Parcours commando - Marius-Marius, 2016-08-26 De jeune délinquant à instructeur commando, un incroyable parcours ! Alors qu'il était bien parti pour se faire une place au sein de la petite voyoucratie marseillaise, le jeune Alain rompt avec son milieu pour rejoindre l'armée. Cette expérience l'a métamorphosé. Il devient un autre homme : Marius, soldat de légende de l'armée française, puis instructeur commando. Plus qu'un récit autobiographique, Parcours Commando est l'histoire extraordinaire d'un homme qui a su combattre ses démons intérieurs pour aller chercher la foi et vivre un destin hors du commun. Un best-seller au cœur de l'action militaire ! EXTRAIT Nos gestes sont secs, économes, précis et efficaces. La plupart des stagiaires ont développé un instinct animal qui leur permet de faire preuve d'une extrême vigilance, le regard aux aguets, l'ouïe sensible au moindre bruit. Telle une meute de loup en situation d'insécurité permanente, nous avons pris l'habitude de cohabiter et nous avons

développé les réflexes nécessaires à notre survie collective. Notre corps s'est transformé en machine prête à réagir au moindre signe d'alerte. Nous avons adopté de nouvelles attitudes et nous analysons tout ce qui nous entoure, sur le qui-vive en permanence. CE QU'EN PENSE LA CRITIQUE Un ouvrage à ne pas rater pour tous ceux qui aiment les aventures humaines. - Sécurité Défense Un livre qui raconte un parcours choc, qui commence dans les armes et finit dans les armes, mais qui a permis à Marius de se découvrir et de devenir un exemple. Un livre que je ne peux que conseiller ! - Le Grand Lecteur, Babelio C'est un témoignage fort: sur la fraternité des armes, qui offre une seconde famille à des garçons perdus, sur la part d'ombre et d'obscurité issue de l'histoire de chacun, sur l'utilité qui peut être faite de ces deux parts pour forger son destin. - LisbethK, Sens critique Un livre très instructif qui nous livre une partie de la réalité des forces spéciales françaises à travers le témoignage de la vie d'un homme aujourd'hui. - Mick85, Booknode Une biographie très touchante, un parcours très spécial. Un commando unique. Je le recommande vivement ! - Toradiha, Booknode À PROPOS DE L'AUTEUR Marius a mené une carrière comme commando au sein de la Marine nationale française. Il a également été instructeur militaire et s'est fait connaître du grand public grâce à sa participation au documentaire À l'école des bérêts verts sur France 2 et à l'émission de télé-réalité Garde à vous, diffusée sur M6. Il est également apparu dans certaines productions cinématographiques.

Maud's House of Dreams-Janet Lunn 2002 An engaging, highly moving young adult biography of Lucy Maud Montgomery, the beloved author of Anne of Green Gables, the Emily series, and many more treasured stories. This year, 2002, marks the 60th anniversary of Lucy Maud Montgomery's death. Maud Montgomery was not yet two years old when she saw her mother for the last time. The journey from that day to the day Maud signed "Lucy Maud Montgomery" at the end of her first published story was long and often painful. In this compelling portrait of one of Canada's best-loved writers for young people, another beloved, award-winning young-adult author, Janet Lunn, vividly brings to life the spirit that was Lucy Maud Montgomery. Lunn shows us Montgomery's strict and lonely upbringing in rural Prince Edward Island, her eventual marriage to a man she did not love but who was deemed an ideal match, and her hard-won successes after many years of self-doubt and rejection. Throughout her life, Maud never stopped writing her journals and stories. L.M. Montgomery is undoubtedly Canada's most famous author. Today, sixty years after her death her books have been translated into nearly every language, and dozens of plays, musical plays, films and made-for-television series of her works have been produced. In 1975, a Canadian Anne of Green Gables postage stamp was issued, and in Japan, where her stories are hugely popular, there are two Anne theme parks. At the end of 1999, when lists of the last century's favourite writers were being compiled, the name Lucy Maud Montgomery led all others.

Revolutionary Ride-Lois Pryce 2017-02-21 In 2011, at the height of tension between the British and Iranian governments, travel writer Lois Pryce found a note left on her motorcycle outside the Iranian Embassy in London: ... I wish that you will visit Iran so you will see for yourself about my country. WE ARE NOT TERRORISTS!!! Please come to my city, Shiraz. It is very famous as the friendliest city in Iran, it is the city of poetry and gardens and wine!!! Your Persian friend, Habib Intrigued, Lois decides to ignore the official warnings against travel (and the warnings of her friends and family) and sets off alone on a 3,000 mile ride from Tabriz to Shiraz, to try to uncover the heart of this most complex and incongruous country. Along the way, she meets carpet sellers and drug addicts, war veterans and housewives, doctors and teachers - people living ordinary lives under the rule of an extraordinarily strict Islamic government. Revolutionary Ride is the story of a people and a country. Religious and hedonistic, practical and poetic, modern and rooted in tradition - and with a wild sense of humour and appreciation of beauty despite the comparative lack of freedom - this is real contemporary Iran.

Triumph Around the World-Robbie Marshall 2011-04-13 A humorous, soul-searching account of an aging hippie who gives up his hard-won career, family, and home life to bike around the world in search of new experiences At age 45 Robbie Marshall had it all, or so it seemed. He had been married, had two children, and built up a successful advertising agency. So what on earth made him trade his suit for leathers, his office for the saddle of a great motorcycle, and his bulging appointment book for an out-of-date world atlas? The prospect of a new challenge held such overwhelming appeal that he was prepared to risk it all—his hard won career, the trappings of wealth, and the love of a good woman—for life on the road and a lifestyle completely removed from anything he had known before. And so he shook hands with his business partner, kissed his girlfriend goodbye, and rode off into the unknown. Over the course of this double or nothing adventure he came face to face with his own ignorance, enormous danger, and wracking loneliness as well as some of the best that human nature has to offer.
