You Wake Me Each Morning-Connie Lawn 2014-11-21 You Wake Me Each Morning That is what listeners around the world have said to Connie for years, as they heard her radio broadcasts in this country and around the world. The first time she heard the phrase was from Sam Lewis, America's long - time Ambassador to Israel. Some listeners have called the voice sexy, authoritative, funny, snobby, or sophisticated. Connie tries to incorporate it all, as she tells the stories that make the news or change history. Of the many compliments she has received, the most important came from Nelson Mandela. The former South African President said he listened to her broadcasts for years while in prison. He told her, during a Washington news conference, "You Gave My People Hope." Then he went onto say, "You are not as big as I thought you were!" In her autobiography, Connie tells of the struggles of a one-woman news bureau. She recounts such events as the unrest in Washington in 1968; the killing of Robert Kennedy (she had one of the last interviews with him); the Invasion of Czechoslovakia, where she stayed for six months; a brief kidnapping in Lebanon in 1982, and White House coverage of Presidents from Lyndon Johnson to Barack Obama and beyond. Connie received the Lifetime Achievement Award for Excellence in Journalism from the New Zealand National Press Club at the New Zealand Parliament on August 15, 2006. On May 10, 2012, Connie was presented the insignia of an Honorary Officer of the New Zealand Order of Merit at the command of Queen Elizabeth the Second. This is a book for people of all ages, but especially those who are working the hardest to find themselves. To all the message is - never give up, be different from the crowd, and have fun!

Secular Faith-Vincent William Lloyd 2011-01-01 Is faith a necessary virtue in the contemporary world? May it be, or must it be, detached from religious commitment? What do genealogies of the secular tell us about faith? Does religion need secular faith? Secular Faith brings together leading and emerging scholars to reflect on the apparent paradox of "secular faith." Ranging over anthropology, religious studies, political science, history, and literature, from Muslims in China to Pentecostals in South Africa to a prison chapel in Texas, this collection of essays is as engaging and accessible as it is penetrating and rigorous. Communism was once labeled "the god that failed." Like Christianity, Communism involves faith in a superhuman endeavor, conversion, myth, discipline, and salvation--and, from the perspective of secular liberalism, both are unjustified and false. In recent years, scholars have begun to investigate whether secularism is itself based on faith in a god that failed, or is failing. Nevertheless, many still embrace such a faith, finding in the spirit of democracy an ethos of eternal renewal. Secular Faith enters and broadens this conversation, interrogating secular faith in a global context, tapping new theoretical resources, and grappling provocatively with the tragedies and opportunities of today's profane pantheon of beliefs.

Don't Wake Me at Doyles-Maura Murphy 2013-12-31 "Murphy's skillful storytelling and optimistic spirit give even the grimmest moments of her difficult life story levity in this hopeful, spunky sister to Angela's Ashes." - Publishers Weekly Maura Murphy's memoir of life in Ireland and beyond resonates with the people, places, and struggles of an almost forgotten generation. Born "chronically ugly and cross as a briar" into a poor, rural homestead in 1920s Ireland, Maura faced adversity from birth. She grew up in the bogs of the Irish countryside and left school at fourteen for Dublin, working in service there until her marriage to a hardworking but hard-drinking womanizer. Poverty stricken and hoping to find a better life for her five young children, she left Ireland with her family for 1950s Birmingham, England. But life doesn't always change when places do, and Maura's fear that she'd be "waked" at Doyles bar upon her death is funny but dead serious. Her voice is feisty and fearless, and she needed to be all those things to survive an extraordinary series of privations and abuses. And now, seventy-five and having survived her childhood, recovered from cancer, and left her marriage of fifty years, Maura has finally recorded the story of her life. Don't Wake Me at Doyles is the compelling account of a life set against by bad odds and worse luck: a memoir of survival and success in the face of the limits of class, education, nationality, religion, gender, and even health. A fearlessly honest writer, Maura invites us into her world, through her destructive marriage, and the birth of her nine children, and towards a life-or-death choice that would change her forever. Told with biting wit, Don't Wake Me at Doyles is a personal story of one woman's endurance, and the remarkable memoir of an ordinary woman's extraordinary life.

Survivor on the River Kwai-Reg Twigg 2013-05-23 Survivor on the River Kwai is the heartbreaking story of Reg Twigg, one of the last men standing from a forgotten war. Called up in 1940, Reg expected to be fighting Germans. Instead, he found himself caught up in the worst military defeat in modern British history - the fall of Singapore to the Japanese. What followed were three years of hell, moving from one camp to another along the Kwai river, building the infamous Burma railway for the all-conquering Japanese Imperial Army. Some prisoners coped with the endless brutality of the code of Bushido by turning to God; others clung to whatever was left of the regimental structure. Reg made the deadly jungle, with its malaria, cholera, swollen rivers, lethal snakes and exhausting heat, work for him. With an ingenuity that is astonishing, he trapped and ate lizards, harvested pumpkins from the canteen rubbish heap and with his homemade razor became camp barber. That Reg survived is testimony to his own courage and determination, his will to beat the alien brutality of camp guards who had nothing but contempt for him and his fellow POWs. He was a risk taker whose survival strategies sometimes bordered on genius. Reg's story is unique. Reg Twigg was born at Wigston (Leicester) barracks on 16 December 1913. He was called up to the Leicestershire Regiment in 1940 but instead of fighting Hitler he was sent to the Far East, stationed at Singapore. When captured by the Japanese, he decided he would do everything to survive. After his repatriation from the Far East, Reg returned to Leicester. With his family he returned to Thailand in 2006, and revisited the sites of the POW camps. Reg died in 2013, at the age of ninety-nine, two weeks before the publication of this book.

And as I make my way along my journey, bless me with the wisdom to make intelligent choices. So begins Sorority Sisters by Tajuana "TJ" Butler, a dazzling new voice in African-American fiction. CAJEN is a naive freshman whose brief affair with Jason, the campus Romeo, has life-changing repercussions. With hardly a chance to cope with her new circumstances, she finds herself dealing with the stress of pledging while battling feelings of depression and guilt. TIARA grew up as the oldest of five children raised by a single mother in the projects of Gary, Indiana. Motivated by Rhonda, her mentor through the Big Sisters program, she has worked hard for everything she has achieved. Simply being in college is a victory for her. CHANCEY is brilliant, with a photographic memory that has allowed her to breeze through school. In fact, she skipped her freshman year entirely and entered college as a sophomore. She has always been made to feel like an outsider because of her intelligence, and the sorority represents an opportunity for her finally to fit in. STEPHANIE is the spoiled only child of a prominent, wealthy family from Savannah. She is used to getting the best and expects no less. But Stephanie is adopted and harbors a secret about her birth mother that she fears will cause others to think less of her. MALENA is ambitious, talented, and smart. She knows what she wants and is steadfast when it comes to achieving her goals. Her strength and resolve ultimately benefit the group as a whole. These five very different young women are thrust together and soon must learn to unite and draw upon one another's talents. During the course of their pledge process, they struggle to discover and define their futures, finding strength in the group and within themselves. In Sorority Sisters, Butler writes with sensitivity and authenticity about issues revolving around class, friendship, self-discovery, sexuality, and love. She has created characters who remain with you long after the last page has been turned. A gifted young storyteller, Tajuana "TJ" Butler has a voice we'll be hearing from for a long time.

Broken Jewel-David L. Robbins 2009-11-10 New York Times bestselling author David L. Robbins presents a riveting novel of war, love, and survival, set against the backdrop of an improbable rescue, the Los Baños prison raid -- one of the most daring episodes of World War II. For three years after the fall of Manila, 2,100 Allied civilians have been imprisoned at Los Baños Internment Camp, 40 miles to the southeast and notorious for its horrendous conditions. American Remy Tuck, the camp's resident gambler, struggles daily with his Japanese army captors to keep his community of Americans, Brits, and Dutch alive, as they stave off starvation and protect one another from vicious punishments. Remy's son, Talbot, now nineteen, has become a man while in captivity. Headstrong to the hilt and a nimble thief, Tal can move like a snake under the guards' noses and defies their orders at every opportunity. On the other side of the barbed wire, looking down on the camp, is the Filipina Carmen, a "comfort woman" who has been kidnapped by the Japanese, raped, and forced into sexual slavery to service the Imperial Japanese Army. Carmen battles to keep herself physically and emotionally intact. A favorite of one of the guards, she accepts his occasional kindnesses but has eyes only for Tal, whose fortitude in the face of great suffering astounds her. Tal, in turn, looks up to Carmen's high window and sees the grace and courage with which she endures her imprisonment. Without speaking, the two fall in love above the encampment grounds. As the tide of the war in the Pacific turns against the Japanese, tensions and danger in the camp escalate. In the face of all but certain execution at the hands of their captors, Remy and Tal enact a daring plan to save their fellow prisoners and the woman Tal loves.

My Journey Through Hell on My Way to Heaven-Lucy Irving 2012-03-19 My name is Lucy McEachern Irving and I am a 30 yr old mother of four, but I only have one living to put to bed every night. He is amazing, and I love him more than anyone could ever imagine. My book is about his sister and his brothers that GOD blessed me with and then took them back to heaven to be with him all in the same breath. I was madly in love with their father and shortly after we married he began to physically hurt me and yet I stayed throughout all the fights and two deaths of our children. I did manage to find true happiness but my children have always held me back in some way. Everything in my life surrounded what happened when they died and surrounded the deep unending connection that their father and I had. He had a hold on me that is not healthy in any way. I went through other abuses, and everyone I've ever loved thought that the way to express their love for me was with violence. After the death of my children I fell into a very dark place and fell into deep addiction with the fault of no one but my own. I had to learn how to deal with my pain sober, and had to relive everything about their deaths all over again because I truly believed I could numb my pain and never deal with it. I managed to find a way to stay sober and after completely losing all faith I began to realize that without that I couldn't go any were. I couldn't get back up without GOD's help. I do end up being blessed with the most amazing baby boy and even though it was a fight to get him here to stay with me, I thank GOD for my blessing and don't take it for granted not one second. But after learning how to live without my children's father and learning to be without him, I fell in real love with a wonderful man who supports me and loves me the way love is meant to be. He gave me a child after 5 miscarriages, but even he couldn't protect me from my children's father, and he did come back into my life to destroy me and what I had managed to salvage of my life. Even my new husband isn't perfect and managed to tear me apart in other ways. And to surprise, another death came into my world and destroyed us for so long. We do manage to find each other again, and because of the strength GOD gave me we are now happy and ready to start our lives together all over again with our precious miracle baby. My story is coming in two volumes because there is so much to tell. I want to show people like me that it can get better if you just try. If you give it to GOD it will happen and your dreams can come true. My main goal is to help just one person in this world to see that they are not alone and never will be. I also want to say, IF I CAN MAKE IT ANYONE CAN!

Enslaved-Rahila Gupta 2013-04-04 Slavery in Britain did not end with William Wilberforce at the beginning of the nineteenth century. They may be largely invisible to us, but living in our midst are thousands of slaves. Rahila Gupta seeks out five escapees and persuades them to tell us their stories in this compelling book. We meet a pregnant child from Sierra Leone who was locked up in a London house as a domestic slave; a Russian teenager trafficked into prostitution; a Chinese man who lives in fear of the Triads; a religious Somali woman who had to exchange sex for food; and a young Punjabi woman forced into marriage and repeatedly abused by her husband. These are the stories of those who have escaped, through a combination of courage, timing, luck and the humanity of those who helped them. Their testimonies are harrowing but they need to be heard.

The Importance of Music to Girls-Lavinia Greenlaw 2009-05-26 The Importance of Music to Girls is the story of the adventures that music leads us into—how it forms and transforms us. As a soundtrack, it's there in the background while we go about the thrilling and mortifying business of growing up: raging, falling in love, wanting to change the world. Lavinia Greenlaw turns the volume up loud, and in prose of pure fury and beauty makes us remember how the music came first. For Greenlaw, music—from bubblegum pop to classical piano to the passionate catharsis of punk rock—is at first the key to being a girl and then the means of escape from all that, a way to talk to boys and a way to do without them. School reports and diary entries reveal the girl behind them searching for an identity through the sounds that compelled her generation. Crushing on Donny Osmond and his shiny teeth, disco dancing in four-inch wedge heels and sparkly eye shadow, being mesmerized by Joy Division's suicidally brilliant Ian Curtis—Greenlaw has written a razor-sharp remembrance of childhood and adolescence, filtered through the art that strikes us at the most visceral level of all.
