamaica to his youth in the Bronx, Laban Carrick Hill's book tells how Kool Herc came to be a DJ, how kids in gangs stopped fighting in order to breakdance, and how the music he invented went on to define a culture and transform the world.

*Poet*-Don Tate 2018-09-15 George loved words. But George was

enslaved. Forced to work long hours, George was unable to attend school or learn how to read. But he was determined—he listened to the white children’s lessons and learned the alphabet. Then he taught himself to read. Soon, he began composing poetry in his head and reciting it as he sold fruits and vegetables on a nearby college campus. News of the slave poet traveled quickly among the students, and before long, George had customers for his poems. But George was still enslaved. Would he ever be free? In this powerful biography of George Moses Horton, the first southern African-American man to be published, Don Tate tells an inspiring and moving story of talent and determination.

The Christmas Books of Mr. M. A. Titmarsh-William Makepeace Thackeray 1868

And the Hippos Were Boiled in Their Tanks-William S. Burroughs 2009-11-10 In the summer of 1944, a shocking murder rocked the fledgling Beats. William S. Burroughs and Jack Kerouac, both still unknown, were inspired by the crime to collaborate on a novel, a hard-boiled tale of bohemian New York during World War II, full of drugs and art, obsession and brutality, with scenes and characters drawn from their own lives. Finally published after more than sixty years, this is a captivating read, and incomparable literary artifact, and a window into the lives and art of two of the twentieth century’s most influential writers.

Nighttime Symphony-Timbaland 2019-05-14 As a child readies for bed, the sounds of his family echo around him, soothing him to sleep. The steady beat of cars passing on the street outside and raindrops falling onto the roof above punctuate a rhythm created by the shouts of uncles over a barbecue, the clink of dishes washed by cousins, and a grandfather’s booming laughter. It all blends together to form the soundtrack of a child’s life—a soundtrack of love. A musical read-aloud that tenderly captures the comforts of a loving home and family, Nighttime Symphony is as contemporary as it is timeless.

The Beat of My Own Drum-Sheila E. 2014-09-02 From the Grammy-nominated singer, drummer, and percussionist who is world renowned for her contributions throughout the music industry, a moving memoir about the healing power of music and spiritual growth inspired by five decades of life and love on the stage. She

was born Sheila Escovedo in 1957, but the world knows her as Sheila E. She first picked up the drumsticks and started making music at the precocious age of three, taught by her legendary father, percussionist Pete Escovedo. As the goddaughter of Tito Puente, music was the heartbeat of her family, and despite Sheila's impoverished childhood in Oakland, California, her family stayed strong, inspired by the music they played nightly in their living room. When she was only five, Sheila delivered her first solo performance to a live audience. By nineteen, she had fallen in love with Carlos Santana. By twenty-one, she met Prince at one of her concerts. Sheila E. and Prince would eventually join forces and collaborate for more than two decades, creating hits that catapulted Sheila to her own pop superstardom. *The Beat of My Own Drum* is both a walk through four decades of Latin and pop music—from her tours with Marvin Gaye, Lionel Richie, Prince, and Ringo Starr to her own solo career. At the same time, it's also a heartbreaking, ultimately redemptive look at how the sanctity of music can save a person's life. Having repeatedly endured sexual abuse as a child, Sheila credits her parents, music, and God with giving her the will to carry on and to build a lasting legacy. Rich in musical detail, pop, and Latin music history, this is a fascinating walk through some of the biggest moments in music from the '70s and '80s. But as Sheila's personal story, this memoir is a unique glimpse into a world-famous drummer's singular life—a treat for both new and longtime fans of Sheila E. And above all, *The Beat of My Own Drum* is a testament to how the positive power of music has fueled Sheila's heart and soul—and how it can transform your life as well.

The 5 O'Clock Band-Troy "Trombone Shorty" Andrews 2020-11-10 This companion title to *Trombone Shorty*—Caldecott Honor, Coretta Scott King Award and Odyssey Honor winner—is a well-tuned, beautiful visual and auditory exploration of a beloved community as Shorty visits the streets of New Orleans to find answers on how to be a leader in his band.

The Book Itch-Vaunda Micheaux Nelson 2015-11-01 In the 1930s, Lewis's dad, Lewis Michaux Sr., had an itch he needed to scratch—a book itch. How to scratch it? He started a bookstore in Harlem and named it the National Memorial African Bookstore. And as far as Lewis Michaux Jr. could tell, his father's bookstore was one of a

kind. People from all over came to visit the store, even famous people—Muhammad Ali, Malcolm X, and Langston Hughes, to name a few. In his father's bookstore people bought and read books, and they also learned from each other. People swapped and traded ideas and talked about how things could change. They came together here all because of his father's book itch. Read the story of how Lewis Michaux Sr. and his bookstore fostered new ideas and helped people stand up for what they believed in.

Night-Elie Wiesel 2012-05-03 Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, Night is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.

My First Hip Hop Book-Martin Ander 2019-03-21 A different, colorful picture book about culture and everyday life. Rap, Breakdance, Graffiti & DJ: ing - now for the very youngest! My First Hip Hop Book is a different, colorful picture book about culture and everyday life with fun and clear pictures for small children. A charming book with lots of humour and attitude. You can point at events and objects related to hip hop culture, but that also occur pretty much everywhere in everyone's life. The book takes place over a day and every page features everyday situations that children can relate to. Ageing B-Boys and B-Girls will love teaching their

children and grandchildren their first simple words with a hip hop twist. No one is too small for the four elements! "This was one of the most diverse and culturally appropriate [children's] books I've seen. All of the kids loved it. The pre-reader loved that he could memorize and "read" it, the older kids enjoyed the art, and Baby was happy to look at the pictures. On every page with more than one person, there are always a variety of skin tones [...] Everyone is happy and getting along. The illustrations have a lot of pop and some are quite detailed. I wouldn't have expected a 17-word book to attract any attention from the kids over 6, but it did! My pre-reader especially loved the final page with matching rhyme illustrations." - Review by Colorful Book Reviews

Hope Points North-Robert Douglas Spetta 2014-03 A compass is a very helpful tool-as long as its wielder knows the direction he wants to go. This wasn't often the case in the sixties in America, when many felt directionless, with an unpopular war that had the country's moral compass spinning. "Hope Points North" is a coming-of-age experience that takes place on Long Island during this turbulent period. Of the three boys, Chris McKellar is the conventional one of the group-the glue that binds the troubled Teddy and smart, introverted Charlie together. The story is Chris's adult recollection of the time when he, Teddy, and Charlie decide to travel on their own to Grumman Aerospace Company, the builders of the Lunar Excursion Model-the craft that will eventually deliver man to the moon. Just as the boys embark on their journey, the dark-hearted preacher Lovejoy ambushes them. Teddy's grandpa has amassed a secret fortune, but it's no secret to Lovejoy, who is seducing Teddy's mother and will do anything to get the money. But the boys resist the preacher's attack in a way that leaves him dead in the creek...or so they think. In shock, they follow their compass, toward the fraternity of hopes, dreams and, unsuspectingly, manhood.

Cme-Jerry Young 2015-04-18 Jerry D Young was born at home, in Senath, Missouri July 3, 1953. At age 5 the family rented a small farm house on an active farm 40 miles southwest of St. Louis. While the family weren't farmers, they lived something of a homestead type life, raising a milk cow, sometimes two, and calves, a pig or two, chickens, and the occasional goat. Along with the stock, a large

garden helped to feed Jerry's three brothers and two sisters for several years. Fishing and hunting contributed to the pantry, as did foraging the wild edibles on the property. At the age of 14, the family, minus a brother and two sisters that were now adults and on their own, moved back to Senath. Having been encouraged from an early age to read, Jerry was a regular patron of the Senath Branch Library. A love of a good story was born within him, and shortly before graduating high school, for a lack of stories that he liked at the library, he began to write short vignettes, and started taking notes for stories that he wanted to tell. Well, a full life interceded, and the writing didn't resume for several years. But while working a job with a much free time, and the then newfangled home computer, Jerry began to write in earnest. With the occasional gap in the process, Jerry continued to research and write, never believing he could ever be published. But when he turned 50, he wanted a change in his life, left the job he was doing and began focusing on his writing. When he became ill, the writing stopped, but not the inspiration. When he started writing again, in 2004, after getting the medical problems under control, he began to read some on-line stories dealing with emergency preparedness, one of his other loves. The die was cast. Now with over a hundred of the vignettes and short stories about how to survive disasters written, along with his other novels, Jerry decided to go for broke, adding one of his previous works every few days to his list of stories now available, Jerry continues to write, both the Prep/PAW stories, as well as action adventure with a little romance type stories that first got him started.

Love Rises-Bella Battle 2016-11-10 LOVE RISES is pure, well, not so pure, fiction based on fact. A young Confederate lieutenant and a daring, older woman break all the taboos of the South in their efforts to survive a war-shattered world. When the Civil War ends, dashing Confederate Lieutenant Charlie Irving helps Julia's husband, General Robert Toombs, flee to France to avoid Union charges for treason. For years, Charlie has lusted after Julia even though she is a married woman twenty years his senior, and the South's most celebrated beauty. Under Charlie's smoldering looks, Julia goes weak in the knees and dreams of falling with Charlie on the thick, Persian carpet in her mansion's parlor. The aftermath of war offers a world based on survival and a chance to explore their passion if the two can survive the North's continuing effort to crush the South. But Julia still loves her husband, and code-of-honor-bound Charlie has sworn to take care of Julia in the General's absence. Is General Toombs' desperate plea to Charlie to do whatever is necessary to keep his wife safe and happy, curse or blessing on what the future holds?

No Daffodils, No Clouds-Tom Lyford 2012-07-01 No Daffodils, No Clouds, like Tom Lyford's earlier poetry books, is a compendium of baby boomer Americana. The table of contents listing, with everything from "Brat Packs" and "Idiots' Guide to Wormholes" to "A Terrible Thing to Waste" and "Poem Nazis," reads like the big board of Alex Trebeck's Jeopardy categories. Allow Tom Lyford to personally introduce you to his unwitting mentors Janis Joplin, Bob Dylan, Tom Waits, Leonard Cohen, Stephen King, J. D. Salinger, and Ray Bradbury. Accept the tokens he offers for passage back through the Twilight Zone turnstile to relive those sights and sounds and smells of your '50s and '60s drive-in movie theater and roller skating pavilion. Contemplate his long view as to where we've been, and where we're headed. But you'll discover no "wandering lonely as

a cloud" or "host of daffodils" here. Why? Because legions of Wordsworth wannabes have been doing that since 1802. What you will find, however, is a lot of humor and heart. You'll find accessible poems that you can understand. And you'll even find creative illustrations...

A Woman in Time Transit-Yawer Qazalbash 2015-09-04 Do you believe in re-births? If not, read--A Woman In Time Transit--where the same spirit of a woman is born time and again in different time and geographical zones of human history. These births had taken place among different societies. Thus the book comprises of three separate stories, each having different characters, cultures and circumstances; hence a 'trilogy'. The first birth had taken place in antiquity, when humans lived in individual groups. They were food gatherers and hunters but their lingual apparatuses were not developed, therefore there was no language. The reader would find the answer to the question; how women used to head such groups, where only brute force ruled. People could hardly pronounce 'Shuh', as they called their leader. In the second birth, the heroine was born in household of an Egyptian priest and was named Nekhebi, and whose forefathers were the initiators of moralistic laws, and she was fully trained in every discipline of priesthood by her father. Despite that, only one instance changed her all perceptions of faith. She seduces a male of her own tribe in the first instance and from

there her libido drives, controlled by her Physis did not let her stop from indulging in every act there was to indulge. Nekhebi, in her mastery of manipulations forged a plan which was later on used by Pharaohs to claim themselves as spiritual leaders. In the third birth the lax spirit was born in the City State of Sparta, and continued in the similar promiscuous manner as that of her two counter-parts. In each episode characters have been developed, who would be found antithesis to the debauch spirit and those contradiction and conflicts would be enjoyable to read.
