Becoming Female-Clarie Kopp 2013-11-11 Every woman ought to be filled with shame at the thought that she is woman. -Clement of Alexandria, c. 150-215 The five worst infirmities that afflict the female are indocility, discontent, slan der, jealousy, and silliness .... Such is the stupidity of woman's character, that it is incumbent upon her in every particular, to distrust herself and to obey her husband. -Confucian Marriage Manual Nature intended women to be our slaves. They are our property; we are not theirs. They belong to us, just as a tree that bears fruit belongs to a gardener. What a mad idea to demand equality for women.. . Women are nothing but machines for producing children. -Napoleon Bonaparte The fact of the matter is that the prime responsibility of a woman probably is to be on earth long enough to find the best mate possible for herself, and con ceive children who will improve the species. -Norman Mailer Read these quotes and wonder!! Wonder at the strength, tenacity, and grace of females who have endured outrageous slings and arrows without becoming violent, uncaring, or incapacitated. Sturdy stuff is contained in our double X, preserved and nurtured for other, less dis torted times. The Women in Context series is a reflection of the dawn ing light slowly illuminating woman as unique in some ways, but nei ther less than nor more than man. Surely, our imperfect world can well use all the talents and capabilities that men and women possess.
