The Bhagavadgita-Sarvepalli Radhakrishnan 1994-05-27 The Bhagavadgita, or Sacred Song holds an assured place among the world's great scriptures. Hindus regard it with the same respect and love as Christians regard the Gospels, seeking within it comfort and enlightenment. In fourteen hundred lines of verse the relationship of man with God-and the intense joy of divine love are celebrated, in language which is precise and beautiful. The Gita is a tale of action, taking the form of a dialogue between Arjuna and Krishna on the eve of a battle. Krishna teaches the fearful Arjuna the need for action and the requirement that he like all mankind take his place in the world in love and faith. Only through the search for God and the Absolute will the true self be discovered. This edition of the Bhagavadgita offers the Sanskrit text as well as Professor Radhakrishnan's English translation and a commentary which has become a classic. His clear understanding of the profound wisdom contained within the Gita ensures the reader an equally clear vision of its powerful and eternal message.
