Who Are the Rolling Stones?-Dana Meachen Rau 2017-04-04 Follow the bad boys of rock and roll from their beginnings in London to their unparalleled success around the world. Starting out over fifty years ago, the Rolling Stones took the music of the blues and blended it into rock and roll to create their own unique sound. Decades later, they are still hard at work, recording and playing live to massive crowds of adoring fans. Who Are the Rolling Stones? captures the excitement of the Stones on their journey to become the greatest rock-and-roll band in the world.

The Cambridge Companion to the Rolling Stones-Victor Coelho 2019-09-30 The first collection of academic essays focused entirely on the musical, historical, cultural and media impact of the Rolling Stones.

Brian Jones-Paul Trynka 2015 "First published in Great Britain as Sympathy of the Devil: The Birth of the Rolling Stones and the Death of Brian Jones by Bantam Press."

The Rolling Stones-Simon Wells 2006-10 An array of photographs, many never before published, follows the Rolling Stones from their early days in the 1960s to the present day, chronicling the history of the iconic band both on and off the stage.

Rolling Stones All the Songs-Philippe Margotin 2016-10-25 Comprehensive visual history of the "World's Greatest Rock & Roll Band" as told through the recording of their monumental catalog, including 29 studio and 24 compilation albums, and more than a hundred singles. Since 1963, The Rolling Stones have been recording and touring, selling more than 200 million records worldwide. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In The Rolling Stones All the Songs, authors Margotin and Guesdon describe the origin of their 340 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the great artists who contributed to their tracks. Organized chronologically by album, this massive, 704-page hardcover begins with their 1963 eponymous debut album recorded over five days at the Regent Studio in London; through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973; to their later work with Don Was, who has produced every album since Voodoo Lounge. Packed with more than 500 photos, All the Songs is also filled with stories fans treasure, such as how the mobile studio they pioneered was featured in Deep Purple's classic song "Smoke on the Water" or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on "Street Fighting Man." Please note that the ebook does not contain images.

The Sun & The Moon & The Rolling Stones-Rich Cohen 2016-05-10 A gritty, one-of-a-kind backstage account of the world's greatest touring band, from the opinionated music journalist who was along for the ride as a young reporter for Rolling Stone in the 1990s ONE OF THE TOP FIVE ROCK BIOGRAPHIES OF THE YEAR—SAN FRANCISCO CHRONICLE ONE OF THE BEST BOOKS OF THE YEAR—KIRKUS REVIEWS A book inspired by a lifelong appreciation of the music that borders on obsession, Rich Cohen's fresh and galvanizing narrative history of the Rolling Stones begins with the fateful meeting of Mick Jagger and Keith Richards on a train platform in 1961—and goes on to span decades, with a focus on the golden run—from the albums Beggars Banquet (1968) to Exile on Main Street (1972)—when the Stones were at the height of their powers. Cohen is equally as good on the low points as the highs, and he puts his finger on the moments that not only defined the Stones as gifted musicians schooled in the blues, but as the avatars of so much in our modern culture. In the end, though, after the drugs and the girlfriends and the bitter disputes, there is the music—which will define, once and forever, why the Stones will always matter. Praise for The Sun & The Moon & The Rolling Stones "Fabulous . . . The research is meticulous. . . . Cohen's own interviews even yield some new Stones lore."—"The Wall Street Journal" "[Cohen] can catch the way a record can seem to remake the world [and] how songs make a world you can't escape."—Pitchfork "No one can tell this story, wringing new life even from the leathery faces of the Rolling Stones, like Rich Cohen. . . . The book beautifully details the very meaning of rock 'n' roll."—New York Observer "Masterful. . . . Hundreds of books have been written about this particular band and [Cohen's] will rank among the very best of the bunch."—Chicago Tribune "Cohen, who has shown time and time again he can take any history lesson and make it personal and interesting. . . . somehow tells the [Stones'] story in a whole different way. This might be the best music book of 2016."—"Men's Journal" "[Cohen's] account of the band's rise from 'footloose' kids to 'old, clean, prosperous' stars is, like the Stones, irresistible."—"People "You will, as with the best music bios, want to follow along on vinyl."—"The Washington Post "A fresh take on dusty topics like Altamont and the Stones' relationship with the Beatles. . . . Cohen takes pilgrimages to places like Nellcôte, the French mansion where the Stones made Exile on Main Street, and recounts fascinating moments from his time on tour."—Rolling Stone "On the short list of worthwhile books about the Stones. . . . The book is stuffed with insights."—San Francisco Chronicle

The Rolling Stones-Mick Jagger 2012 This is our story of fifty fantastic years. We started out as a blues band playing the clubs and more recently we've filled the largest stadiums in the world with the kind of show that none of us could have imagined all those years ago. Curated by us, it features the show best photographs and ephemera from and beyond our archives.' Mick, Keith, Charlie & Ronnie On Thursday 12 July 1962 the Rolling Stones went on stage at the Marquee Club in London's Oxford Street. In the intervening fifty years the Stones have performed live in front of more people than any band... ever. They've played the smallest blues clubs and some of the biggest stadium tours of all time. They've had No.1 singles and albums in every country that has a popular music chart and have helped define global popular culture. A phenomenal half-century later, they now look back at their astounding career. Curated, introduced and narrated by the band themselves, The Rolling Stones 50 is the only officially authorized book to celebrate this milestone. With privileged access to a wealth of unseen and rare material, it is packed with superb reportage photography, contact sheets, negative strips, outtakes and so much more, from every period in the band's history. With more than 1,000 illustrations, it also features some of the most rare and interesting Stones memorabilia in existence: international posters, draft record cover art, bubblegum cards, jigsaws and other previously unpublished treasures specially photographed for this volume. The ephemera comes from the greatest Rolling Stones collection in the world, which belongs to Ali Zayeri. Featuring photography from the Daily Mirror's archive and with contributions by photography legends Gered Mankowitz, Jean-Marie Poirier, Dezo Hoffmann, Michael Cooper, Terry O'Neill, Bent Rej, Philip Townsend and many others, this is the definitive celebration of fifty years of the Rolling Stones. From Mick, Keith, Charlie and Ronnie - here is one spectacular thank you to their fans all over the world.

Rolling with the Stones-Bill Wyman 2001-01-01 Founding member and bass player Bill Wyman presents an honest and humorous account that serves as a backstage pass to the band's history, from drug busts, to tax exile, to solo careers. Straight from Wyman's huge personal archive, here are unreleased letters, photos, memorabilia, and personal journals. With over 2,000 photographs, 45 tour spreads, song lists from every show, and biographies on each band member.

Stones Touring Party-Robert Greenfield 2013-07-08 "A compelling account of the Stones trashing America during 1972... Greenfield was allowed the kind of access journalists can only dream of today" The Times The Stones' 1972 tour of the States was perhaps their best – and certainly most notorious – ever. Their previous visit in 1969 had ended in the nightmare of Altamont, now, three years later, they had just recorded their two finest albums, Sticky Fingers and Exile on Main Street, and were musically in their prime – if also personally at their most dissolute and debauched. Robert Greenfield, one of America's finest writers, went along for the ride and came back with a riveting account of high living, excess and rock & roll fury, from the Playboy Mansion to the jail cells of Rhode Island. This was an extended tour Party, capital P, to which all America's hip, rich and glitzy were invited, from Truman Capote to Stevie Wonder, Annie Liebowitz to Hugh Hefner. The result has been acclaimed as one of the all-time classic music books. Published for some years by Helter Skelter under the title A Journey Through America with the Rolling Stones, it is now reissued by Aurum under its original title with a new introduction by the author. Robert Greenfield is also the author of Exile on Main Street: A Season in Hell with the Rolling Stones and biographies of Timothy Leary and Jerry Garcia. He lives in California.

The Rolling Stones. Updated Edition-Reuel Golden 2020-06-15 Produced in collaboration with the band with one-of-a-kind archival access, this is a book to get you infinite satisfaction. More than 400 pages of incredible images and illustrations chart the Stones' remarkable history and outrageously cool lifestyle.

The Rolling Stones-Robert A. Heinlein 2009-03-01 Wonder where to dive into Heinlein's justly famous adventure novels This is the place! The Stone clan is off to the asteroid belt to educate their brood and find a new life away from stuffy, bureaucratic Lunar City. But, as a great man once said, "There Isn't Any Such Thing As a Free Lunch." The Stones know that making a living in deep space and facing the dangers of exploration are the pioneer's great challenge%and the only path to a hopeful tomorrow for humankind! "Everything is theoretically impossible, until it is done. One could write a history of science in reverse by assembling the solemn pronouncements of highest authority about what could not be done and could never happen." %Robert A. Heinlein, from The Rolling Stones. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Counting Down the Rolling Stones-Jim Beviglia 2015-11-05 No band has ever been able to demonstrate the enduring power of rock and roll quite like The Rolling Stones, who continue to enthrall, provoke, and invigorate their legions of fans more than fifty years since they began. In Counting Down the Rolling Stones: Their Finest 100 Songs, rock writer Jim Beviglia dares to rank the band's finest songs in descending order from the 100th to their number 1 greatest song. Counting Down the Rolling Stones is the perfect playlist builder, whether it is for the diehard fan or the newbie just getting acquainted with the work of Mick, Keith, and the boys!

The True Adventures of the Rolling Stones-Stanley Booth 2014-10-01 "Stanley Booth's book is the only one I can read and say, 'Yeah, that's how it was.'" —Keith Richards Stanley Booth, a member of the Rolling Stones' inner circle, met the band just a few months before Brian Jones drowned in a swimming pool in 1968. He lived with them throughout their 1969 American tour, staying up all night together listening to blues, talking about music, ingesting drugs, and consorting with groupies.

His thrilling account culminates with their final concert at Altamont Speedway—a nightmare of beating, stabbing, and killing that would signal the end of a generation's dreams of peace and freedom. But while this book renders in fine detail the entire history of the Stones, paying special attention to the tragedy of Brian Jones, it is about much more than a writer and a rock band. It has been called—by Harold Brodkey and Robert Stone, among others—the best book ever written about the sixties. In Booth's afterward, he explains why it took him 15 years to write the book, relating an astonishing story of drugs, jails, and disasters. Stanley Booth is the author of Rythm Oil: A Journey Through the Music of the American South and Keith: Till I Roll Over Dead. He has written for Rolling Stone, Esquire, and Playboy. He lives in Brunswick, Georgia.

The Mammoth Book of the Rolling Stones-Sean Egan 2013-06-20 "The greatest rock 'n' roll band in the world!" This vainglorious introduction given to The Rolling Stones on stage by an excitable roadie was almost immediately accepted as a simple statement of fact. It was already evident that Mick Jagger, Keith Richards and Co. were, as their first manager Andrew Loog Oldham had claimed, 'a way of life'. The Stones' defiance of convention made them the figureheads of a questioning new generation, and drove the Establishment to imprison them. This enduring rebel aura and the unmistakable craft evident in classic records such as Satisfaction, Honky Tonk Women and Brown Sugar ensured subsequent generations of diehard fans, establishing the band as the biggest box office attraction the world has ever seen. The Mammoth Book of The Rolling Stones provides a comprehensive collection of reviews, analysis, interviews and exposés - both archive and contemporary, favourable and critical, concise and epic - of these extraordinary cultural icons as they pass the astonishing milestone of 50 years as rock's pre-eminent band.

The Rolling Stones and Philosophy-Luke Dick 2011 From their commanding role in the so-called British Invasion of the early 1960s to their status as the elder statesmen (and British Knight) of rock and roll, the Stones have become more than an evanescent phenomenon in pop culture. They have become a touchstone not only for the history of our times?their performance at the Altamont Raceway marked the "end of the sixties," while their 1990 concert in Prague helped Czechoslovakia and other eastern bloc nations celebrate their newfound freedom (and satisfaction) out from under Moscow's thumb. Because of their longevity, the music and career of the Stones?much more than The Beatles?stand as touchstones in the personal lives of even casual Stones fans. Everyone of a certain age remembers the Stones on Ed Sullivan, the death of founder Brian Jones, their favorite songs, concerts, or videos, and their stance in the classic ?Beatles versus Stones" debates. In the wake of Keith Richards's bestselling autobiography, Life (2010), many are now reliving these events and decades from the viewpoint of the band's endearing and seemingly death-defying guitarist. The chapters in The Rolling Stones and Philosophy celebrate the Stones' place in our lives by digging into the controversies, the symbols, and meanings the band and its wings have for so many. What might you mean (and what did Mick mean) by ?sympathy for the Devil"? Did the Stones share any of the blame for the deaths at Altamont, as critic Lester Bangs charged they did in Rolling Stone magazine? What theories of ethics and personality lay behind the good-boy image of the Beatles and the bad-boy reputation the Stones acquired? If Keith Richards really had his blood replaced four separate times, does that make him a zombie? How do the Glimmer Twins help us refine our understanding of friendship? Written by a dozen philosophers and scholars who adore the Rolling Stones not only for their music, this book will become required reading for anyone seeking maximum satisfaction from "the world's greatest rock and roll band."

The Rolling Stones: Fifty Years-Christopher Sandford 2012-04-26 In 1962 Mick Jagger was a bright, well-scrubbed boy (planning a career in the civil service), while Keith Richards was learning how to smoke and to swivel a six-shooter. Add the mercurial Brian Jones (who'd been effectively run out of Cheltenham for theft, multiple impregnations and playing blues guitar) and the wryly opinionated Bill Wyman and Charlie Watts, and the potential was obvious. During the 1960s and 70s the Rolling Stones were the polarising figures in Britain, admired in some quarters for their flamboyance, creativity and salacious lifestyles, and reviled elsewhere for the same reasons. Confidently expected never to reach 30 they are now approaching their seventies and, in 2012, will be over 50 years in. In The Rolling Stones, Christopher Sandford tells thehuman drama at the centre of the Rolling Stones story. Sandford has carried out interviews with those close to the Stones, family members (including Mick's parents), the group's fans and contemporaries - even examined their previously unreleased FBI files. Like no other book before The Rolling Stonesswill make sense of the rich brew of clever invention and opportunism, of talent, good fortune, insecurity, self-destructiveness, and of drugs, sex and other excess, that made the Stones who they are.

Little Book of the Rolling Stones-Malcolm Croft 2019-04 "There's the sun, there's the moon, there's the air we breathe, and then there's the Rolling Stones." —Keith Richards. Fans who endorse the legendary guitarist's sentiments will pore through every engaging quote in this collection, which shows exactly why the Stones remain in the spotlight after 50 years of performing. In addition to the band members, quotes come from such figures as producer Andrew Oldham and Paul McCartney. LIFE the Rolling Stones-The Editors of LIFE 2018-08-03 In 2018, when both Mick and Keith turn 75, celebrate one of the greatest Rock 'n' Roll bands of all time in the LIFE special collector's edition, The Rolling Stones.

Stones from the Inside-Bill Wyman 2020-04-30 Known, unknown, rare and unseen images from former Rolling Stones bassist Bill Wyman, capturing life on-stage, backstage and on the road In addition to this trade edition, there will also be a limited edition of 300 copies, which comes in a slipcase, with an open-edition A4 print As soon as Bill Wyman was given a camera as a young boy, he quickly developed a passion for photography. After joining what would become the world's greatest rock 'n' roll band, Wyman continued his hobby. When he didn't have his bass, he had his camera. The result is an arresting, insightful and often poignant collection of photographs, showing his exclusive inside view of the band. From travelling to relaxing, backstage and on, Stones From the Inside is a unique view captured by a man who was there, every step of the way. Along with the images of the band at work and play, Wyman includes remarkable images of those along for the ride, from John Lennon, Eric Clapton, David Bowie and Iggy Pop to John Belushi and Dan Aykroyd. To accompany his photographs, Wyman offers up wonderful insights, anecdotes and behind-the-photo stories, giving all us a front-row seat and backstage pass to what it was like to be there, as music history was made as a member of The Rolling Stones.

The True Adventures of the Rolling Stones-Stanley Booth 2000-05 Stanley Booth, a member of the Rolling Stones' inner circle, met the band just a few months before Brian Jones drowned in a swimming pool in 1968. He lived with them throughout their 1969 American tour, staying up all night together listening to blues, talking about music, ingesting drugs, and consorting with groupies. His thrilling account culminates with their final concert at Altamont Speedway—a nightmare of beating, stabbing, and killing that would signal the end of a generation's dreams of peace and freedom. But while this book renders in fine detail the entire history of the Stones, paying special attention to the tragedy of Brian Jones, it is about much more than a writer and a rock band. It has been called—by Harold Brodkey and Robert Stone, among others—the best book ever written about the sixties. In Booth's new afterward, he finally explains why it took him 15 years to write the book, relating an astonishing story of drugs, jails, and disasters.

The Rolling Stone Interviews-Jann S. Wenner 2007-11-01 The greatest interviews with the greatest rock stars, movie stars, and cultural icons – uncensored and unfiltered – are published together in one remarkable volume in celebration of Rolling Stones 40th anniversary.

The Rolling Stones In the Beginning-Bent Rej 2020-10-01 "The finest single collection of Stones photographs I have ever seen" - Bill Wyman NEW, EXPANDED EDITION CONTAINING NEVER-BEFORE-SEEN PHOTOGRAPHS. In 1965 the Rolling Stones were big and about to be huge, when Bent Rej was given unprecedented access to a year in the eye of the rock 'n' roll storm, accompanying the band on its first full European outing: the Satisfaction tour. The Rolling Stones In the Beginning is Rej's collection of more than 300 intimate photographs of the band on stage, on the road and at home, documenting a year in the life of the Rolling Stones as they enjoyed their first taste of popular success. Long a fan favourite, this brand new edition offers an even closer look into the making of music history with images recently unearthed from Rej's archives.

Rocks Off-Bill Janovitz 2013-07-23 December 3-4, 1969. Keith and Mick stood at the same microphone at Muscle Shoals, lights dimmed, splitting a fifth of bourbon, and simultaneously sang the melodies and harmonies on the three songs that they had recorded over three days: "Brown Sugar," "You Got to Move," and "Wild Horses." That's your rock 'n' roll fantasy right there, pal. A six-piece band working in a tiny converted coffin factory across from an Alabama graveyard, on an eight-track recorder, with no computer editing or Autotune, recorded three songs, representing 30 percent of one of the greatest rock 'n' roll records of all time. So tells Bill Janovitz of the making of the inimitable triple-platinum album, Sticky Fingers, which hit number one in the US and the UK in 1971, skyrocketing the band to superstardom. To Bill, all artists reveal themselves through their work and the Rolling Stones are no different: Each song exposes a little more of their soul. In Rocks Off, Janovitz reveals the forces at work behind the band's music by deconstructing their most representative tunes from their incredible fifty years of record making. Written by a Stones fanatic, this is a song-by-song chronicle that maps the landmarks of the band's career while expanding on their recording and personal history. Much like friends pouring over old records or having a barroom argument over the merits of certain songs, the book presents the musical leaps taken by the band and discusses how the lyrical content both reflected and influenced popular culture. The song choices are chronological and subjective; many of them are the classic hits; however, the book digs deeper into beloved album tracks and songs with unique stories behind them. Rocks Off is the ultimate listening guide and thinking man's companion that will spur you to dust off those old albums and listen in with a newfound perspective on one of the most famous and acclaimed rock 'n' roll bands of all time.

Stoned-Jo Wood 2019-10-31 "These images are great and have been tucked away for years" RONNIE WOOD "THE REAL Rolling Stones... Consider this your AAA pass to touring with Mick 'n' Keith 'n' co." THE SUNDAY TELEGRAPH Take a look inside rock 'n' roll history with over 500 never-before-seen photographs, notes, artworks, diary entries and mementoes from life behind the scenes of the Rolling Stones. Married to legendary Stones guitarist Ronnie Wood for 30 years, Jo Wood lived the rock star life. Her incredible collection of treasures from that time is a once-in-a-lifetime look inside the biggest band in the world. Accompanied by personal memories and behind the scenes anecdotes from Jo, Stoned is a love letter to the rock 'n' roll life and a truly unique window into the eye of the Rolling Stones hurricane.

Life-Keith Richards 2010-10-26 The #1 New York Times bestselling autobiography of the guitarist, songwriter, singer, and founding member of the Rolling Stones. Ladies and gentlemen: Keith Richards. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patsi Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richard brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

According to the Rolling Stones-The Rolling Stones 2009-05-20 For the first time in paperback—and in a great reading edition—here is the real story of the Rolling Stones, as told by the Stones themselves. In their own words, Mick Jagger, Keith Richards, Charlie Watts, and Ronnie Wood get right to the heart of what makes the Stones the Stones, as musicians, songwriters, and performers, describing how their music has evolved, and revealing frankly how their own lives have helped or hindered their music-making. The Stones' own stories are complemented by insider reflections from key players in their story over the years. Also included are 64 pages of vintage photographs. "For fans, here's proof that you can sometimes get what you want." (People)

The Best of the Rolling Stones-Mick Jagger 1990-07-01 inch...this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver Jones, Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire ofBach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

Rolling Stones in Comics!-Ceka 2019-03-15 When the Rolling Stones hit the scene in the 60's, it was to play rhythm & blues, nothing more. They were far from imagining that they would change music, let alone become the mouthpiece of a changing world. Sticking their tongue out at the establishment with their brilliant music and hard-hitting lyrics, they achieved planet-wide success. With Mick Jagger and Keith Richards in the lead, these rebels have become, over 50 years, not just a band, but a whole attitude! Through 21 stories in comics accompanied by biographical texts and a rich iconography, this book helps fans relive, in a totally new way, the incredible epic of one of the biggest rock bands ever.

Experiencing the Rolling Stones-David Malvinni 2016-02-25 Experiencing the Rolling Stones: A Listener's Companion looks at the Stones' music from the inside out. Along the journey, Malvinni places individual songs and entire albums within the transformative era of the '60s, focusing on how the Rolling Stones integrated African American R&B, blues, and rock and roll into a uniquely British style. Vignettes describing what it was like to hear the Stones' music at the time of its release thread their way through the book as Malvinni goes beyond the usual stories surrounding the Stone's most significant songs. Tracing the distinctive sound that runs through their catalog, from chord progressions and open guitar tuning, to polyrhythmic Afro-Caribbean beats and their innovative use of nontraditional instruments, Malvinni shows how the Stones have retained their unmistakable identity through the decades. Experiencing the Rolling Stones draws together a broad swath of postwar history as it covers the band's origins in Swinging London, their interest in the Beat generation, the powerful attraction of Morocco on their lives and music, the infamous drug busts that nearly destroyed the band, the female muses who inspired them, the disaster at Altamont, their flight from England as tax exiles, and the recording sessions outside of England. Malvinni takes an especially close look at Keith Richards' guitar work and its effect on the band's music, as well as the multiple changes in the band's members, such as the addition of guitarists Mick Taylor and Ron Wood. Experiencing the Rolling Stones delivers a musical adventure for both the lifelong fan and the first-time listener just discovering the magnitude and magnificence of the Stones' music, stardom, and legacy.

The Rolling Stones-Luc Sante 2014 Ladies and gentlemen...the Rolling Stones! The definitive, authorized illustrated history of the world's greatest rock 'n' roll band The kind of fame and success the Rolling Stones have achieved in their 50-year career is completely without parallel; their most famous riffs and catchiest lyrics are indelibly engraved in our collective memory. With their bluesy rock 'n' roll and mesmerizing stage presence, the Stones redefined the music of the 1960s and paved the way for rock as we know it today. Produced in collaboration with the band, this book charts the Stones' remarkable history and outrageously cool lifestyle in around 600 pages of photographs and illustrations, many previously unseen, gathered from archives all over the world. Unprecedented access to the Rolling Stones' own archives in New York and London adds an equally extraordinary, more private side to the Stones' story. Standard TASCHEN edition

The Rolling Stone Illustrated History of Rock & Roll-Anthony ed DeCurtis 1992 Discusses the evolution of rock music from its earliest origins to today's most influential musical styles and performers

Rolling Stones Gear-Andy Babiuk 2013 Recounts the history of the Rolling Stones by documenting every piece of musical equipment used by the band.

The Beatles ,the Rolling Stones and the Power of Black Music-Larome Armstrong 2015-05-31 This book takes a look at The Beatles and The Rolling Stones from a unique Black perspective. It pays tribute to both super groups while showing the honest and true fact that the groups were simply British White artists who followed the leads of their Idols of the music world who were profoundly Black artists in America. The unique sound created by both groups was a testament to the original sound of Black Music in America.... The book also focuses on racial problems that was and is still presently taking place in America. The Beatles and The Stones were both benefiting from Black Music which they reintroduced to White America, due to the obvious denial White America had as a collective.

Altamont-Joel Selvin 2016-08-16 In this breathtaking cultural history filled with exclusive, never-before-revealed details, celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones' infamous Altamont concert, the disastrous historic event that marked the end of the idealistic 1960s. In the annals of rock history, the Altamont Speedway Free Festival on December 6, 1969, has long been seen as the distorted twin of Woodstock—the day that shattered the Sixties' promise of peace and love when a concertoer was killed by a member of the Hells Angels, the notorious biker club acting as security. While most people know of the events from the film Gimme Shelter, the whole story has remained buried in varied accounts, rumor, and myth—until now. Altamont explores rock's darkest day, a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night. Joel Selvin probes every aspect of the show—from the Stones' hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening—to capture the full scope of the tragedy and its aftermath. He also provides an in-depth look at the Grateful Dead's role in the events leading to Altamont, examining the band's behind-the-scenes presence in both arranging the show and hiring the Hells Angels as security. The product of twenty years of exhaustive research and dozens of interviews with many key players, including medical staff, Hells Angels members, the stage crew, and the musicians who were there, and featuring sixteen pages of color photos, Altamont is the ultimate account of the final event in rock's formative and most turbulent decade.

Can't Give It Away on Seventh Avenue-Christopher McKittrick 2019-06-25 When the Rolling Stones first arrived at JFK Airport in June 1964, they hadn't even had a hit record in America. By the end of the decade, they were mobbed by packed audiences at Madison Square Garden and were the toast of New York City's media and celebrity scene. More than fifty years later, the history of New York City and the Rolling Stones have entwined and paralleled, with the group playing in nearly all of the Big Apple's legendary venues. Along the way Mick Jagger, Keith Richards, and the rest of the Stones have left an impact on the culture of the city, from the turbulent "Fun City" of the 1960s and '70s through the twenty-first century. The evolving career of the Stones has often reflected the cultural changes of the city, as the Stones and their music were the center of social and political controversies during the same era that New York faced similar challenges. Can't Give It Away on Seventh Avenue: The Rolling Stones and New York City explores the history of the group through the prism of New York. It is a highly detailed document of the dynamic and reciprocal relationship between the world's most famous band and America's most famous city as well as an absorbing chronicle of the remarkable impact the city has had on the band's music and career.

Sympathy for the Drummer-Mike Edison 2019-11-05 Sympathy for the Drummer: Why Charlie Watts Matters is both a gonzo rush—capturing the bristling energy of the Rolling Stones and the times in which they lived—and a wide-eyed reflection on why the Greatest Rock 'n' Roll Band in the World needed the world's greatest rock 'n' roll drummer. Across five decades, Rolling Stones drummer Charlie Watts has had the best seat in the house. Charlie Watts, the anti-rock star—an urbane jazz fan with a dry wit and little taste for the limelight—was witness to the most savage years in rock history, and emerged a hero, a warrior poet. With his easy swing and often loping, uneven fills, he found nuance in a music that often had little room for it, and along with his greatest ally, Keith Richards, he gave the Stones their swaggering beat. While others battled their drums, Charlie played his modest kit with finesse and humility, and yet his relentless grooves on the nastiest hard-rock numbers of the era ("Gimme Shelter," "Street Fighting Man," "Brown Sugar," "Jumpin' Jack Flash," etc.) delivered a dangerous authenticity to a band that on their best nights should have been put in jail. Author Mike Edison, himself a notorious raconteur and accomplished drummer, tells a tale of respect and satisfaction that goes far beyond drums, drumming, and the Rolling Stones, ripping apart the history of rock'n'roll, and celebrating sixty years of cultural upheaval. He tears the sheets off of the myths of music making, shredding the phonies and the frauds, and unifies the frayed edges of disco, punk, blues, country, soul, jazz, and R&B—the soundtrack of our lives. Highly opinionated, fearless, and often hilarious, Sympathy is as an unexpected treat for music fans and pop culture mavens, as edgy and ribald as the Rolling Stones at their finest, never losing sight of the sex and magic that puts the roll in the rock —the beat, that crazy beat!—and the man who drove the band, their true engine, the utterly irreplaceable Charlie Watts.

Up and Down with The Rolling Stones - My Rollocoaster Ride with Keith Richards-Tony Sanchez 2010-10-18 This insider's account of the lives of Brian Jones, Keith Richard, and Mick Jagger in the sixties and seventies has become legendary in the years since its first publication in 1979. Tony Sanchez worked for Keith Richard for eight years - buying drugs, running errands, and orchestrating cheap thrills - and he records unforgettable accounts of the Stones' perilous misadventures: racing cars along the Cote d'Azur; murder at Altamont; nostalgic nights with the Beatles at the Stones-owned nightclub Vesuvio; frantic flights to Switzerland for blood changes; and the steady stream of women, including Anita Pallenberg, Marianne Faithfull, and Bianca Jagger. Here the Stones as never seen before, cavorting around the world, smashing Bentleys, working black magic, getting raided, having children, snorting coke, and mainlining heroin. Sanchez tells the whole truth, sparing not even himself in the process. With hard-hitting prose and candid photographs, he creates an invaluable primary source for anyone interested in the world's most famous rock and roll band.

50 Years of Rolling Stone-Rolling Stone LLC 2017-05-16 For the past fifty years, Rolling Stone has been a leading voice in journalism, cultural criticism, and—above all—music. This landmark book documents the magazine's rise to prominence as the voice of rock and roll and a leading showcase for era-defining photography. From the 1960s to the present day, the book offers a decade-by-decade exploration of American music and history. Interviews with rock legends—Bob Dylan, Mick Jagger, Kurt Cobain, Bruce Springsteen, and more—appear alongside iconic photographs by Baron Wolman, Annie Leibovitz, Mark Seliger, and other leading image-makers. With feature articles, excerpts, and exposés by such quintessential writers as Hunter S. Thompson, Matt Taibbi, and David Harris, this book is an irresistible and essential keepsake of the magazine that has defined American music for generations of readers.

Beatles Vs. Stones-John McMillian 2013-10-29 A foray into a generation dragged into an ideological battle between Flower Power and New Left militance reveals how the Beatles-Stones rivalry was created by music managers intent on engineering a moneymaking empire.

The New Rolling Stone Encyclopedia of Rock & Roll-Patricia Romanowski Bashe 1995 Selected by the Rock and Roll Hall of Fame as its official source of information, this authoritative volume, first published in 1983, once again tops the charts with its full coverage of every aspect of the rock scene. Accompanying the more than 2,200 performer profiles are essays that reveal the artists' musical influences, first breaks, hits and misses, and more.
