Conversations with Silence-Sally Longley 2021-01-08 Silence--scary, inviting, or both? What do you do with silence? And what if silence was a language we could learn to read, hear, and even speak? This book invites you to tune the eyes and ears of your heart to the cadences of silence. Enter into conversations with silence as you are taken on an odyssey. Venture into the Australian bush. Trek deep into the red desert. Encounter shadows and desert dwellers. You will also delve into the tiny houses of everyday silences and receive their gifts of hospitality. And stumbling into that other territory, where silence becomes a death threat, or survival, an orchard can show you the fruit of life beginning again. Conversations with Silence takes you to the Rosetta Stone of an ancient, forgotten language, a language some have called God, or the soul. Immerse yourself in the silent realm of mystics, musicians, poets, and pilgrims of every path. These are our companions, as we explore the nuanced vocabulary of the worlds of silences and join in the conversation with a new voice.
